## Explore more with *Brightwater* Holidays

Welcome to our second edition brochure for 2025, featuring a selection of inspiring tours across the UK and Europe plus our extended range of Worldwide departures.

In our first edition, we were delighted to unveil seven long-haul holidays, including stunning destinations across Vietnam, Japan, Brazil, California, St Lucia, Namaqualand and the Hudson Valley. Yet we never stand still here at Brightwater, so we are pleased to introduce a further 14 tours in this brochure, giving you the chance to uncover even more wonders.

There is plenty of choice for the year ahead, whether you would like to discover Puglia's white-washed, sun-soaked cities, the historic treasures of the Czech Republic or the colourful gardens of the Neapolitan Riviera. Or how about embarking on a cruise around the lovely French island of Corsica? Combining a mix of enchanting forests, fragrant orange groves, olive trees and a wide array of flowers with sea caves, sparkling coastal views and a honey farm, this break is a real delight for the senses.

Closer to home, you can step back in time at Eastern Scotland's storied castles, palaces and abbeys, admire the horticultural wonders of County Clare's the Burren, follow in the footsteps of the Prince and Princess of Wales and visit their favoured holiday destination of the Isles of Scilly and so much more. However you choose to holiday in 2025, memorable experiences and new memories await on every tour. I do hope you enjoy browsing our new brochure and we look forward to the pleasure of your company once again.

Best wishes,

*Alison Wilson*  
Managing Director

The Jacobite steam train

## A Classic Scottish Steam Break

4 DAYS from £745 | NO/LOW SINGLE SUPPLEMENT

 **PICK-UP POINTS:** Aberdeen, Stonehaven, Forfar, Dundee, Perth, Kinross, Dunfermline, Edinburgh

Steam locomotion has an enduring fascination for many of us and combined with the wonderful scenery of Scotland it becomes utterly irresistible. The Jacobite steam train, from Fort William to Mallaig, is one of the longest steam-hauled rail journeys available in Britain today, an 84-mile round trip through some spectacular scenery that also includes the 21-arch Glenfinnan Viaduct. A gentler pace is set as we sail 'Doon ra Watter' on the world's last seagoing paddle steamer, the PS Waverley\*, still elegantly plying her trade on the Clyde. There can be no better way to enjoy the gentle beauty of the Argyll hills and the Kyles of Bute than from the deck of this grand old lady. We also enjoy a taste of steam as we cruise aboard the newly restored SS Sir Walter Scott on the calm waters of Loch Katrine amid the spectacular scenery of the Trossachs, and take a trip on the Falkirk Wheel, the world's first rotating boat lift and a modern engineering marvel. We offer two different packages for this tour following the same itinerary: one staying at the Arrochar Hotel and one staying at the Stirling Highland Hotel.

Falkirk Wheel

The Waverley

**Day 1** We depart from our designated pick-up points and travel to the **Falkirk Wheel**, the world's first rotating boat lift. Once the wheel has made its ascent to join the **Union Canal** 35m above, we sail under the Antonine Wall, the Romans' most northern frontier. We continue to our hotel. (D)

**Day 2** Today is long but rewarding as we journey back in time aboard the **Jacobite steam train** and experience one of the most spectacular railway journeys in the world, the **Fort William to Mallaig line**. From the slopes of Ben Nevis, the line runs through rugged mountains, past sea and inland lochs and on to the coast at Mallaig. (B, D)

Loch Katrine

**Day 3** Today we sail on the world's last seagoing paddle steamer, the **Waverley\***, built in 1946 to replace the 1899 Waverley, which was sunk at Dunkirk. We leave the ship at Tighnabraich and our coach will take us back to the hotel. (B, D)

**Day 4** Following breakfast we cruise on **Loch Katrine**, set among the Trossachs. We continue by Aberfoyle, the Duke's Pass and Loch Venachar to **Callander**, where free time awaits before we return to our original pick-up points. (B)

**Inc. meals:** B: Breakfast, D: Dinner

\*Please note that the itinerary is subject to confirmation of the Waverley's sailing schedule. The Waverley does not sail in Apr, May & Oct therefore we will enjoy a cruise on Loch Lomond and a visit to Inveraray Castle instead.

St Ninian's Isle

Lerwick

## Highlights of Orkney & Shetland

6 DAYS from £1,720

**PICK-UP POINTS:** Glasgow, Edinburgh, Dunfermline, Kinross, Perth, Dundee, Aberdeen

Sail away to lands steeped in history, wildlife and stunning scenery – the Orkney and Shetland isles. Many people have landed there before us, some as early as 3000 BC. Most famous of all were the Vikings, but they were not alone and all around you historical treasures can be found. Both Orkney and Shetland have their own identities - Orkney is green and fertile, while Shetland has rugged cliff and sea loch landscapes. However, both share a colourful history of Picts, Norsemen, ancient antiquities and seafaring legends – bound together with an independent spirit that sets them apart from the rest of Scotland. We sail with Serco Northlink Ferries aboard their modern, purpose-built vessels overnight from Aberdeen to Lerwick, and then there are two full days to tour Shetland. After rejoining the ship for an evening sailing to Kirkwall, we have two days to explore Orkney.

**Day 1** We depart from our designated pick-up points for Aberdeen and take the overnight ferry to Lerwick. (D)

**Day 2** We leave the ship after breakfast and start our Shetland tour. Our first stop is in Scalloway, the former capital of Shetland, where we visit the ruined castle. We then continue north towards the spectacular cliffs of Eshaness, and the narrow isthmus known as Mavis Grind. (B, D)

**Day 3** Our day starts at the Prehistoric and Norse Settlement of Jarlshof. Over three acres of remains are here, spanning 3,000 years since the days of the Stone Age, including Bronze Age houses, Iron Age broch and wheel houses, Viking long houses and medieval farmhouses. We also visit Sumburgh Head with its RSPB reserve and enjoy free time in Lerwick. Later we take the evening sailing to Kirkwall, with dinner served on board. On arrival we transfer to our hotel. (B, D)

**Day 4** This morning we have a full day excursion of west mainland Orkney visiting the Heart of Neolithic Orkney – World Heritage Sites. We begin at Maeshowe, the finest chambered tomb in Western Europe. Built before 2700 BC. Maeshowe was raided by Vikings in the 12th Century. It thus houses the largest collection of runic inscriptions to be found in any one place in

the world. We shall also visit the Standing Stones of Stenness, with the adjacent Neolithic village of Barnhouse, before continuing to Skara Brae, with its new visitor centre depicting the history of this world famous monument and Skail House, a fascinating architectural medley to the side of Skara Brae. (B, D)

**Day 5** This morning, we have free time to explore Kirkwall. Later, we tour the south end of Orkney, crossing the Churchill Barriers and visiting the charming Italian Chapel, which was built on a former prisoner of war camp. (B, D)

**Day 6** After breakfast we catch the ferry from Stromness back to the mainland. From here, we return to our original pick-up points. (B)

## Orkney & Shetland by Air

5 DAYS from £2,020

**DEPARTURE POINTS:** Aberdeen or Edinburgh

You asked and we listened! As it's a long way by road and sea, we have launched this alternative itinerary that explores the glorious and wild Orkney and Shetland Isles by air.

Over the course of five memorable days, we will explore lands steeped in history, wildlife and stunning scenery, far from the jostling crowds as we lose ourselves in the haunting beauty of the Orkney and Shetland Isles. Many people have landed there before you - some as early as 3000 BC. Most famous of all were the Vikings, but they were not alone and all around you will find historical treasures. Both islands, but particularly Shetland, in summer have virtually no darkness and the beauty of this 'Simmer Dim', as it is called locally, has to be seen to be realised.

**Day 1** We depart this morning on a flight from Aberdeen or Edinburgh to Sumburgh. On arrival we will transfer to Sumburgh Head, where the North Sea meets the Atlantic Ocean. The cliffs here are quite spectacular and home to an RSPB reserve. We will then visit the outstanding Prehistoric and Norse Settlement of Jarlshof, spanning 3000 years since the days of the Stone Age. This afternoon we will transfer to Scalloway, the former capital of Shetland where we see the ruined castle built in 1600 by the infamous Earl Patrick Stewart. We then continue north towards the spectacular cliffs of Eshaness, look out for the 'Otters Crossing' sign at the narrow isthmus known as Mavis Grind. (D)

**Day 2** After breakfast, we will head to the island's capital town of Lerwick, where we enjoy some free time. You may wish to visit the state of the art Shetland Museum. Later, we will travel through small local communities until we reach Sandwick, where we will cross as foot passengers on the ferry over to the little island of Mousa, where we will visit the 2000 year old iron age broch. (B, D)

**Day 3** Today we depart from Sumburgh Airport to Kirkwall. On arrival, we will depart on a tour of the south end of mainland Orkney, crossing the Churchill Barriers which were built

after the sinking of HMS Royal Oak in October 1939. We also stop off at the beautiful Italian Chapel, built on the site of a former prisoner of war camp. We then return to Kirkwall, the capital of Orkney, where we have free time to explore at leisure. (B, D)

**Day 4** This morning after breakfast, we have an all day excursion of west mainland Orkney visiting the Heart of Neolithic Orkney – World Heritage Sites. We begin at Maeshowe, the finest chambered tomb in Western Europe. Built before 2700 BC. Maeshowe was raided by Vikings in the 12th Century. It thus houses the largest collection of runic inscriptions to be found in any one place in the world. We shall also visit the Standing Stones of Stenness, with the adjacent Neolithic village of Barnhouse, before continuing to Skara Brae, with its new visitor centre depicting the history of this world famous monument and Skail House, a fascinating architectural medley to the side of Skara Brae. Jarlshof

Bressay Island

## An Archaeologist's View of Orkney and Shetland

6 DAYS from £1,720

PICK-UP POINTS: Glasgow, Edinburgh, Dunfermline, Kinross, Perth, Dundee

The islands of Orkney and Shetland are littered with archaeological remains. People first came here over 5,000 years ago and many of their remains survive. Research is ongoing here and excavations by archaeologists continue to uncover new information. The islands are therefore of enormous interest to anyone who enjoys first-hand contact with ancient settlements and buildings as well as the people who once lived here.

During our time on Shetland we will visit the uninhabited island of Mousa with its 2,000-year-old full size broch, the Prehistoric and Norse Settlement of Jarlshof; St. Ninian's Isle with its 6th century church and the ruined castle of Scalloway. We then travel to Orkney where we visit the Italian Chapel and the Churchill Barriers; Maeshowe, the finest chambered tomb in Western Europe; the stone circles of Stenness and Brodgar and the famous site at Skara Brae as well as Skail House. En route to Aberdeen, we will stop for a photo opportunity at Dunnottar Castle, a cliff-top fortress dating back to the 3rd century.

**Day 1** We depart from our designated pick-up points and head for Aberdeen. We will stop for a photo opportunity at **Dunnottar Castle**, a dramatic ruined cliff-top fortress, before taking the overnight ferry to Lerwick. (D)

**Day 2** We begin our exploration of Shetland with a visit to the Iron Age broch on the little island of **Mousa**. Remarkably the broch of Mousa still stands to its original height of 13m. The island is also a nature reserve and is rich in wildlife. We continue to the outstanding Prehistoric and Norse Settlement of **Jarlshof**, spanning 3,000 years of human habitation. Finally, we stop at the nearby cliffs at **Sumburgh Head**, an RSPB reserve renowned for the seabirds that reside here. (B, D)

**Day 3** Our first visit of the day is to **St. Ninian's Isle** and its church dating from the 6th century when Christianity first came to Shetland. We then travel to **Scalloway** to visit the ruined castle and continue through the **Tingwall Valley**, the site of the old Norse parliament. (B, D)

**Day 4** We tour the southern end of Orkney Mainland with visits to the **Churchill Barriers** and the **Italian Chapel**, built on the site of a former prisoner of war camp. Several hundred Italians, captured during the North African campaign of World War II were sent here to work on the Causeways and converted two huts into a chapel. Later, we return to **Kirkwall** for some free time and a chance to visit the architectural masterpiece of St. Magnus Cathedral. (B, D)

**Day 5** Today we head west into the **Heart of Neolithic Orkney**, where we find some of the most impressive and important archaeological sites in Europe, including the mysterious stone circles at **Stenness and Brodgar**, the chambered tomb at **Maeshowe** and the famous stone age village at **Skara Brae** and **Skaill House**. ## Shetland and its Outer Isles

5 DAYS from £1,420

PICK-UP POINTS: Glasgow, Edinburgh, Dunfermline, Kinross, Perth, Dundee, Forfar, Stonehaven, Aberdeen

If you want to get away from it all, Shetland is the place to be. As close to Norway as it is to Scotland, Shetland is rugged and remote, with a raw natural beauty, a unique culture and wonderful wildlife. There are over a hundred islands here, only 16 of which are inhabited, each with its own individual character, and our tour offers the opportunity to visit four of them, providing a real taste of the diversity of this amazing archipelago, not to mention the simple pleasure of travelling by boats, both large and small, as the indomitable inhabitants of these islands have done for hundreds of years.

We visit the little island of Mousa, whose Iron Age broch is the best-preserved example anywhere in the world, the Shetland Croft House Museum which gives an insight into a typical 19th century croft, while Jarlshof provides a unique archaeological time-capsule, spanning 3,000 years of successive settlements. Finally we have a tour of the northernmost islands of Yell and Unst, a day of stunning seascapes and air so fresh it takes your breath away.

**Day 1** We depart from our designated pick-up points and travel to Aberdeen. From here, we sail overnight to Lerwick. (D)

**Day 2** Disembarking at Lerwick, we begin our visits at the **Shetland Croft Museum**, housed in a typical thatched croft house of the 19th century restored with traditional materials, low doorways and uneven floors and warmed by a peat fire. Next, we explore the outstanding Norse settlement of **Jarlshof**, with over three acres of remains, spanning 3,000 years since the days of the Stone Age. This afternoon, we visit the little island of **Mousa** and the 2,000 year old broch, the best preserved example in the world. The island is also a nature reserve and is rich in wildlife. Storm petrels, Arctic terns and skuas nest here, and harbour seals lounge on the shore. (B, D)

**Day 3** Today we enjoy a full day tour to the northern isles of **Yell** and **Unst**. We travel north through Tingwall and Girsta and past the oil terminal at **Sullom Voe**, which has transformed life in Shetland since it started operating in 1973, before

arriving at Toft, where the ferry departs for the island of Yell. On arrival in Unst, we visit **Muness Castle**, **Baltasound** and **Saxa Vord Hill**. (B, D)

**Day 4** After breakfast, we return to **Lerwick** to enjoy some free time. Later, we take the overnight ferry to Aberdeen. (B, D)

7 DAYS from £1,520

 PICK-UP POINTS: Glasgow, Edinburgh, Dunfermline, Kinross, Perth, Dundee, Forfar, Stonehaven, Aberdeen

A wander through the streets of Lerwick is normally a quiet, peaceful experience, but take a walk there at the end of January and it's quite likely that you will bump into a squad of very large, bearded Vikings, in gleaming chain-mail and winged helmets. Later, the Vikings and their fancy-dressed followers fill the narrow streets, their flaming torches illuminating the winter skies, their boisterous songs filling the air. A 30-foot Viking longship is carried aloft before it is set alight with a thousand blazing brands. As the sky over Lerwick shimmers with heat and light, fireworks explode and the gloom of winter is lifted for another year.

**Day 1** We depart from our designated pick-up points and head for Aberdeen where we will join the Serco Northlink ferry overnight sailing to Lerwick. (D)

**Day 2** We arrive early in the morning at Lerwick and enjoy a full day tour which includes visits to **Scalloway**, the original capital of Shetland, the outstanding Prehistoric and Norse Settlement of **Jarlshof** and **Sumburgh Head**. (B, D)

**Day 4** After breakfast this morning we depart for Lerwick, which you are free to explore at leisure and view the various activities associated with the **Up Helly Aa festival** which takes place today. (B, D)

**Day 5** Today we enjoy a scenic excursion to the west mainland of Shetland, which will take us to Walls, terminus for the ferry service to the island of **Foula**, and the headland at **Sandness**, overlooking the island of Papa Stour. (B, D)

## In the Footsteps of the Picts

4 DAYS from £795 | LOW SINGLE SUPPLEMENT

 PICK-UP POINTS: Glasgow, Edinburgh

Living beyond the northern frontier of the Roman Empire, the people of northern Scotland in the Dark Ages were known as the Picts – a name given by the Romans meaning the 'painted, tattooed ones'. They were renowned as one of the most warlike of the Celtic barbarian tribes of Europe, successfully attacking the Roman army, and yet few of their homes or forts have ever been found. They did, however, leave behind some of the finest carved stones and jewellery from early medieval Europe.

**Day 1** We depart from our pick-up points and head to the **National Museum of Scotland**. Here we view their collection of Pictish jewellery and sculptures held here, which includes the **St Ninian's Isle Treasure**, which was discovered in Shetland in 1958 and is the only Scottish hoard of fine metalwork of this date to survive in its entirety. (D)

**Day 2** We enjoy a sculptural high-point with a visit to **Aberlemno**, with its four magnificent Pictish stones. We then visit a professional stone-carver, **David McGovern**, who will give us an exclusive Pictish stone carving demonstration. Then we travel the short distance to **St Vigean's Museum of Pictish Sculpture**, which houses one of the most important collections of early medieval sculpture in Western Europe. (B, D)

**Day 3** Today begins with a visit to the symbol-inscribed cross-slab depicting angels and a striding cloaked figure at **Eassie**. From here we continue to **Perth Museum**, which has recently re-opened following a £27 million re-development programme. Our final visit is to Dundee's **McManus Museum** to meet a digital reconstruction of a Pictish woman. (B, D)

**Day 4** This morning we drive to **St Andrews**, where we see the decorated stone sarcophagus of a great Pictish king, featuring biblical royal imagery along with artistic influences showing their European connections. Our final visit is to the **East Lothian Hillfort**, for a specially-arranged tour led by the leader of the current archaeological investigations. We return to our original pick-up points. (B)

We have a chance to explore the island and the massive natural cathedral known as **Fingal's Cave**. (B, PL, D)

5 DAYS from £1,320

**PICK-UP POINTS:** Aberdeen, Stonehaven, Forfar, Dundee, Perth, Kinross, Dunfermline, Edinburgh, Glasgow

Often described as "Scotland in Miniature", Arran has a blend of Highland and Island scenery with granite peaks and deep glens to the north of the island, contrasting with its rolling and lush farmlands to the south. From our base in Blackwaterfoot, we visit Brodick Castle and its wonderful gardens, we enjoy a circular tour of Arran that passes through Whiting Bay, Lamash, Corrie and Sannox, and we can look forward to both a tour and a tasting at the Isle of Arran Distillery.

**Day 1** We depart from our designated pick-up points and head to Ardrossan for our ferry to Arran and transfer to our hotel in **Blackwaterfoot**. (D)

**Day 2** Today we have a **circular tour** visiting **Whiting Bay, Lamash, Brodick, Corrie, Sannox, Catacol, Pirnmill** and **Isle of Arran Distillery**. Only 56 miles around its coastline, the small villages are compared to 'jewels on a necklace' strung out like pearls around the island. (B, D)

**Day 3** Explore at your leisure or take an optional excursion to the little Hebridean **island of Gigha** including a visit to **Achamore Gardens**. Nestling close to the mainland just off the Kintyre peninsula, this is a gem of an island often

overlooked by the island-hopper. Sir James Horlick came here in 1944 and created a woodland garden. The mild climate combined with high levels of rainfall means that there is always something in bloom. (B, D)

**Day 4** This morning we visit **Brodick Castle and Gardens**, looking east across the Firth of Clyde. The present garden dates from 1932 when the Duchess of Montrose started an ambitious woodland garden with a collection of rhododendrons. (B, D)

# Historic Houses of Aberdeenshire

4 DAYS from £945

 PICK-UP POINTS: Glasgow, Edinburgh, Dunfermline, Kinross, Perth, Dundee

Aberdeenshire is dotted with historic houses and castles, many of them outstanding examples of Scots Baronial architecture. Each one has a fascinating story to tell with countless legends and several royal connections including Balmoral, sadly now remembered as the place where Her Majesty The Queen passed away.

**Day 1** We depart from our designated pick-up points and head to **Drum Castle and Gardens**. The sweep of 700 years of history is stamped into Drum's stalwart battlements, medieval square tower and sprawling extensions. The beautiful Garden of Historic Roses is divided into quadrants that show how roses have been cultivated from the 17th to the 20th century and an ancient oak forest adjoins the castle. (D)

**Day 3** We start at **Castle Fraser**, one of the grandest of the Scottish baronial tower houses, with a strikingly simple Great Hall. Next is **Craigievar Castle**, another fine example of Scots Baronial architecture, which seems to have grown naturally out of the rolling hills. We round off the day at **Balmoral**, which needs little introduction as a favourite royal residence. Built around 1854 for Queen Victoria and Prince Albert, it is relatively modern though clearly in the style of a 'Scottish' castle. (B, D)

**Day 2** Our first visit of the day is to **Haddo House**. Unusual for Aberdeenshire in that it is not a castle, the house elegantly blends Georgian architecture with late Victorian interiors. We'll also see its terrace garden with geometric rosebeds, a lavish herbaceous border and secluded glades. Later we visit the magnificent fortress of **Fyvie Castle** with ghosts, legends and folklore woven into its 800-year history. Outside we find an 18th century walled garden for fruit and veg. (B, D)

**Day 4** We conclude at **Crathes Castle**, set against a backdrop of rolling hills and within its own glorious gardens. Crathes is every inch the classic Scottish tower house, with a labyrinth of cultural and family history. We then return to our original pick-up points. (B)

Glasgow

# The Architecture of Glasgow and Edinburgh

4 DAYS from £845 | NO SINGLE SUPPLEMENT

 PICK-UP POINTS: Glasgow, Edinburgh

Lying just 45 miles apart, Scotland's two largest cities enjoy a healthy rivalry and are often contrasted with each other. In terms of their architecture, Glasgow's city centre is predominantly Victorian, with vast edifices built on a grand scale to reflect its status as the 'Second City of the Empire'. In contrast, Edinburgh is most noted for its Georgian architecture, in particular the elegant terraces and wide streets of the New Town, though it also boasts a historic Old Town. Visits in Edinburgh include the 500-year-old Gladstone's Land, the controversial Scottish Parliament building and the fascinating Georgian House, while in Glasgow we have a private guided tour of the impressive City Chambers, visit the humble Tenement House and discover the city's social history at the People's Palace.

**Day 1** We depart from our designated pick-up points and travel to **Edinburgh**, where we begin with a tour of the **Old Town**, the historic area either side of the Royal Mile that runs from Edinburgh Castle down to the Palace of Holyroodhouse. Included is a visit to **Gladstone's Land**, which has been a commercial and social hub for over 500 years. Continuing down the High Street, we will visit **St Giles' Cathedral**, the scene of Her Majesty The Queen's lying-in-state and later the 'Scottish Coronation' of His Majesty The King. (D)

**Day 2** We return to Edinburgh for a tour of the **Scottish Parliament** building, which was built to a bold design by the Spanish architect Enric Miralles. We then walk a short distance to the official royal residence of The King when in Edinburgh, the **Palace of Holyroodhouse**, where we explore the 14 historic and state apartments and the manicured gardens. Later, our attention turns to the **New Town**, actually over 250 years old. After a panoramic tour taking in the principal buildings and elegant terraces we visit **The Georgian House**, restored to reflect the lives of those who lived and worked here in the late 18th and early 19th century. We continue to the **Royal Scottish Academy** and the **National Gallery of Scotland**, whose neo-classical design helped to transform Edinburgh into the so-called 'Athens of the North'. (B, D)

**Day 3** This morning we head for **Glasgow**, which has a look and feel that is altogether different from Edinburgh. We begin with a walking tour of the **Merchant City**, one of Glasgow's oldest quarters, dating back to the 1750s. We then have a **private guided tour** of the **Glasgow City Chambers**, a grand edifice completed in 1888 as a symbol of Glasgow's wealth. We continue with a panoramic tour of the city, picking out some architectural highlights both old and new, followed by **afternoon tea** at **Mackintosh at the Willow**, the famous tea rooms on Sauchiehall Street. We conclude today at **The Tenement House**, a rare glimpse into life in Glasgow in the early 20th century. (B, AT, D)

**Day 4** Returning to Glasgow once more, we begin with a look at **Templeton on the Green**, one of Glasgow's best-known landmarks and the adjacent **People's Palace**, Glasgow's social history museum. Our final visit is to the **Riverside Museum**, built to a striking design by internationally renowned architect, Dame Zaha Hadid. We later return to our original pick-up points. (B)

Stirling Castle

Falkland Palace

## Castles, Palaces and Abbeys of Eastern Scotland

4 DAYS from £945 | NO SINGLE SUPPLEMENT

 PICK-UP POINTS: Glasgow, Edinburgh

The East of Scotland is home to a fine collection of Royal Palaces and historical castles. Our tour begins at the birthplace of Mary, Queen of Scots – Linlithgow Palace, which was also used as a rest stop between Edinburgh and Stirling Castle, the latter of which is also on our agenda. Heading north into Angus, we visit Glamis Castle, said to be the setting for Shakespeare’s Macbeth. The Royal connection continues as this was the birthplace of Queen Elizabeth, The Queen Mother. Scone Palace, set in the heart of Perthshire countryside is the ancestral home of the Earls of Mansfield and is most famous as the crowning place of Scottish Kings. Built in red sandstone with a castellated roof, it is a great example of Gothic Revival style in Scotland. Continuing with connections to Mary, Queen of Scots we visit one of her places of refuge - Falkland Palace and also the site of her imprisonment, Loch Leven Castle. Our final visits include Culross Palace with its maze of passageways and painted ceilings and Dunfermline Abbey and Palace, resting place of many Scottish royals but possibly most notably Robert the Bruce.

**Day 1** We depart from our designated pick-up points and travel to our first visit - **Linlithgow Palace**. Situated on the shore of Linlithgow Loch the Palace was once one of the principal residences of the monarchs of Scotland during the 15th and 16th centuries. We spend some time here exploring the ruins of the birthplace of Mary, Queen of Scots where highlights include the Great Hall and an intricate fountain found in the central courtyard. There is also a chance to climb up to the roof for panoramic views. Later we head

to the heart of the city of Stirling where we find **Stirling Castle**, a magnificent castle set in an imposing position with impressive architecture overlooking the city and with breathtaking views over the surrounding countryside. We step back in time as we explore Scotland’s past, her Renaissance Kings and Queens as well as the collection of colourful and exquisitely crafted rooms. There is much to explore including the Great Hall dating back to 1503, the graceful Chapel room built by King James VI and the delightful Queen Anne

Dunfermline Abbey

Gardens. Following our visit we continue to our comfortable hotel. (D)

**Day 2** After breakfast, we venture into the heart of Angus to the birthplace of Queen Elizabeth, The Queen Mother, **Glamis Castle**. The inspiration for William Shakespeare’s Macbeth, the castle has been the ancestral home of the Earls of Strathmore and Kinghorne since the 14th century. During our visit we enjoy a tour of the castle and learn about over 1000 years of history and its

famous visitors who include Mary, Queen of Scots. Glamis Castle also boasts an impressive collection of ghosts. This afternoon we head to **Scone Palace**, perched above the River Tay in Perthshire. Its enviable location overlooks the routes heading northwards to the Highlands and eastwards through Strathmore to the coast. The Grampian Mountains make a dramatic backdrop and across the river you can gaze upon the city of Perth. Scone Palace throughout its history has been the seat of Parliaments as well as the crowning place of the Kings of Scots including both Macbeth and Robert the Bruce. We can explore the palace which is home to a fine collection of antiques, paintings and extraordinary artefacts. (B, D)

**Day 3** This morning our first visit is to **Falkland Palace and Gardens** where Mary, Queen of Scots often took refuge during the tumultuous political and religious upheavals of the 16th century. We spend some time exploring this fine renaissance

Scone Palace

Palace, its formal gardens and the surrounding wildflower meadow. Inside the castle there is detailed panelling in the drawing room and fascinating painted walls in the library to look out for. Other highlights include the elaborately embellished Falkland Bed and the royal apartments, where we find the Queen’s Room which has been arranged as Mary, Queen of Scots may have used it. This afternoon we make our way to **Loch Leven Castle**. We cross the loch to the ruins of the Castle where Mary, Queen of Scots was imprisoned in 1567. After spending a year at the castle as a prisoner, Mary was forced to abdicate before dramatically escaping using May Day celebrations as a cover. We spend some time surrounded by beautiful scenery soaking up the tranquillity of the Castle’s setting before exploring the Tower House rooms and Glassin Tower. (B, D)

**Day 4** Today we visit **Culross Palace** which was constructed between 1597 and 1611 by Sir George Bruce, Laird of Carnock. We spend the morning exploring the tiny Palace rooms, connecting passageways and painted ceilings. We then head outside to the restored gardens which incorporate many features which would have been found in the 17th century. Located on a slope behind the Palace the garden offers dramatic views across the Firth of Forth. The small garden is full of vegetables, herbs and aromatic plants and don’t forget to look out for the freely roaming

‘Scott’s Dumpty’ hens! In the early afternoon we will make our way to **Dunfermline Abbey and Palace** which was originally founded as a Priory before becoming a Royal resting place, serving this role for over 250 years. Here you are able to see the hugely impressive nave, its Romanesque architecture is very similar to the Cathedral in Durham. We can also search for fossilised crustaceans in the marble plinth of St Margaret’s shrine, admire the James Ballantine Window in the Nave showing portraits of Queen Margaret, Malcolm Canmore, William Wallace and Robert the Bruce. We can also visit the final resting place of Robert the Bruce and see a reconstruction of his original tomb although his heart is interred in Melrose Abbey, in the Scottish Borders. We later return to our original pick-up points. (B)

## Tall Ships in Aberdeen

4 DAYS from £745

 **PICK-UP POINTS:** Glasgow, Edinburgh, Dunfermline, Kinross, Perth, Dundee, Aberdeen

The Tall Ships Race is a great sporting event which offers youngsters a fantastic opportunity to challenge themselves and learn new skills, but for those of on dry land it also offers a wonderful spectacle. Whether it's having a good look at the ships while in harbour or watching as they leave harbour and hundreds of square yards of snowy white sails are unfurled. It is a truly uplifting sight!

Our tour is timed to coincide with the arrival of the Tall Ships in Aberdeen and the first of our opportunities to view the ships at close quarters. A visit to the fascinating Maritime Museum adjacent to the harbour where the ships will be berthed is followed by another chance to move from ship to ship and enjoy the various activities associated with the event.

We then take the opportunity to explore the surrounding countryside, characterised by rich farmland and rolling hills, with visits to Castle Fraser, the most elaborate Z-plan castle in Scotland, and the late Queen's summer residence Balmoral Castle, now most poignantly associated with the last days of Her Majesty's life and reign.

Balmoral Castle

Castle Fraser

**Day 1** We depart by coach from our pick-up points and head for **Aberdeen**, where today the **Tall Ships fleet** will begin arriving, following the first leg of the race in Dunkerque. On arrival at Aberdeen Harbour we will have our first chance to view the ships, which are open to the public and perhaps chat with members of the crews. (D)

**Day 2** After breakfast, we return to Aberdeen for a visit to the **Maritime Museum**, situated close to the harbour on historic Shiprow, which tells the story of the city's long and often dramatic relationship with the sea. Rich and varied displays of objects and artworks tell the extraordinary story of Aberdeen's maritime heritage. Highlights include beautifully detailed ship models from 1689 to the present day, including the Aberdeen-built tea clipper Thermopylae, the celebrated rival of the Cutty Sark. Marvel at a complete lighthouse lens assembly, admire the lost figurehead of the Star of Tasmania, see the impressive propeller from the steam yacht Fox, which set sail from Aberdeen in 1857 to discover the fate of Sir John Franklin's 1845 expedition to find a route through the Northwest Passage. Outside the Museum, stop to admire the **Aberdeen Fishing Memorial**. Made by sculptor David Williams-Ellis and unveiled in 2018, the bronze figures commemorate the contribution fishing and fishing folk have made to the city.

Following our visit here we have the rest of the day to continue viewing the Tall Ships in harbour. Events today include the Crew Sports, Crew Parade and a Prize Giving Ceremony. (B, D)

**Day 3** Today we take the opportunity to explore the surrounding Aberdeenshire countryside and take a tour of Royal Deeside. We begin at **Castle Fraser**, one of the grandest of the Scottish baronial tower houses. Built between 1575 and 1636 by the 6th laird, Michael Fraser, Castle Fraser is the most elaborate Z-plan castle in Scotland. One of the castle's most evocative rooms is the strikingly simple Great Hall. The castle contains many Fraser family portraits, including one by Raeburn, and fine 18th- and 19th-century carpets, curtains and bed hangings, and even Charles Mackenzie Fraser's wooden leg! The estate contains a flight pond, mixed woodland and open farmland, with two waymarked walks giving magnificent views of the local hills. The historic walled garden features shrubs, flowers, wall-trained fruit and vegetables. There is also a shop selling exclusive gifts. We continue to Royal Deeside and **Balmoral Castle**. Built around 1854 for Queen Victoria and Prince Albert the image of the castle is recognised world-wide. Though relatively modern it is clearly in the style of a 'Scottish' castle. It is a private home of the Royal family and each autumn the family spend up to two months holidaying there. (B, D)

**Day 4** This morning, we depart for Aberdeen's Esplanade and Beach, our vantage point for the Tall Ships **Parade of Sail** as they leave harbour and make their passage under full sail to the start of the next stage of the race, which will take them to Kristiansand in Norway. The ships will provide a thrilling spectacle as their young crews help to unfurl the sails and take up their positions for the start of the race. Once the ships have sailed and the tops of their masts disappear over the horizon we will begin our journey back to our original pick-up points. (B)

# Scenic Scottish Railways

4 DAYS from £845

 DEPARTURE POINTS: Glasgow, Edinburgh, Dunfermline, Kinross, Perth

The north of Scotland is blessed with some wonderfully scenic railway lines. The challenge of building railways through difficult terrain was taken up by the great engineers of the Victorian age. Their legacy is in the sweeping curves and majestic viaducts of the single track lines which cross wild moors and lonely glens. Highlights on this short break include a visit to the much-photographed Eilean Donan Castle, a ride aboard the Jacobite steam train that takes us over the iconic Glenfinnan Viaduct and a visit to Boat of Garten on the Strathspey Line, which you may recognise from the BBC series, Monarch of the Glen.

**Day 1** We depart from our designated pick-up points and travel by coach to Aviemore for a return trip on the **Strathspey Railway**. Our train of maroon-liveried coaches will be hauled by a lovingly restored steam locomotive as we travel to Boat of Garten and Broomhill, with the Cairngorm Mountains providing a scenic backdrop. We continue our journey by coach to our hotel. (D)

**Day 2** We transfer to **Inverness** and board the morning diesel train service to **Wick**. The line takes us along the shores of the **Cromarty** and **Dornoch Firths** and follows the spectacular coastline as far as **Helmsdale**, where it turns inland before reaching the terminus at **Wick**. We re-join our coach and return to our hotel by the more direct but equally scenic coastal route. (B, D)

**Day 3** We depart by diesel train from Inverness, this time heading for **Kyle of Lochalsh**, travelling over what is often considered to be the most scenic of all Scotland's railway lines. In the afternoon we explore the iconic 13th century castle of **Eilean Donan**, with its impossibly romantic setting on Loch Duich. (B, D)

**Day 4** Today we travel to Fort William, where we join **'The Jacobite'** steam train and experience one of the most memorable and spectacular railway journeys in the world, crossing the famous **Glenfinnan Viaduct** as we steam on a return trip to **Mallaig**. After some free time and an opportunity for lunch (not included) in Mallaig, we return on the train to Fort William. We then return by coach to our original pick-up points. (B)

## Autumn Tints of Dumfries and Galloway

4 DAYS from £745 | TOUR MANAGER: Colin Crosbie | NO SINGLE SUPPLEMENT

 PICK-UP POINTS: Aberdeen, Dundee, Perth, Kinross, Dunfermline, Edinburgh, Glasgow

As the summer fades, autumn colours begin to blaze in high definition in the south-western corner of Scotland. As the warm yellows, rusty oranges and fiery reds consume the foliage we explore the region's most delightful gardens. Highlights of the tour include Dumfries House home to the Queen Elizabeth Walled Garden; Glenwhan Gardens, Logan Botanic and a visit to Brightwater tour manager Colin Crosbie's own garden of Dalswinton Mill.

**Day 1** We depart from our designated pick-up points and head for **Dumfries House**. We are able to make the most of those interiors on our grand tour of the house, followed by tea and shortbread. We will also visit the **Queen Elizabeth Walled Garden**, which is one of the best examples of its kind in Scotland. Later, we visit the private garden of **Burnside**, a constantly changing 6 ½ acre garden, home to a wide range of plants from trees to alpines, giving colour and variety all year. (D)

**Day 2** Today we visit **Glenwhan Gardens**, spread out over a windy hilltop with views of Luce Bay and the Mull of Galloway. We then continue to the world-famous **Logan Botanic Garden** beautifully laid out, particularly in the walled garden with its fine terraces and well-planned borders under an avenue of cabbage palms. The climate here is exceptionally mild and several different habitats provide conditions for a huge range of plants. (B, D)

**Day 3** After breakfast, we head for the private garden at **Millhall** before we head to the gardens of the **Threave Estate**. The gardens have been largely created by students at the School of Horticulture which started here in 1960. Our final visit today is **Corsock House**, where a large variety of acid-loving trees and shrubs which enhance the natural glades which run down from the loch to the ornamental water garden. (B, D)

**Day 4** This morning we are privileged to see Colin Crosbie's own garden, **Dalswinton Mill**. As one would expect, this is very much a plantsman's garden, set around an 18th-century watermill with the Pennyland Burn running through it. The final stop on our tour are the gardens at **Drumlanrig Castle**. Following our visit we return to our original departure points. (B)

## Autumn Tints of Arran

4 DAYS from £945

 PICK-UP POINTS: Aberdeen, Stonehaven, Forfar, Dundee, Perth, Kinross, Dunfermline, Edinburgh, Glasgow

Often described as "Scotland in Miniature", Arran has a blend of Highland and Island scenery with granite peaks and deep glens to the north of the island, contrasting with its rolling and lush farmlands to the south. Only 56 miles around its coastline, the small villages are compared to 'jewels on a necklace' strung out like pearls around the island. We will visit Whiting Bay, Lamlash, Brodick, the pretty village of Corrie under the shadow of Goat Fell and Sannox before passing the '12 Apostles' at Lochranza.

**Day 1** We depart from our designated pick-up points and head for Ardrossan in time to catch the afternoon ferry to **Brodick**. On arrival we transfer to our hotel in **Blackwaterfoot**. (D)

**Day 2** Today following breakfast we have a **tour of the island of Arran**. From Blackwaterfoot we will visit **Whiting Bay**, **Lamlash**, **Brodick** – the capital of Arran; **Corrie** and **Sannox** under the shadow of Goat Fell and other mountains, and then down the west coast to **Catcol** and **Pirnmill** with its '12 Apostles'. (B, D)

**Day 3** This morning we have included a visit to the **Gardens of Brodick Castle** which occupies a splendid position, well protected from westerly winds and looking east across the Firth of Clyde. The present garden dates from 1932 when

the Duchess of Montrose started an ambitious woodland garden with a collection of rhododendrons. From the castle, paths wind downhill towards the seashore, and in a shady place there is a fernery and a delightful Bavarian summer house embellished with rustic work and lovely inlaid panels of pinecones. A walled garden, dating from 1710, has been restored and mixed borders on three sides retain the gardener's interest throughout the year. (B, D)

**Day 4** We will travel to the ferry port in time for the crossing to **Ardrossan**, where we expect to arrive early afternoon. Thereafter we will return to our original pick-up points. (B)

Inverewe gardens

## Gardens of Wester Ross

5 DAYS from £1,070 | TOUR MANAGER: David Hurrion

 PICK-UP POINTS: Glasgow, Edinburgh, Dunfermline, Kinross, Perth

Join us on our tour which strings together some of the best gardens in one of the most beautiful and scenic parts of the country.

An undoubted highlight of our tour will be our visit to Attadale Gardens, a true gem of a garden which was voted RHS Partner Garden of the Year for Scotland in 2023. Here we will have an exclusive private visit and will enjoy a light lunch in the dining room of the main house, which is not normally open to the public.

Other visits include a three acre private garden on the outskirts of Inverness, a trip to Skye where we enjoy the award-winning formal garden of Dunvegan Castle and Inverewe, unquestionably one of the most outstanding gardens in the country – this tour is a real treasure trove of treats for anyone who enjoys beautiful gardens and wonderful scenery.

**Day 1** We depart from our designated pick-up points and travel northwards, stopping for lunch in Pitlochry (*not included*). We continue with a visit to the private garden of the **Oldtown of Leys**. Established in 2003, on the outskirts of Inverness, this large garden of three acres has year-round interest. Spring rhododendrons and azaleas, summer herbaceous plantings, autumn trees and shrubs and winter appeal from the conifers, evergreens and structures. Features include a rockery, ponds, musical instruments, a stumpery

and a new area of late summer colour. Later we will continue to our accommodation in Gairloch, pausing on the way for a brief visit to the spectacular **Corrieshalloch Gorge**. We are based at The Old Inn, a historic hotel sitting on the shores of Loch Gairloch, close to the harbour. (*D*)

**Day 2** After breakfast we have a long but most rewarding day as we drive across the north of Scotland to visit **Dundonnell House Garden**. The house was completed in 1769 by the

Corrieshalloch Gorge

Mackenzies of Dundonnell, who lived in it until the 1940s. Since then it has had a number of owners, including the late Alan Roger – rumoured to be in M15, but known locally simply as a plantsman and bonsai expert. The current owner has added delightful new borders for year-round colour, centred on an enormous and ancient yew tree over 300 years old. The main part of the garden lies within very old walls and is divided into distinctive compartments, adding greatly to the interest here; other highlights include riverside walks in the fine

Attadale Gardens

arboretum and a restored Victorian glasshouse. Our second visit of the day is to **Inverewe gardens**, unquestionably one of the most outstanding gardens in the country. The northern road into Inverewe is spectacular - towering mountains and breathtaking vistas – and the view from above Gruinard Bay has to be seen to be believed. Famous gardens do not always live up to their reputations but it would be hard to imagine anyone failing to be excited by Inverewe, when at this time of year it will be at its most colourful. The balmy Gulf Stream Drift Climate promotes luxuriant growth and today it is a jungle of mature exotic trees and shrubs laced with winding walks, rising and falling, giving sudden glimpses of shimmering water through the foliage. (*B, D*)

**Day 3** Today we travel south through the spectacular scenery of **Torriford** and cross the graceful arching bridge at Kyle of Lochalsh to the **Isle of Skye**. Here we visit the award-winning formal gardens at **Dunvegan Castle**, which began life in the 18th century. In stark contrast to the barren moorland and mountains which dominate Skye's landscape, the castle's Water Garden, Rose Garden, Walled Garden and woodland walks provide a hidden oasis for an eclectic mix of flowers, exotic plants, specimen trees and shimmering pools fed by waterfalls and streams flowing down to the sea. In the afternoon we take the ferry (*as foot passengers*) from Sconser to **Raasay**, the 'Roe Isle'. A pleasant ten-minute walk takes us to the **Raasay Walled Garden**. This community-owned project has breathed new life into the old walled garden

attached to Raasay House, with a productive fruit and vegetable garden as well as a rose garden and herbaceous borders. We then return by ferry to Skye and over the bridge to the mainland and arrive back at the hotel in time for dinner, after a long but most rewarding day. (*B, D*)

**Day 4** After breakfast we will travel south again, this time via Achnasheen and Achnashellach Forest, to **Attadale Gardens**. Voted RHS Partner Garden of the Year for Scotland in 2023, Attadale is a gem of a garden on the shores of Loch Carron, where the Gulf Stream influenced micro-climate nurtures 20 acres of outstanding water gardens, old rhododendrons, unusual trees and a fern collection in a geodesic dome. There is also a sunken fern garden developed on the site of an early 19th-century drain, a waterfall into a pool with dwarf rhododendrons, a sunken garden, a peace garden and a kitchen garden. Other features include a conservatory, Japanese garden, sculpture collection and giant sundial. On our **exclusive private visit** we will be welcomed and personally guided round the garden by a member of the family and the gardening staff, followed by a light lunch served in the dining room of the main house, which is not normally open to the public. We return to Gairloch, where there will be an opportunity to visit the **Gairloch Museum**, housed (*though you wouldn't know it!*) in a former nuclear bunker. Displays include the original lens from Rubh Re lighthouse, a replica croft house showing how people used to live and an interactive gallery about our magnificent natural world, midges and all! (*B, L, D*)

**Day 5** This morning after breakfast we head for home but we have one more treat in store. After a but very scenic journey via Invergarry and Forth William, we reach the **Kinlochlaich Garden and Plant Centre** in Appin. Since it was begun in 1975, it has evolved to become one of the leading Garden Plant Centres in Scotland with some wonderful plants for sale, and the perfect souvenir of your holiday. We then return via Glencoe to our original departure points. (*B*)

**Inc. meals:** *B: Breakfast, L: Lunch, D: Dinner*

## Gardens of Dumfries and Galloway

4 DAYS from £895 | TOUR MANAGER: Colin Crosbie\*

 PICK-UP POINTS: Aberdeen, Dundee, Perth, Kinross, Dunfermline, Edinburgh, Glasgow

In the south-western corner of Scotland, Dumfries and Galloway is home to some of the country's most attractive gardens. The artistic highlight of our tour is undoubtedly Dumfries House, actually in Ayrshire and which King Charles helped to save. One of the Adam Brothers' finest achievements, the stunning interiors showcase a unique collection of Chippendale furniture, while the walled garden is one of the most exciting new garden developments in all of Scotland.

We see something rather different at Broughton House – an artist's garden at the restored former home of 'Glasgow Boy' E. A. Hornel, which shows the influence of his time in Japan and is always full of colour. Further highlights include Drumlanrig Castle, one of the most important Renaissance buildings in Scotland, and Crawick Multiverse, a gem hidden among the rolling hills of Dumfriesshire.

Former Head Curator of RHS Garden Wisley Colin Crosbie will lead our July and September departures.

**Day 1** We depart from our designated pick-up points and head for **Dumfries House**, whose stunning interiors are home to a world class collection of furniture, and explore the **Queen Elizabeth Walled Garden**, one of the best examples of its kind in Scotland. (D)

**Day 2** We begin with a visit to the lavishly planted **Glenwhan Garden**, with marvellous views over Luce Bay. At its heart is an extensive pool, divided by a grassy causeway and fed by a tumbling stream. This afternoon we explore the world-famous **Logan Botanic Gardens**. The gardens are beautifully laid out, particularly in the walled garden with its fine terraces and well-planned borders under an avenue of cabbage palms. The climate here is exceptionally mild and several different habitats provide conditions for a huge range of plants. (B, D)

**Day 3** This morning sees us at the former artist's studio of **Broughton House**, whose compact but colourful garden displays Japanese influences. Next we spend some more time in **Kirkcudbright**, a haven for artists, as paid

testament to by its abundance of art galleries. We visit one such gallery and browse the work of local artists. Following this we visit the wonderful plantsman's nursery of **Ellenbank**. This wonderful nursery is full of cottage garden perennials such as violas, clematis and penstemons. Our last visit of the day will be to the gardens of the **Threave Estate**, whose extensive gardens have been largely created by students at the School of Horticulture which started here in 1960. (B, D)

**Day 4** Art and horticulture are beautifully combined at **Drumlanrig Castle**. Surrounded by the 120,000 acre Queensberry Estate, Country Park and grand Victorian gardens, Drumlanrig Castle was completed in 1691 by William Douglas, 1st Duke of Queensberry and is one of the first and most important Renaissance buildings in the grand manner in Scotland. Our final visit is to the **Crawick Multiverse**, a hidden gem nestled among rolling hills. We return to our original pick-up points. (B)

Castle Kennedy - Rhododendrons

## The Best Rhododendron Gardens in the World?

4 DAYS from £895 | LOW SINGLE SUPPLEMENT

 PICK-UP POINTS: Aberdeen, Dundee, Perth, Kinross, Dunfermline, Edinburgh, Glasgow

Visit the gardens of Galloway in May and one plant species catches the eye ahead of all others – the Rhododendron. Though of course native to eastern Asia and the Himalayas, rhododendrons seem to thrive particularly well in the mild climate of south-western Scotland. With over 1,000 species to choose from they have long attracted gardeners for their extravagant show of blossom in the spring, in myriad shades of red, pink and purple. We will see some magnificent specimens as we tour the gardens specially selected for their rhododendron displays, along with azaleas, magnolias, pieris and other flowering shrubs.

**Day 1** We depart from our designated pick-up points and head for the private garden at **Millhall**. This impressive five-acre garden has a large collection of mature shrubs, including over 200 rhododendron species which should be in full bloom. (D)

**Day 2** Today we visit **Glenwhan Gardens**, spread out over a windy hilltop with marvellous views of Luce Bay and the Mull of Galloway. At its heart is an extensive pool, divided by a grassy causeway and fed by a tumbling stream. The slopes above are lavishly planted with trees and shrubs and at this time of year we can expect the rhododendrons to be at their peak. The garden is also dotted with interesting sculptures and statuary – look out for the fearsome boar next to a frothy azalea! In the afternoon we travel a short distance to the spectacular garden at **Castle Kennedy**. This is a vast and historic piece of landscaping with the garden lying between two castles - the 15th century Castle Kennedy and the 19th century Lochinch Castle. (B, D)

**Day 3** We visit the world-famous **Logan Botanic Gardens**. The garden was started by the McDougall family who lived here for 800 years, and since 1969 it has been in the care of the Royal

Botanic Garden at Edinburgh. The garden is beautifully laid out, particularly in the walled garden with its fine terraces and well planned borders under an avenue of cabbage palms. Next door are the gardens of **Logan House** which feature seven United Kingdom and fourteen Scottish champion trees. (B, D)

**Day 4** Today we visit gardens of the **Threave Estate**. The gardens have been largely created by students at the School of Horticulture and now feature a mature woodland of beech, conifers and oaks which is the backdrop for a variety of shrub roses, sweeping mixed borders, dwarf heathers, peat and rock gardens, a walled kitchen garden and superbly maintained glasshouses. Later, we visit the gardens at **Corsock House**, where a large variety of acid-loving trees and shrubs, including many varieties of rhododendron, enhance the natural glades which run down from the loch to the ornamental water garden. We later return to our pick-up points. (B)

In the Speakers Tent there will be a series of talks on gardening topics, including a Question and Answer session with the Beechgrove Garden team. Talking of which, Beechgrove presenter and Scone Palace **Head Gardener Brian Cunningham** hopes to give us a welcome and introduction to the wonderful woodland gardens, which you are free to explore at leisure. Look out for some of the magnificent specimens of trees that plant hunter David Douglas brought back from North America, one species of which bears his name to this day. In the afternoon be sure to join **Viscount Stormont**, the heir to Scone, on one of the tours of the family's private garden taking place, which is usually closed to the public. (B, D)

**Day 3** Today we will visit the splendid formal gardens of **Drummond Castle**. They were first laid out in the early 17th century and re-designed and terraced in the early 19th century. The gardens we see today were replanted during the 1950s preserving such features as the ancient yew hedges and the copper beech trees planted by Queen Victoria to commemorate her visit in 1842. The garden was principally the work of Lewis Kennedy of Vineyard Nursery in Hammersmith, who supplied plants to many of Britain's finest gardens. We continue to **Cluny House Gardens**, near Aberfeldy. Wandering through this wonderful wild woodland garden we will discover rare and exotic plants from around the world. The gardens feature trees and shrubs from America, New Zealand, Japan, China and Tibet, creating the unique atmosphere of a Himalayan woodland paradise. (B, D)

**Day 4** This morning, we depart for our final visit to the **Japanese Garden**, at Cowden, near Dollar. In the early 20th century Scottish adventurer Ella Christie returned from a trip to Japan and was inspired to build her very own Japanese Garden. With the assistance of Taki Handa they created the seven acre site within the grounds of Cowden Castle. We later continue to our original pick-up points. (B)

## Castles and Palaces of the Highlands

4 DAYS from £845

PICK-UP POINTS: Glasgow, Edinburgh, Dunfermline, Kinross, Perth

This tour takes us through some of the most stunning and dramatic landscapes of Scotland. We head north to the village of Blair Atholl, where we find Blair Castle nestled in the Perthshire countryside. The castle is the ancestral home to Clan Murray and the historical seat of the Dukes of Atholl. We then skirt around the western edge of the Cairngorms National Park to our hotel in Carrbridge. From here we visit Cawdor Castle, immortalised in William Shakespeare's *Macbeth* as the scene of Duncan's murder. Another highlight will be our trip to the chateau-style Dunrobin Castle with its magnificent example of a 19th century garden laid out on terraces descending to the sea. Our final visit is to Scone Palace, which has been the seat of parliaments as well as the crowning place of the Kings of Scots.

**Day 1** We depart from our designated pick-up points and travel northwards to the village of Blair Atholl at the gateway to the Cairngorms National Park. Nestled in the hills and surrounded by tranquil countryside, **Blair Castle** is home to some of the finest views in Scotland. Throughout the ages the castle has been transformed from its cold and austere beginnings in the Middle Ages to a delightful Georgian mansion and then to a Baronial Victorian castle. Each of these influences can still be seen in the Castle as it appears today. (D)

**Day 2** This morning we head into the centre of **Inverness**, the capital of the Highlands where we enjoy some free time. This afternoon we head to **Cawdor Castle**, near Nairn. William Shakespeare immortalised Cawdor in *Macbeth* as the scene of Duncan's murder, however, both the castle and its history are colourful enough without the aid of myth. A turreted 14th century tower, protected on one side by a gully and on the other by a dry moat, rises majestically from the woods of the Nairn Valley. The magnificent gardens include vast herbaceous borders, a rose garden, a peony walk and a kitchen garden - there is also a fascinating holly maze. (B, D)

**Day 3** After breakfast we travel north and visit **Dunrobin Castle** - the chateau-style ancestral home of the Dukes of Sutherland. The

Castle is a wonderful early 19th-century fantasy Castle with a touch of the Loire and a dash of Bavaria. Below the castle is a magnificent example of a formal nineteenth century garden. The gardens are laid out on terraces which descend to the sea. We have a full day to explore all the highlights of the estate as well as time to enjoy a display of falconry which is included here, offering some excellent photo opportunities of superb birds of prey. (B, D)

**Day 4** This morning we depart the Highlands, returning south to **Scone Palace**, perched above the River Tay in Perthshire. Its enviable location overlooks the routes northwards to the Highlands and eastwards through Strathmore to the coast. The Grampian Mountains make a dramatic backdrop and across the river you can gaze upon the city of Perth. Scone Palace throughout its history has been the seat of parliaments as well as the crowning place of the Kings of Scots including both *Macbeth* and Robert the Bruce. Here we can spend time in the gardens as well as exploring the palace that is home to a fine collection of antiques, painting and extraordinary artefacts. We later continue to our original departure points. (B)

Lindisfarne Castle

## Highlights of Northumberland

5 DAYS from £1,120 | TOUR MANAGER: Alan Appleton

 DEPARTURE POINT: London Kings Cross

A visit to the low-lying coast and wide-open spaces of Northumberland is always a treat but when it includes a host of historic houses, castles and Roman ruins the pleasure is magnified greatly. Perhaps the most impressive of these is Bamburgh Castle, which sprawls over a rocky plateau on the coast, close to the Farne Islands.

Further highlights include a trip to the holy island of Lindisfarne and visits to both the castle and priory; Belsay Hall, built in 19th century Greek revival style from stone carved from its own quarry which was later transformed into a unique garden; and Wallington House, which dates back to 1688 and also boasts a fine garden. Then there is Alnwick Castle, which has been described as the 'Windsor of the North' and is the second largest inhabited castle in England. We will spend some time in the castle and in the neighbouring garden. Not to be missed is one of Britain's most significant Roman sites - Hadrian's Wall - as well as one of the best-preserved Roman cavalry forts - Chester's Fort.

Alnwick Castle Garden

Hadrian's Wall

Wallington House

**Day 1** We depart from London Kings Cross by train to **Newcastle**. On arrival, we join our coach and travel to our first visit, the house and gardens of **Belsay Hall**, a classical brown stone mansion, built in the 19th Century in Greek revival style to the design of its owner, Sir Charles Monck. Inspired by a honeymoon trip to Athens, the unfurnished Pillar Hall is at the centre of the house, with closely spaced Ionic columns and a beautifully light atrium. Enjoying spectacular views of the magnolia terrace, the family bedrooms retain their original fireplace grates and floral wallpaper from the 1800s. The hall was built from rock carved from Belsay's very own quarry, which was later transformed into a dramatic garden - creepers twist up sheer rockfaces while rare trees grow in the meadows in the ravines. *[D]*

**Day 2** Following breakfast, we travel north along the dramatic Northumberland coast to **Bamburgh Castle**, an impressive fortress that has stood guard here for over 1400 years. Sprawling over nine acres of land on its rocky plateau, Bamburgh is one of the largest inhabited castles in the country. The 150 feet high escarpment and natural harbour made Bamburgh the obvious choice for the sixth century Kings of Northumbria to build their royal capital, Din Guaydri. Throughout its colourful history Bamburgh has been home to a succession of kings from Henry IV to James I and it was the first castle in the world to fall to gunpowder in the War of the Roses. A few miles along the coast lies the Holy Island of **Lindisfarne**, which we will visit in the afternoon, as the island is accessed by a causeway that is covered at high tide. Perched atop a rocky crag, the 16th century **Lindisfarne Castle** presents an exciting and alluring aspect. Originally a

Tudor fort, it was converted into a private house in 1903 by the young Edwin Lutyens. The small rooms are full of intimate decoration and design, with windows looking down upon the charming walled garden planned by Gertrude Jekyll. After the castle, we will also visit **Lindisfarne Priory**. The famous Benedictine Priory built during the late 11th century was one of the most important centres of early Christianity in Anglo-Saxon England. *[B, D]*

**Day 3** After breakfast we depart for a full day at **Alnwick Castle and Gardens**, the historic home of the Duke of Northumberland, which has been described as the Windsor of the North and is the second largest inhabited castle in England. It has been in the possession of the Percy family since 1309 and the castle houses an exquisite collection of art treasures, including the finest examples of Italian paintings in the north of England. Lunch *(not included)* is available in the adjoining Alnwick Garden, accessed by a pleasant walk through the grounds. This unique garden project was inspired by the Duchess of Northumberland and has established itself as one of the most notable gardens in England. *[B, D]*

**Day 4** Today is spent discovering the Roman heritage of the area. We begin at **Hadrian's wall** built as a fortification across northern Britain some 2,000 years ago before heading **Chester's Fort**, the most complete Roman cavalry fort in Britain where you can wander through the well-preserved baths, steam rooms and officers' quarters. *[B, D]*

**Day 5** After breakfast we check out of the hotel and travel into the Northumbrian

countryside to visit **Wallington House**. Dating back to 1688 Wallington House was home to many generations of the Blackett and Trevelyn families, who all have left their legacy behind. The house is set in magnificent grounds with lawns, lakes and woodlands, and a stroll here will be the perfect finale to our short break. We then return to Newcastle for our afternoon train journey back to London Kings Cross. *[B]*

Italian Gardens, Trentham Estate

## Gardens of South and West Wales

5 DAYS from £1,220 | TOUR MANAGER: Tony Russell

PICK-UP POINTS: London, Reading, Swindon, Bristol

Tucked away in the rolling countryside of Carmarthenshire and Pembrokeshire are some fine parks and gardens, both large and small; ancient and modern. The centrepiece of our tour is the National Botanic Garden of Wales, the first garden of its type to be created in the United Kingdom for 200 years. This spectacular re-interpretation of the historical garden blends the careful restoration of the historic, double-walled garden with Norman Foster's Great Greenhouse, the largest single span glasshouse in the world, where mere panes of glass separate the familiar green hills of Wales from a panoramic sweep of warm, Mediterranean scenery. By contrast Aberglasney is a superb 16th/17th century garden, which was discovered after 50 years of neglect and has been restored to produce a garden with immense appeal. We visit superb woodland gardens at Upton and Picton Castle along with some interesting private gardens, including Dyffryn Fernant, built from scratch.

**Day 1** We depart from our pick-up points and travel to Cardiff, near which lies the magnificent **Dyffryn Botanic Gardens**, a Grade 1 listed Edwardian garden designed by landscape architect Thomas Mawson, displaying a series of garden 'rooms' enclosed within clipped Yew hedges. Our tour manager **Tony Russell** will join us here and conduct a guided tour of the garden. We continue our journey to Pembrokeshire and our accommodation at the **Beggars Reach Hotel**, Burton. Prior to dinner, Tony will give us an introductory talk on the gardens of the region. (D)

**Day 2** Following breakfast we will travel to the exquisite location of a 568 acre estate in the heart of Carmarthenshire. Among the innovative and informative features here are the Great Greenhouses, the oval walled garden and the herbaceous boardwalk. We continue to **Aberglasney**, set in the beautiful Towy valley. This is a superb 16th/17th century garden, which was rediscovered after 50 years of neglect and has been meticulously restored. Set within nine acres are six different spaces with a rich and diverse collection of plants, including three walled gardens and the unique Elizabethan/Jacobean cloister. (B, D)

**Day 3** We depart for **Dyffryn Fernant Garden**, a plantsman's garden, created from scratch by the owners, with a number of 'rooms' including an azalea bank, a bog garden and a fernery and camellia walk. This afternoon we will visit **Picton Castle**, home to some of the most beautiful woodland gardens in West Wales. (B, D)

**Day 4** This morning we visit the gardens of **Upton Castle**, 35 acres of listed historic gardens, surrounded by ancient woodlands. We then transfer to the village of **Laugharne** where the poet **Dylan Thomas** lived and worked in his later years. Our final visit today is to the private garden of **Llwyngarreg**, which makes the most of the local climate. (B, D)

**Day 5** We travel to **Tredegar House** and explore the gardens, which comprise a wild and colourful orchard garden, a formal garden framed by herbaceous borders and an intricate parterre filled with colourful minerals, reflecting how this garden might have looked over 200 years ago. (B)

## RHS Garden Bridgewater and Gardens of the North West

4 DAYS from £695 | LOW SINGLE SUPPLEMENT

PICK-UP POINTS: London, Luton, Northampton, Birmingham, Stoke-on-Trent

Currently the largest gardening project in Europe, RHS Garden Bridgewater opened to the public in 2021 and we are delighted to be able to visit it as it develops and matures. This once-in-a-generation project saw the Royal Horticultural Society take inspiration from the heritage of the site and transform it into a world-class garden, while also delivering a programme of community outreach and education activities, volunteering and training. Based on an overall design by leading landscape architect and Chelsea Gold Medal winner Tom Stuart-Smith, highlights include one of the largest walled gardens in the UK, beautifully landscaped grounds, living plant collections and horticultural trials. We also take the opportunity to visit some of the best gardens in the North West, beginning at Trentham Estate in Staffordshire, where the contemporary revival of the famous Italian Gardens was also led by Tom Stuart-Smith. At Dunham Massey we discover a great plantsman's garden full of native favourites and exotic treasures. Tatton Park's gardens have developed over 200 years yet retain much of their Edwardian character whilst Arley Hall showcases a pair of herbaceous borders that is one of the greatest garden sights of England.

**Day 1** We depart from our designated pick-up points and head to the gardens of **Trentham Estate** in Staffordshire, where the contemporary revival of the famous Italian Gardens was led by renowned designer and serial Chelsea gold-medal winner Tom Stuart-Smith. We continue to our hotel in Cheshire. (D)

**Day 2** This morning we travel to the **RHS Garden Bridgewater**. Based on an overall design by leading landscape architect Tom Stuart-Smith, highlights include one of the largest walled gardens in the UK, beautifully landscaped grounds, living plant collections and horticultural trials. In the afternoon we visit a nearby **private garden** which in contrast to Bridgewater is much smaller but no less intriguing. (B, D)

**Day 3** After breakfast, we visit **Dunham Massey**, a great plantsman's garden full of native favourites and exotic treasures set around an elegant Georgian mansion. After being pressed into service to help the war effort in both world wars, Dunham Massey was taken over by the National Trust in 1976 and work began to transform

the garden to its former glory. It was decided that the garden would have an Edwardian pleasure ground feel with the freedom to choose from a range of planting options, with native favourites alongside exotic treasures. The garden continues to evolve today - modern additions include the Rose Garden and the Winter Garden. Next, we explore **Tatton Park**, whose gardens have developed over 200 years yet retain much of their Edwardian character. (B, D)

**Day 4** Today we visit **Arley Hall**, which preserves the atmosphere of a garden kept for its own delight. A pair of herbaceous borders were laid out here in 1846 and they survive to this day, beautifully maintained - one of the great garden sights of England. Following this, we return to our original departure points. (B)

## Great Gardens of Cornwall in the Company of Mike Nelhams

5 DAYS from £2,020 | TOUR MANAGER: Mike Nelhams

DEPARTURE POINT: London Paddington

With the help of Mike Nelhams, Curator of Tresco's Abbey Gardens and a long-standing friend of Brightwater Holidays, we have created this very special tour of Cornwall, featuring not only the gardens but the personalities behind them. These include Sir Tim Smit, the driving force behind both the Lost Gardens of Heligan and the Eden Project, and Charles Williams of Caerhays Castle. At our base in the comfortable Alverton Hotel, Truro, our tour begins with a presentation from Mike Nelhams on the great Gardens of Cornwall.

Over the following three days we will see the gardens for ourselves, beginning with a tour of the Lost Gardens of Heligan with Head of Gardens Alasdair Moore, where we also hope to have a personal introduction from Sir Tim Smit, and a visit to the wonderful gardens of Caerhays Castle, which includes lunch and a welcome from the owner Charles Williams. After an exciting day on Tresco and a tour of the outstanding Abbey Gardens led by Mike himself, our tour concludes with a visit to the private garden of Lamorran House and a tour of the unique Tregothnan Tea Plantation.

**Day 1** We depart by train from London Paddington for Truro and continue by coach to our hotel. Before dinner, our guide **Mike Nelhams** will give a presentation on his favourite Cornish gardens. (D)

**Day 2** We begin with a visit to the **Lost Gardens of Heligan**, where we hope to be welcomed by Sir Tim Smit who 'discovered' and restored the gardens to their former glory. We will then be joined by Alasdair Moore, Head of Gardens and a former assistant to Mike Nelhams on Tresco, for a tour of the gardens. Following this we transfer to **Caerhays Castle**, where we will be welcomed by Charles Williams, whose family have owned Caerhays since the mid-19th century. After **lunch in the castle** we will enjoy a guided tour of the garden with a member of the family. (B, L, D)

**Day 3** We transfer to Penzance and take a helicopter flight to **Tresco**, where Mike will take us on a personal guided tour of the **Abbey Garden**, without doubt one of the most stunning gardens in the British Isles. Caressed by the Gulf Stream, the exceptionally mild climate allows a wide range of exotic, sub-tropical plants to thrive here. (B, D)

**Day 4** This morning we depart for a visit to the privately-owned garden of **Lamorran House**, which has been designed by the owner in an Italianate style, although there are also Japanese influences here. Many features are included to divide the garden into intimate compartments which the visitor can explore. We continue to **Tregothnan Estate**. After **lunch** here we will be joined by Managing Director Jonathon Jones for a tour of the unique **Tregothnan Tea Plantation**, which has expanded greatly since the first bushes were planted in 1999. Blessed with the optimum microclimate for growing tea, Tregothnan produces some of the world's rarest and highest rated teas and new varieties are tested all the time. There will of course be an opportunity to taste and buy some of the teas produced here. (B, L, D)

**Day 5** Following breakfast, the morning is free to explore **Truro** and perhaps visit the Cathedral. Later, we return by train to London. (B)

**Inc. meals:** B: Breakfast, L: Lunch, D: Dinner

RHS Garden Rosemoor

## Summer Gardens of Cornwall

7 DAYS from £2,220

 PICK-UP POINTS: London, Reading, Swindon, Bristol

A visit to Cornwall in early summer is a rewarding experience and there is an abundance of gardens to choose from - thanks to the benign climate a wide range of plants can be grown here, from the great Asiatic shrubs to tender exotics. Among the outstanding visits is a specially arranged guided tour of the garden at Tregrehan with owner Tom Hudson, who will give us his personal insight into the pleasures and pitfalls of gardening here in the Duchy of Cornwall. Other highlights include the garden at Marsh Villa, the result of years of hard labour by the enthusiastic owner, and the Tremeneere Sculpture Garden near Penzance, which has established itself as a major attraction over the last decade. We also offer the option to visit one of the wonders of the garden world, the unique Abbey Gardens on the island of Tresco, and take the opportunity to visit RHS Garden Rosemoor in neighbouring Devon, where the huge collection of roses will be at their peak of flowering.

**Day 1** We depart by coach from our pick-up points and head for Cornwall, breaking our journey with a visit to **Hestercombe**, one of Gertrude Jekyll and Sir Edwin Lutyens' greatest masterpieces. (D)

**Day 2** Today we visit **Tregrehan**, where we will be privileged to have a guided tour with owner **Tom Hudson**. Tregrehan is now an important green gene bank of known source plants including camellias bred by the late owner. We continue today with a visit to **Marsh Villa**, situated in a former tidal creek made famous by Daphne du Maurier's book 'The House on the Strand'. (B, D)

**Day 3** This morning we visit **Tremeneere Sculpture Gardens**, near Penzance. The garden is set in a beautiful sheltered valley, surrounded by woods, a stream and dramatic vistas, and is filled with high quality contemporary art installations. We continue to the gardens at **Trengwainton**, which contain many rare and unusual species, which are difficult to grow in the open anywhere else in the country. (B, D)

**Day 4** We begin today with a visit to the **Lost Gardens of Heligan**. The award-winning gardens, asleep for more than seventy years, are the scene of the largest garden restoration project

in Europe and we will discover the story as well as enjoy a guided tour of the garden by a member of staff. We then transfer to the remarkable **Pinetum Park and Pine Lodge Gardens**, which has consistently received rave reviews over the years. (B, D)

**Day 5** We begin today with a trip on the **River Fal** to visit **Trellisick**, a modern garden which is constantly evolving, with new planting and fresh ideas. We transfer to the garden of **Lamorran House**, where we will have an introductory talk before viewing the garden, which has both Italianate and Japanese styles. (B, D)

**Day 6** A free day to relax in the hotel or explore the surrounding area. Alternatively we offer an optional excursion by helicopter to **Tresco** and the fabulous **Abbey Gardens**, famously described as 'Eden with the lid off'. (B, D)

**Day 7** We break our return journey with a detour into north Devon as we visit **RHS Garden Rosemoor**. At this time of year the roses which grow in abundance here will be at their peak, providing a kaleidoscope of colour, as we will discover in the course of our guided tour. We then return to our original pick-up points. (B)

## Highgrove and the Cotswolds

4 DAYS from £895 | TOUR MANAGER: Tony Russell\*

 PICK-UP POINTS: London, Reading, Swindon, Bristol

Our tour of the Cotswolds features an exclusive visit to Highgrove House, the country home of His Majesty The King. This will be a rare opportunity to see these fascinating gardens, which, of course, are cultivated using wholly organic methods.

Some of the finest gardens in England are to be found nestled among the green and rolling hills of Gloucestershire. Our tour begins at the Arts and Crafts house of Rodmarton Manor, whose fine garden comprises a series of 'outdoor rooms'. Hidcote Manor's contrasting garden rooms are one of the most impressive sights in England and Kiftsgate's splendid views are justly famous. We also visit Painswick Rococo Garden, a recreation of a pleasure ground from the early 18th century and finally Westonbirt, the National Arboretum.

**Day 1** We depart from our designated pick-up points and head for **Rodmarton Manor**, an 'Arts and Crafts' house with a fine eight-acre garden comprising a series of 'outdoor rooms', each with its own distinctive character. The architect Ernest Barnsley started Rodmarton in 1909 and it became a shrine to the Cotswolds crafts movement. The grey gabled house has an intricate garden of lively atmosphere, formal in spirit but with a cottage-garden feel to it. There are superb vistas throughout and plenty of places to sit and admire the surroundings. (D)

**Day 2** More garden rooms feature today as we visit **Hidcote Manor**, an outstanding garden of dramatic contrasts and carefully framed vistas. It was started before World War I by an American, Major Lawrence Johnston, who devised a type of garden that many think of as quintessentially English. Although among the best-known gardens in Britain, Hidcote Manor still has the power to startle. We continue to **Kiftsgate Court**, which offers an admirable selection of plants and flowers, not least of which is the well-known rambling rose *R. filipes* 'Kiftsgate'. The house is surrounded by a series of enclosed gardens, whose formality is blurred by generous planting. (B, D)

**Day 3** This morning we explore **Highgrove**, the country home of His Majesty The King. This will be a rare opportunity to see these fascinating gardens which of course are cultivated using wholly organic methods. Following our tour we enjoy **lunch in The Orchard Room**, an elegant dining room overlooking the Orchard Terrace. In the afternoon we visit **Painswick Rococo Garden**. This is a pleasure ground created in the decadent and fun loving early 18th century, where follies nestle in a hidden valley surrounded by magnificent Cotswolds views. Using a painting, by Thomas Robins in 1748, the garden is being fully restored to its eighteenth century character. Its main features are rococo buildings, woodland walks and well-planned vistas. (B, L, D)

**Day 4** We conclude among the sylvan delights of **Westonbirt**, the **National Arboretum**, which is perhaps the most important and widely known arboretum in the United Kingdom. It comprises some 18,000 trees and shrubs, over an area of approximately 600 acres. We will see numerous 'champion' trees including rare magnolias, tree rhododendrons and maples as well as a wide variety of smaller trees and shrubs. We then return to our original pick-up points. Harewood House

## Gardens of Yorkshire

4 DAYS from £945 | NO SINGLE SUPPLEMENT

 PICK-UP POINTS: London, Luton, Northampton, Leicester, Nottingham

Uncover the delights of Yorkshire with us as we discover some of the best houses and gardens in England's largest county. We begin at Harewood House, a Grade I listed building which is home to an art collection that is one of the finest in Britain. We enjoy a tour at the classic walled garden of Littlethorpe Manor, which features the impressive apothecaries garden and Newby Hall with its impressive double herbaceous borders. Other visits include York Gate, a magical one-acre garden tucked behind the ancient church at Adel and Harlow Carr, the RHS's northern flagship. Here we will enjoy a guided tour, giving us a personal insight into the continued development of this landmark garden.

Harrogate

**Day 1** We depart from our designated pick-up points and travel to our first visit, **Harewood House**. Sitting in the heart of Yorkshire the house was built in the 18th century, designed by architects John Carr and Robert Adam for the 1st Baron of Harewood. A Grade I listed building, the house is home to an art collection that is one of the finest in Britain. We have the chance to explore this impressive collection as well as time to explore over 100 acres of gardens, with a variety of plants from around the world in the setting of a wonderful landscape designed by Lancelot 'Capability' Brown. (D)

**Day 2** Following breakfast, we depart for a visit to the garden of **Littlethorpe Manor**, which features a walled garden based on the cycle of the seasons, a sunken garden with white rose parterre and herbs, and a brick pergola which at this time of year features Agapanthus, Aster frikartii 'Monch', Echinops, while a second flush of Anthemis fills the borders. The gardens also feature terraces with ornamental pots, formal lawns with a fountain pool, hornbeam towers and yew hedging and parkland with a lake and water feature. It was recently extended and now additionally boasts a stunning apothecary's garden. A guided tour is included here. This afternoon we will visit the house and gardens of **Newby Hall**, near Ripon. Set around a beautiful late 17th century house, the gardens slope gently down to the River Ure and feature an outstanding collection of plants. The present design, dating from

the 1920s (little remains of the original formal gardens), is influenced by Lawrence Johnston's Hidcote Manor in Gloucestershire and is based around a huge central axis of double herbaceous borders flanked by yew hedges. Newby Hall itself is one of Britain's finest Adam houses and an exceptional example of 18th-century interior design. (B, D)

**Day 3** This morning after breakfast, there is free time to enjoy the spa town of **Harrogate**. Known for its elegant architecture, gardens and rich cultural heritage the town is full of charm and has something to interest every visitor. This afternoon we visit **Harlow Carr**, the Royal Horticultural Society's northern flagship, which continues to set the highest possible standards in the gardening world. Within this handsome and well-wooded site there are sections devoted to particular groups of plants, a rose garden, a bulb garden and an arboretum, along with three different kinds of rockeries. We enjoy a guided tour here followed by some time to explore at leisure. You may choose to visit Betty's Tearoom, which enjoys an elevated position with sweeping views over the garden below. (B, D)

**Day 4** After breakfast, we leave our hotel for our final visit to **York Gate**, a one-acre garden tucked behind the ancient church at Adel on the northern outskirts of Leeds. Created by the Spencer family during the second half of the twentieth century, this is a garden of immense style and craftsmanship, widely recognised as one of the most innovative small gardens of the period. The garden is

divided by yew and beech hedges into a series of smaller gardens each with its own theme and style. The formal Herb Garden with its topiary leads to the Dell with its half hidden pathways and stream. Evergreens clipped into strong architectural shapes are used to spectacular effect throughout the garden. By visiting the York Gate Garden we are also supporting Perennial, the Gardeners' Royal Benevolent Society, who have owned and cared for the garden since 1994. Following our visit we continue to our original pick-up points. (B)

## The Mary Rose: A Tudor Tale

4 DAYS from £845 | NO SINGLE SUPPLEMENT

PICK-UP POINT: London

The raising of Henry VIII's flagship the Mary Rose was one of the most complex and expensive maritime salvage projects in history and the surviving section of the ship and thousands of recovered artefacts are of great value as a Tudor period time capsule. Today the museum which houses her, rebuilt in 2013, is one of the foremost visitor attractions on the south coast and forms the centrepiece of this new tour which takes in a series of properties associated with the great Tudor age.

**Day 1** We depart from our designated pick-up points and head for a visit to **Hampton Court Palace**. The building of the palace began in 1514 for Cardinal Thomas Wolsey, the chief minister of Henry VIII. In 1529, as Wolsey fell from favour, the cardinal gave the palace to the king to check his disgrace. The palace went on to become one of Henry's most favoured residences; soon after acquiring the property, he arranged for it to be enlarged so it could accommodate his sizeable retinue of courtiers. (D)

**Day 2** After breakfast we head for Portsmouth to visit the **Historic Dockyard**, home to the **Mary Rose**. Built between 1510-1511 she was for many years Henry VIII's favourite warship, fast, well-armed and successful. The raising of the Mary Rose and her subsequent restoration was a remarkable achievement, while the collection of some 19,700 genuine Tudor artefacts is unparalleled and provides an invaluable insight into 16th century life. Our visit begins with an **exclusive one-hour talk** on the relationship between Henry VIII and the Mary Rose. We then enjoy a **live tour** of the museum by a knowledgeable member of the Mary Rose team. Later we visit the **Tudor House and Garden**. This Grade 1 listed half-timbered building dates to Norman times and was established as Southampton's first museum in 1912. (B, D)

**Day 3** This morning we head along the south coast to the Sussex town of Lewes where we find **Anne of Cleve's House**. This stunning timber framed medieval house was given to Anne, the fourth wife of Henry VIII, at the end of her short-lived marriage, although she never lived there. Nevertheless, it provides great insight into the Tudor period with well-preserved interiors including a Tudor kitchen, a light and airy parlour and a beautiful bedroom complete with four poster bed. Next we visit **Arundel Castle**. It has been home to the Dukes of Norfolk and their ancestors since its founding in the 11th century. In the Tudor period these included Lord Howard of Effingham, the Earl of Surrey and the 3rd Duke of Norfolk, uncle of Anne Boleyn and Catherine Howard. Later this afternoon we visit the **Weald & Downland Open Air Museum** which is set in 50 acres of Sussex countryside. (B, D)

**Day 4** This morning we still have time for one final visit, **The Wyne**. Originally built as a great Tudor 'power house', The Wyne was visited by Henry VIII on at least three occasions and was later home to the Chute family for more than 350 years. Following our visit we continue to our original pick-up points. (B)

Tresco Abbey Gardens

## The Isles of Scilly

6 DAYS from £2,320 | TOUR MANAGER: Mike Nelhams

 DEPARTURE POINT: Land's End Airport

Truly a sub-tropical paradise, this tiny corner of England has remained unpolluted, unspoilt and unchanged for decades. The Isles of Scilly have been described as 'the most fortunate of all the islands around Britain's coasts with clean seas and beaches, wonderful scenery, welcoming inhabitants, and temperate climates'. They lie just 28 miles from the Cornish coast yet bask in a balmy climate where spring comes early, autumn stays late and winter hardly exists at all.

The wonderful Abbey Gardens on the island of Tresco are home to more than 3,000 species and magnificent vistas, colours and scents. There is certainly no other garden like this in the world. Even in winter there are 300 plants in flower in the Abbey Gardens and as each day lengthens more and more exotic flowers appear. In the spring you will see flowers here that are weeks ahead of those on the mainland, the perfect way to lift your spirits after a cold, dark winter.

Other highlights include a Pelagic boat excursion to the Western Rocks and Bishop Rock Lighthouse with local bird expert Will Wagstaff; a guided tour at a local flower farm on the island of St Martins, who were the first to pioneer sending flowers by first class post and a relaxing lunch at the 3AA Rosette restaurant at the Hell Bay hotel, the only restaurant of this caliber in the Scilly Isles.

**Day 1** Travel independently to Penzance. *(Overnight accommodation and rail travel from mainline stations can be arranged at a supplement on request, please contact us for assistance).* We will meet at Land's End airport in time for your flight to the Scillies, which only takes 15 minutes. Dinner will be served in the evening after which we will have a **special talk from our tour manager Mike Nelhams, Curator of the Abbey Gardens**. This will be followed by a Q&A session with Mike, an opportunity to find out about growing tender sub-tropical plants such as those found in the Abbey Gardens. *(D)*

**Day 2** After breakfast this morning we take a boat over to the island of **Tresco** and have a **guided tour of the Abbey Gardens**. There will also be an opportunity to view the Valhalla collection of ship's figureheads, a legacy of the days when shipwrecks were all too common on these rocky shores. This afternoon you are then free to explore Tresco at leisure - the ancient castles, beautiful beaches and headland walks. You are also free to return to the Abbey Gardens should you wish. At an agreed time we will re-assemble and take the boat back to St Mary's and return to our hotel. *(B, D)*

**Day 3** After breakfast today we head out for a **Pelagic boat excursion to the Western Rocks and Bishop Rock Lighthouse**. We will be joined by **bird expert Will Wagstaff** as we explore this mecca for birdwatchers in search of Manx shearwaters, puffins, razorbills, kittiwakes and storm petrels. We will stop in St Agnes for some free time for lunch *(not included)* before we return to the sea and head back to St Mary's. *(B, D)*

**Day 4** This morning, we depart for **St Martins**. On arrival we make our way to **Scilly Flowers Farm for a guided tour**. Here we learn about this small family run farm that was among the first to pioneer sending flowers by first class post. Over 30 years later the small farm is thriving and now sends over 100,000 beautiful boxes to doorsteps throughout the UK every year. After our tour we have lunch at the Karma Hotel before having some free time to explore at leisure. At an agreed time, we will meet and return by boat to St Mary's. *(B, L, D)*

**Day 5** Today after breakfast, we depart for **Bryher**. Here we will be joined by **Graham Eggs**, owner of **Hillside Farm for a guided tour**. The farm is a working mixed farm situated to the southern end of Bryher. In spring and summer, they sell vegetables, salad crops, soft fruit, cut flowers and free-range eggs. They are also the producers of 'Scilly Chilli', tasty handmade chilli products using their own home-grown chillies. In addition they also have a small herd of North Devon cattle as conservation grazers, adding to the farm's biodiversity. We have a lunch at the 3AA Rosette restaurant at the **Hell Bay Hotel** before having some free time to explore the rest of this tiny island at leisure. At an agreed time, we will meet and return by boat to St Mary's. *(B, L, D)*

**Day 6** Today it is time to say goodbye to the Scilly Isles as we transfer to the airport for our return flight to Land's End Airport. ### Please note - Walking Fitness

Due to the limited public transport, we believe it fair to remind passengers that a degree of mobility is required to get the most out of your visit to the Scilly Islands as most of the tour will be on foot.

# Spring Gardens of Cornwall

4 DAYS from £695

 PICK-UP POINTS: London, Reading, Swindon, Bristol

Spring comes early in Cornwall, as trees, shrubs and bulbs bring life and colour back to the gardens. The near neighbours of Trebah and Glendurgan illustrate this perfectly, with the great Asiatic shrubs of rhododendron, magnolia and camellia all featuring rich blossom. The award-winning Lost Gardens of Heligan continue to fascinate, while over at the Eden Project things have come a long way since that disused chalk pit was transformed into a futuristic microcosm of botanical diversity. Our tour is bookended with visits to two top-class National Trust properties at Knightshayes Court and Killerton.

**Day 1** We depart from our pick-up points and travel to **Knightshayes Court**, whose celebrated garden features a water lily pool, topiary, specimen trees, rare shrubs, seasonal colour and an impressive Victorian kitchen garden. We continue to our hotel in Newquay with views over the Atlantic. (D)

**Day 2** We visit the **Eden Project**, which since its opening in 2001 has become one of Cornwall's star attractions, with its huge controlled-environment plant conservatories. Our next visit is to the **Lost Gardens of Heligan**, the scene of the largest garden restoration project in Europe. This time of year sees the reawakening of Heligan's fabulous collection of historic shrubs, including their notable camellias and rhododendrons. (B, D)

**Day 3** Following breakfast we depart for a visit to **Trebah**, a wild and colourful Cornish garden with something for everyone. We then continue to **Glendurgan**, a place of great beauty and tranquillity. At this time of year we can expect outstanding spring displays of magnolias and camellias. Look out too for the hedge maze, originally built by the owners in the 1830s to entertain their 12 children. (B, D)

**Day 4** We head for home and call in at the house and gardens of **Killerton**, set on a steep wooded hillside with the remains of an Iron Age Hill fort on top of it. Countless trees and shrubs thrive in the gardens including rhododendrons and magnolias which should be coming into full bloom. We later return to our original pick-up points. (B)

Burren

## Gardens and Wildflowers of the Burren

5 DAYS from £1,520 | TOUR MANAGER: Trevor Edwards

 DEPARTURE POINT: London

The Burren, from the Irish *bhoireann* - a stony place - lies in the northwestern corner of Co. Clare. Over 300 square kilometres in extent, it is the largest area of karstic limestone in western Europe. At first glance it presents a bleak appearance, but closer examination reveals the beautiful diversity of flora for which the whole region has become justly famous. The colourful exuberance and profusion of the wild flowers is simply captivating and, subject to the prevailing conditions, we can expect to see many interesting different species.

We begin with a visit to a local private garden at Knockpatrick, which contains many unusual varieties of magnolias, azaleas and rhododendrons. Next we visit the tiny island of Inis Oírr, whose geological features, coastal setting and traditional agricultural practices contribute to the richness of its flora and fauna, and cruise by the Cliffs of Moher, perhaps Ireland's most dramatically impressive natural attraction. We then have a full day exploring The Burren in the company of a local expert guide, where we can expect to see a good selection of plants typical of the area, with 'textbook' examples of pavement, flower-rich grasslands and associated limestone features such as disappearing lakes. We conclude at Bunnally Castle and Folk Park, set in 26 acres of unspoilt Co. Clare countryside.

Aran Islands

**Day 1** We depart from London to **Shannon** where on arrival we are met by our coach and tour manager and transfer to Knockpatrick to the **private garden** of Helen and Tim O'Brian. The three acres garden overlooks the Shannon estuary and is almost 100 years old. Helen and Tim are the fourth generation of the family to tend this 1930s garden with dedication and enthusiasm. The garden is endowed with running water and nourishment from the family farm. It contains many unusual varieties of magnolias, azaleas and rhododendrons. Other plants of note are calicanthus, clianthus,

Moher Coastline

*drymis*, *echium* and *dicksonia*. Following our visit we cross the Shannon by the Tarbert to Killimer ferry and continue to the Old Ground Hotel, Ennis, Co. Clare. Formerly an eighteenth-century manor house, it blends the warmth of a country home with the style and comfort of a modern hotel. (D)

**Day 2** Following breakfast we drive to **Doolin** where we take a ferry to **Inis Oírr**, the smallest of the Aran Islands. The combination of the island's geological features, coastal setting and traditional agricultural practices contribute to the richness of its flora and fauna, making Inis Oírr a unique and picturesque destination. On the plant side we can expect to find wildflowers, coastal species such as sea thrift and sea campion, ferns and mosses and, as the island is part of the Burren habitat, species such as bloody cranesbill, spring gentian and mountain avens. Wildlife may include seals and seabirds such as puffins, guillemots and razorbills as well as butterflies and dragonflies. After exploring the island (*just three square kilometres in area*) we depart on a **50-minute cruise** beneath the **Cliffs of Moher**, perhaps Ireland's most dramatically impressive natural attraction, especially when viewed from the water. (B, D)

**Day 3** Following breakfast we drive into the beautiful **valley of the River Caher**, where from dense hazel and blackthorn scrub the owner has created a wonderfully varied plantsman's limestone garden, **Caher Bridge Garden**, in the true "cottage" style. The limestone river flows through the one acre garden of many very unusual

plants; "Irish" cultivars and collections of daylilies, hostas and geraniums. The beds are all easily viewed and photographed from the pathways. Next we visit **Doreen Drennan's Garden** near the Cliffs of Moher. As an award-winning gardener with two previous gardens behind her, this third garden was to be Doreen's most challenging to date and it is still evolving. Presently there is a walled garden with raised beds and a water feature. Planted rolling lawns give way to a wild river walk that evokes a feeling of serenity and calm. Doreen is also a talented artist, specialising in impressionist paintings of the Wild Atlantic Way and the Burren. We will have an opportunity to visit her studio/gallery, an perhaps buy a unique souvenir of our holiday. On our way back to the hotel we will briefly visit the **Poulnabrone Dolmen**, an impressive megalithic tomb which, when it was excavated in 1986, was found to contain the bodies of 16 people and various artefacts which dated the tomb to 3600 BC. (B, D)

**Day 4** This morning after breakfast we will explore **the Burren** with a local expert. In the course of our full day excursion we can expect to see a good selection of plants typical of the area, with 'textbook' examples of pavement, flower-rich grasslands and associated limestone features such as disappearing lakes. There are some intriguing aspects to the flora of the Burren, such as the curious juxtaposition of species from differing habitats, such as Arctic, Alpine and Mediterranean, and hopefully we will see examples of these. **Please note we will be walking for around five hours so a**

**good degree of mobility is required, along with good walking boots and waterproofs.** (B, D)

**Day 5** After breakfast we transfer back to Shannon Airport in time for our return flight to London. (B)

**Inc. meals:** B: Breakfast, D: Dinner

## History and Horticulture in Corsica

8 DAYS from £4,345

✈️ DEPARTURE POINT: London

The French Island of Corsica is notable for its unusually lush vegetation compared to other islands in the Mediterranean, thanks to its acid soils and wide range of climatic variations. The luxuriant growth – forest, scrub (maquis), olive-trees, orange groves, vineyards and an abundance of flowers – led Napoleon Bonaparte, the island’s most famous son, to say “I would recognise Corsica with my eyes closed from its perfume alone.” This delightful cruise combines some of the Island’s gardens and areas of outstanding natural beauty. No trip to Corsica would be complete without delving into some of the history surrounding the famous military man himself.

**Day 1** We depart from London to **Nice** where we transfer to our ship ‘**MV La Belle Des Océans**’. The remainder of the afternoon is spent at leisure. (D)

**Day 2** Today as La Belle Des Océans arrive in **Ajaccio**, we gather on the deck for a tasting of traditional myrtle liqueur and a pastry. In the afternoon, we explore the sights and scents of Corsica. We will cross the maquis—the Corsican underbrush exploding with a potpourri of flowers and plants—for a visit to **Corsica PAM** in Ocana.

Paul and Jean-Pierre Caux built their essential oil business from scratch. The lovely surroundings and the panoramic view from the terrace are a great place to discover the secrets of their famous oils. We’ll then visit the honey farm **Jardin des Abeilles** to learn more about beekeeping. An informative walk in the forest and along the Prunelli River brings you to the centre of the maquis, where you’ll be able to breathe in the earthy scents emanating from the heather, arbutus, fig, box, holly, and alder trees. At the end of our tour, you’ll enjoy tasting a

MV La Belle des Océans

selection of honey from the farm. Enjoy an evening of Corsican music on board - a great opportunity to get to know the island through its songs. (B, L, D)

**Day 3** Today, we will visit the **Maison Bonaparte**, a national museum. Napoleon Bonaparte, the French military leader and emperor, was born in this house on August 15, 1769. The museum retraces the history of the Bonaparte family in Corsica as well as the series of exiles they experienced. This is a great opportunity to learn about the former emperor’s life. We return to the ship where the afternoon is at leisure. (B, L, D)

**Day 4** Today is free spend at leisure in **Bonifacio**. Alternatively, you may wish to join today’s optional excursions. This morning offers a chance to join a **guided tour of Bonifacio**, rich with a history told along its small streets and paths, the thousand year old fortress, and the sturdy stone homes

Saleccia park

perched high above the sea waves. The descent (and subsequent ascent) of the King of Aragon’s Stairway will provide some of the best views on the trip – up some 187 steps! This afternoon’s optional excursion will take us to explore the **Lavezzi Islands nature reserve** where we discover this archipelago of islets and granite reefs, as well as the sea caves and cliffs of Bonifacio. In the evening, we enjoy a **dinner at a traditional inn** situated in the heart of the Corsican countryside. As we sit by the fireplace or under the immense cork oak trees, we are welcomed by the owners who will explain their history and their love for this island. Corsican music and songs will accompany our dinner featuring dishes made using seasonal local produce. (B, L, D)

**Day 5** After arriving in **Porto Vecchio**, we depart for a visit to **U Giardinu di l’Isuli**. Here we find a collection of around 1400 plant species essentially of subtropical or tropical origin and around 4000 plants in total. Included in the collection are around 170 species of palm trees, 85 species of Aloe and 35 species of cycads. The garden is separated into geographical regions which highlight the plants found in each area. We return to the ship where the remainder of the day is at leisure. For those interested in history there will be the opportunity to attend an **on board lecture: Pascal Paoli - Island Patriot**. (B, L, D)

Lavezzi Islands nature reserve

**Day 6** This morning after breakfast, we will join a local guide for a **walking tour of Bastia Old Town**. As we wander through the 18th century narrow streets and alleyways our guide will explain the town’s history and highlight key places and buildings of interest such as the ‘Terra Vecchia’ home to the morning market and the large Saint-Jean-Baptiste church. During our tour we will also visit the **Romieu Garden**, a haven of greenery located between the citadel district and the old port. Overlooking the quays, the Romieu Garden was designed in the late 19th century by local architect Paul-Augustin Viale. The Romieu staircase with wrought iron railings winds its way between standing vases, statues and a fountain beneath shady palms leading to spectacular views across the sea. We return to the ship where the remainder of the day is at leisure. This afternoon’s lecture in the lounge for those who wish to attend: **The Bonapartes – A Corsican Family**. (B, L, D)

**Day 7** Today after arriving in **L’Île Rousse**, we head to **Saleccia Park**, a unique seven-hectare estate at the gateway to L’Île Rousse. Here we can explore Corsica through its landscapes and the various aspects of the flora and fauna thanks to local preservation efforts. We have the chance to discover the ‘Art of gardening in the heart of the Corsican maquis’ as we take a leisurely walk amongst olive trees, cypresses and oleanders. The garden was first opened to the public in 2005 and has since been classified as a ‘Remarkable Garden’. We later return to the ship for lunch on board with the afternoon at leisure. As we bid goodbye to Corsica, we gather on the Sun Deck for a cocktail and take in one last glimpse of the beauty of the island before our gala dinner. (B, L, D)

**Day 8** Arriving back in **Nice** this morning, we disembark after breakfast and return to the airport for our flight to London. (B)

# Seine River Cruise featuring Monet's Garden and the Gardens of Normandy

8 DAYS from £2,895 | TOUR MANAGER: Trevor Edwards

DEPARTURE POINT: London St Pancras International

Join us on a relaxing cruise on the sinuous River Seine, into which we have woven a series of visits to the outstanding gardens of Normandy, including Monet's garden at Giverny, which continues to enthrall countless visitors almost 100 years after his death.

Other garden highlights include Château de Miromesnil, which represents four centuries of harmonious architectural styles, and Le Vasterival, one of the finest gardens of its type and a lasting legacy of its creator, the Princess Sturdza. At the Jardin de Plume we will discover a natural yet structured contemporary garden in a typical Normandy orchard and at the Jardins d'Angélique we explore a romantic and delightfully old-fashioned garden. A visit to the interesting garden at Château de Canon is combined with a heart-warming taste of Normandy at the cellars of Calvados Père Magloire. Waking up to a new view every day (without having to pack and unpack) is always a lovely experience and combined with these wonderful gardens this promises to be an unforgettable cruise holiday.

**Day 1** We depart from London St Pancras International on the morning Eurostar service through the Channel Tunnel to Paris Gare du Nord. (First Class upgrades and regional connections also available on request). On arrival we will be met by our comfortable local coach and transfer to our ship on the banks of the River Seine. In the evening once you have settled into your cabin we will be introduced to the crew and enjoy a **welcome cocktail** before dinner on board. Water levels permitting, we will also enjoy a cruise through **Paris 'by night'**. (D)

**Day 2** Following breakfast we depart for a morning excursion to the **Musée de l'Orangerie des Tuileries**, which is home to the series of 2-metre high murals entitled **Les Nymphéas**, a sequence of impressions such as clouds, reflections and sunsets which Claude Monet installed between 1914 and 1918, when he was at the height of his extraordinary powers. We return to the ship for lunch with the afternoon free to go ashore to shop and sightsee at your leisure. Paris is, of course, the most romantic city in the world with wonderful art galleries, churches and shops. (B, L, D)

Rouen

**Day 3** This morning is spent cruising to **Vernon**. After lunch on board we depart for nearby Giverny and the world famous house and gardens of **Claude Monet**. Both the house and gardens have been lovingly and accurately restored - one would believe that the family have just gone out to walk in the garden. You will have plenty of time to explore this marvellous garden at your leisure, followed by an opportunity to visit the little church where Monet is buried. We return to our ship in time for dinner followed by entertainment as we cruise through Rouen to our overnight berth in **Duclair**. (B, L, D)

**Day 4** After breakfast we depart by coach for the first of two garden visits today, **Château de Miromesnil**, which represents four centuries of harmonious architectural styles including a rare example of Louis XIII monumental style. Of particular interest will be the kitchen garden which

Château de Canon

was restored forty years ago by the Comtesse de Vogüé, grandmother of the present owners. We continue to the nearby garden of **Le Vasterival**. In 1957 Princess Sturdza, a talented plantswoman, started to create this magnificent garden in a natural style covering 7 hectares of acid soil, a kilometre from the sea. Princess Sturdza died in 2009 but the garden continues to thrive, with a huge range of plants which grow to perfection in its composted earth. A guided tour is included here. We will rejoin the ship at **Honfleur**, our overnight stop at the mouth of the Seine. A packed lunch is included today. (B, PL, D)

**Day 5** After breakfast this morning we drive along the Côte Fleurie from Honfleur to **Caen**, pausing for a visit to the **Pegasus Bridge Memorial Museum**. In the afternoon we visit the garden at **Château de Canon at Mezidon-Canon**, which was redesigned by a barrister who knew Horace Walpole. The layout is best understood as a French

Les Andelys

interpretation of the Augustan Style. We conclude today in Pont L'Evêque at the famous **Calvados house of Père Magloire**. We return to the ship in time for dinner and moor in Rouen overnight. (B, L, D)

**Day 7** The morning is spent cruising. After lunch on board we visit the impressive **Jardins d'Angélique** at Montmain. A **farewell gala dinner** is served tonight on board the ship, a chance to discuss with new-found friends the many sights we have seen along the River Seine. (B, L, D)

## Dutch Bulbfields in Spring

5 DAYS from £1,520

DEPARTURE POINT: London St Pancras International

Enjoy a riot of colour among the beautiful bulbfields of Holland where nothing quite compares to the sight of not hundreds, not thousands, but millions of flowering bulbs, carpeting the fields in a radiant vision of patterns and patchwork. We begin in the Belgian city of Antwerp with a visit to the newly refurbished reception centre, library and Baroque gardens at Rubens House, before enjoying a visit to the Botanic Gardens. We then embark on our cruise to Rotterdam, via a succession of waterways and sheltered inlets off the North Sea. We enjoy a visit to one of the most famous gardens in the world - Keukenhof, a magnificent display of different tulip, daffodil and hyacinth varieties. We arrive in the Dutch capital of Amsterdam, from where we visit De Haar Castle and Kasteel Museum Sypsteyn, both surrounded by splendid gardens. On this cruise, we'll enjoy four nights on board MS La Bohème. Our comfortable vessel transports us across rivers and sea, ensuring that our journey is just as special as the destinations it brings us to. Think welcome cocktails, lunches and dinners with complimentary wine and beer and, of course, the always convivial company of like-minded travellers.

**Day 1** We depart by rail from London St Pancras International to **Antwerp**, where we visit **Rubens House** and its newly revamped reception building and library, along with the Baroque gardens, filled with over 17,000 plants, followed by a visit to the **Botanic Garden**. We later embark on the MS La Bohème and enjoy a **welcome cocktail reception** before dinner. (D)

**Day 2** This morning we cruise from Antwerp to **Rotterdam**. On arrival we venture ashore and explore at leisure. (B, L, D)

**Day 3** This morning we cruise from Rotterdam to **Utrecht** and in the afternoon we depart for **Keukenhof**, one of the most famous gardens in the world. Over seven million bulbs are planted annually and around one million visitors pass through it from mid-March to mid-May. We rejoin the ship in **Amsterdam** and following dinner you are free to explore ashore, or alternatively join our optional canal cruise, an opportunity to view this spectacular city from the water. (B, L, D)

**Day 4** Today we explore **Kasteel Museum Sypsteyn**, built in the early 20th century in 17th century style. Located beside the Loosdrecht lake and River Vecht, the castle is surrounded by stunning gardens. Later, we visit **De Haar Castle** which has equally splendid grounds including a Roman garden, ponds and canals. As was the fashion when the garden was reconstructed around 1895, the garden closest to the castle was in the French style while the surrounding parkland was in a Romantic English landscape style. (B, L, D)

**Day 5** We disembark in Amsterdam and visit the **Museum Van Loon**, a magnificent canal-side private residence from the Dutch 'Golden Age', with a large collection of paintings, fine porcelain and silver, followed by some free time to explore **Amsterdam**. In the afternoon, we catch the train from Amsterdam Centraal railway station to London St Pancras International. (B)

Menton Lemon Festival parade

## Gardens of the French Riviera - Menton Lemon Festival and International Rose Festival

6 DAYS from £1,920 | TOUR MANAGER: Trevor Edwards\*

✈️ DEPARTURE POINT: London

Menton's zesty Lemon Festival brings a vibrant burst of colour to our tour of the French Riviera. Exotic gardens, cacti collections and azure seas complete our sparkling itinerary.

At the Clos du Peyronnet we have an exclusive tour, where a passion for exotic plants is reflected in the colour and variety of this fascinating garden. At St. Jean Cap Ferrat, we visit the exquisite gardens of the Fondation Ephrussi de Rothschild, while a short hop over the border to Italy finds us at the incomparable Hanbury Gardens.

In May the International Rose Festival in Grasse takes the place of the Lemon Festival.

**Day 1** We depart from London on a flight to **Nice**, where we visit the garden of **Serre de la Madone**, created by American Lawrence Johnston, who travelled the world over a 30-year period seeking plants to acclimatise here among the ancient olives. This is a place of luxuriant and exotic beauty, a tropical forest planted on the shores of the Mediterranean. (L, D)

**Day 2** We visit the **Fondation Ephrussi de Rothschild** at St Jean Cap Ferrat, a garden designed as a series of compartments, each reflecting a different architectural style with many interesting tender plants thriving in the favourable climate. We continue to the **Jardin Exotique d'Èze**, on the site of a medieval fortress. In the midst of several hundred species of exotic plants (cacti, aloes, agaves) the visit is an invitation to discover not only plants but art. (B, L)

**Day 3** We begin at the private garden of **Clos du Peyronnet** for a guided tour. To one side of the house is a splendid water garden, where a long canal-like pool runs at right angles to the slope. Exotic flowers and foliage press in from all sides, giving the impression of a jungle only just kept at bay. Next, we go from France to Italy and tour the stunning gardens of La Mortola. **La Mortola** is perhaps the greatest of the Riviera Gardens, in the

richness of its collections, the power of its presence and not least in the impact it has had all over the French Riviera. (B, L, D)

**Day 4** Our day is spent at the **Lemon Festival in Menton** and our ticket includes a grandstand seat for the parade. (B)

**Day 5** We drive to **Cap d'Antibes** for a visit to **Villa Thuret**. A botanist and expert on seaweeds, Gustav Thuret lived here and over a period of twenty years he amassed a collection of rare plants – among them the first eucalyptus to be planted on the Côte d'Azur. We continue to **La Mouissone**, whose gardens reflect the attributes and restrictions presented by the terrain and the Mediterranean climate. We conclude at the village of **St Paul de Vence**, which serves as a creative haven even today. (B, L, D)

**Day 6** We conclude in the glamorous surroundings of **Monte Carlo**, playground of the rich and famous. Here we will enjoy a walk through some of the charming public parks and gardens that bring splashes of colour and open space to the tightly packed urban landscape. Later, we transfer to Nice airport for our return flight to London. (B)

## Portugal - Route of the Almond Blossom

This tour travels through the Douro Valley taking in the stunning almond blossom vistas which are comparable with the more famous cherry blossoms in Japan - but a lot closer to home. Spend some time exploring the vibrant city of Porto with its UNESCO World Heritage Centre - the Ribeira district is home to colourful houses, narrow cobbled streets and a surfeit of Portuguese charm. Departing from the city we enjoy a scenic train ride through the Douro Valley with its spectacular vistas and ranks of flowering almond trees. Our destination is Vila Nova de Foz Côa, whose almond trees bloom with delicate pink and white flowers, a magnificent sight to behold. We also visit some of the Douro Valley's notable Manor Houses including Casa Mateus and Casa do Campo as well as some of the area's fascinating gardens.

**Day 2** After breakfast we visit the old **Quinta da Arcadia**, the gardens here have several interesting features such as the lake, woodland area, the greenhouse, the Swan Garden and a variety of camellias. This afternoon there is time to spend at leisure or perhaps you may wish to join our optional tile painting experience. (B)

**Day 3** Today, we leave Porto behind, heading in the direction of **Vila Nova de Foz Côa**, a small town known for its stunning landscape and, at this time of year, its almond trees with their masses of delicate white and pink flowers. During the almond blossom season, the streets are filled with festivities and events to celebrate this natural wonder. After lunch in a local restaurant, we visit **Barca d'Alva** to view the blossom before heading to our hotel. (B, L)

**Day 4** Today we visit **Casa de Mateus**, a time machine that allows us to travel through the last five hundred years of the history of Portugal and the wider world. After lunch, we visit **Casa do Campo**, reputedly home to Portugal's oldest

camellia tree, around 250 years old. The garden, regarded as one of the most artistic in the region, is crossed by a graceful set of paths of boxwood and trimmed camellias. (B, L)

**Day 5** After breakfast we head to the **Bom Jesus do Monte Sanctuary**, a UNESCO World Heritage Site known for its stunning architecture, beautiful gardens and religious significance. In the afternoon we head to the **Biscainhos House Museum** whose gardens where in 2020 awarded the Historic Garden Quality Seal by the Portuguese Historic Gardens Association. (B)

## Galicia's Camellia Route

6 DAYS from £1,420 | TOUR MANAGER: Tony Russell

DEPARTURE POINT: London

With a milder, wetter climate than the rest of Spain, the gardens in Galicia have a luxuriant air, accentuated by the fact that many belong to grand country mansions (pazos). Another happy feature of the climate is that camellias thrive here, and in the spring sunshine they provide welcome splashes of colour, blooming exuberantly in shades of white, pink and red.

We will follow the length of the camellia route, which extends from La Coruña in the north by way of the historic pilgrimage centre of Santiago de Compostela to Vigo in the south. Along the way, we visit a collection of splendid gardens, including the outstanding Castillo de Soutomaior, while enjoying some spring sunshine and the uplifting sight of one of the garden world's favourite flowering plants in full bloom.

**Day 1** We depart from London to **La Coruña**. On arrival we will be met by our local coach and transfer to our hotel. (D)

**Day 2** This morning we have a **tour of the city** to see its modern parks and the historic city centre. We then visit the garden of **Pazo de Mariñan** overlooking the quiet waters of a river estuary. Amongst the botanical varieties to be found here are many old camellia plants with multiple trunks, along with others which have been planted over the years to add fragrance and colour to the garden in the winter and spring. (B)

**Day 3** We leave La Coruña and head for **Santiago de Compostela** where we will visit the **Monasterio de San Lorenzo de Trasouto**. Its garden is occupied by an extraordinary masterpiece of box topiary; a wriggling rounded hedge with only the smallest of spaces separating its parts creating a sculpture of the Virgin clothed in ivy. We then visit the great Romanesque **Cathedral** with its Baroque façade and its Cloisters, which is reputed to hold the remains of **St James**. This has made Santiago a centre for pilgrimage and thousands walk the pilgrim's way of El Camino de Santiago each year. (B, D)

**Day 4** We depart for the **Pazo de Oca** at La Estrada, where the practical and the beautiful are united in a network of canals and

ponds in a mainly 18th century garden. Our next visit is to the **Pazo de Santa Cruz de Rivadulla** at Vedra-Ortigueira. Once the home of the canon of Santiago Cathedral, this charming manor house now boasts one of the region's best plant collections, including hundreds of varieties of Camellia. (B)

**Day 5** We visit the **Pazo de Rubianes** at Arousa, where the well-proportioned garden features fountains, pools and camellia walks, which perfectly complement the handsome villa. We then visit the impressive hill top **Castillo de Soutomaior**, which has an important and historic camellia collection and commands views over the wild yet attractive countryside of Galicia. We continue to our hotel in Vigo. (B, D)

**Day 6** We visit the **Pazo de Quiñones de León**, a Baroque mansion, which became a city museum in 1937 and is situated at the top of Castrelos Park, through which the Lagares River flows. We later transfer to La Coruña airport for our return flight to London. (B)

## Gardens and Villas of Sicily

8 DAYS from £2,420 | TOUR MANAGER: Trevor Edwards\*

✈️ DEPARTURE POINT: London

Sicily has become one of Europe's best-loved destinations in recent years and it is truly an island of the senses. As soon as you step on to its warm and fertile shores you'll understand why. Our eight-day tour takes in the best that the island has to offer, with a strong emphasis on gardens, which is what sets this holiday apart from other Sicilian offerings.

We begin on the slopes of Mount Etna, Europe's highest active volcano, as we visit an elegant garden which thrives on the fertile soil here and then ascend the mountain itself, observing the change from lush groves to stark, desert landscapes. In Taormina we visit a private garden which boasts spectacular views across the bay before exploring the Greco-Roman remains of the city itself. Heading south we gain an exclusive insight into Sicilian gardening with a member of the team at Villasmundo and visit the private garden of a Sicilian aristocrat. A treat for the senses awaits at Gli Aroma Sicily as we discover an extensive selection of herbs and spices and we also enjoy lunch at a monastery high in the mountains. We conclude in Palermo, a melting-pot of architectural styles with both Norman and Arabic influences.

**Day 1** We depart from London to **Catania** and upon arrival we transfer to our hotel. (D)

**Day 2** Visit **Villa Trinità**, an elegant garden born from lava, which thrives on the slopes of Etna. This afternoon we take an excursion to **Mount Etna**, Europe's highest active volcano. (B, L, D)

**Day 3** Today is ours to explore **Taormina** and its many highlights, including the private garden of **Casa Cuseni**. Created by Robert Kitson, a British painter of the early 20th century, its house and exuberant plantings demonstrate clear links with the Arts and Crafts movement. (B, D)

**Day 4** We begin at the **Gardens of Princess Maria Carla Borghese**, created out of barren ground almost 50 years ago. Next it's on to **San Giuliano**, where a member of the team gives us an exclusive insight into Sicilian gardening. (B, D)

**Day 5** We discover an extensive collection of herbs and spices with a multisensory tour of **Gli Aromi Sicily**. Lunch here makes for today's biggest highlight: a home-made feast prepared

with an abundance of fresh herbs and devotion. Free time in **Ragusa** follows. (B, L, D)

**Day 6** After lunch at a former **Benedictine monastery**, we transfer to the village of **Monreale** and visit the **Cathedral and Abbey**, with its 70,000 square feet of mosaics, amazing gold leaf and glass interiors. Villa del Balbianello

## Villas and Gardens of the Italian Lakes

8 DAYS from £2,595 | TOUR MANAGER: Kate Williamson

✈️ DEPARTURE POINT: London

The fabulous scenery and warming climate of the Northern Italian Lakes have attracted eager aristocrats and the wealthy for years. The beguiling beauty of this unique corner of Europe shows no signs of waning with lush gardens and colourful blooms to be seen throughout the year. Elegant villas and lush gardens complement the natural landscape of the Northern Italian Lakes. We have a real treat when we visit the private garden of the President of the Italian Camellia Society, home to a collection of over 500 plants, where we also enjoy a delightful lunch. Nowhere captures the extravagant spirit of the Lakeland gardens better than the three Borromean islands, Bella, Madre and Pescatori, which feature sumptuous terraced gardens, shaded woodland walks, flowered terraces and elegant statuary. Other highlights during our stay include **Villa Taranto**, with its rare botanical species, and a little-known private garden set on the hillside above **Lake Orta**. Monumental trees and seasonal blooms put on a dazzling display at **Villa Carlotta** and the impeccably maintained and manicured garden of **Villa Balbianello** completes our memorable tour.

**Day 1** We depart from London to **Milan** and upon arrival we transfer to our hotel at **Lake Maggiore** where we enjoy lunch. (L, D)

**Day 2** Visit the gardens of **Villa Taranto**, flourishing with rare botanical examples and a wide range of plants. Later, we visit **Lake Orta** and take a boat trip to the tiny island of **San Giulio**, followed by a visit to a little-known **private garden**. (B, D)

**Day 3** Spend a full day exploring the famous Borromean islands. We start with a cruise from **Stresa** to **Isola Bella** to see the vast baroque palace built from the island's rock and surrounded by terraced gardens. We then continue to **Isola Pescatori**, with its narrow cobbled streets and pretty harbour, and **Isola Madre**, which in contrast to **Isola Bella** has a simple, unspoilt aspect. (B, D)

**Day 4** Tour the private garden of the **President of the Italian Camellia Society**, home to a remarkable collection of camellias, with over 500 plants and 318 cultivars. The garden is, of course, in full bloom in spring and provides the perfect setting for a delightful and relaxed lunch. (B, L, D)

**Day 5** Explore the perfect example of a formal Italian garden at **Villa Cicogna Mozzoni** situated in what were ancient hunting grounds for the nobility, in the foothills between **Varese** and **Lake Lugano**. Here we will be privileged to enjoy a **private guided tour** with the owner. Later we transfer to our hotel in **Como**, where wine is included each night with dinner. (B, D)

**Day 6** Today is free to explore at your own pace. Take a boat trip on the lake or visit the nearby **Villa Melzi d'Eril** (admission not included). (B, D)

**Day 7** Spend the day on **Lake Como**, so similar and yet so different from its larger neighbour, **Maggiore**. On arrival in **Tremezzo** we will have time to enjoy the elegant 18th century **Villa Carlotta**, where the flowering changes throughout the year. The house itself has its own story to tell, full of neo-classical art treasures including paintings by **Hayez** and sculptures by **Canova**. (B, D)

Giardini la Mortella gardens

Villa Cimbrone

## Gardens of the Neapolitan Riviera

7 DAYS from £2,420

 DEPARTURE POINT: London

Southern Italy has a beautifully warm climate which, combined with a rich and fertile soil, is ideally suited not only to olives, oranges and lemons but to a wide range of tender exotics. This has led to the creation of some fantastic villas, gardens, vineyards and lemon groves all doused in the ancient culture that surrounds the vibrant city of Naples itself.

The largest island in the Bay of Naples is Ischia and here we will visit La Mortella, a dazzling garden of lush exotics and tender trees, which was started by the composer William Walton. Umbrella pines, groves of ilex and arbutus, Italian cypresses and myrtles thrive here in glorious companionship. In Ravello on the Amalfi coast, we visit the Villa Rufolo, laid out on three terraces within a complex of early buildings. On the upper terrace umbrella pines and cypresses shade a wellhead while on a lower level classical geometric beds edged with box are filled with modern flowers. Nearby is the Villa Cimbrone, whose site on a cliff-top promontory overlooking the sea is beyond compare. Finally there is the opportunity to visit Pompeii, one of the most remarkable sites anywhere in the world, which offers a fascinating yet tragic glimpse into a distant past.

**Day 1** We depart from London to Naples. En route to our hotel we will visit the **Caserta Palace Gardens**, a UNESCO World Heritage Site and one of the most beautiful gardens in Europe. Designed by Luigi Vanvitelli in the 18th century, the gardens are a masterpiece of Baroque landscape architecture. The gardens are divided into two parts: the Italian Garden and the English Garden. The Italian Garden is a formal garden with fountains, sculptures and flowerbeds. The English Garden is a more natural garden with trees, lakes and meadows. One of the most iconic features of the gardens is

the fountain of Diana and Actaeon and the grand Cascade with its three tiers of fountain cascading down the slope. **We enjoy a guided tour here.** (D)

**Day 2** After breakfast we will travel by boat to the beautiful island of **Capri** which is only 6 kms in length and 2km in width, where we will have our first visit to the gardens of **Villa San Michele**. The Villa San Michele was built on the site of a Roman manor on the mountain face looking across towards Monte Tiberio and the bay. It houses the Swedish author Axel Munthe's collection of Roman sculpture, antique furniture and prints and is now the property

Villa Rufolo

of the Swedish State. The park is of great beauty and botanical interest and affords splendid views of the Gulf of Naples with Vesuvius and the Sorrento peninsula dominating the skyline. Our second visit will be to **Giardini di Augusto** with its fantastic panoramic view of the island's south side. The gardens belonged to the villa of Friedrich Alfred Krupp, son of the founder of the great German steelworks. Built on the ruins of the ancient Roman structures, the gardens were donated by Krupp to Capri. In a corner of the garden a statue of Lenin was erected to commemorate his stay on the island. (B, D)

**Day 3** After breakfast we transfer to the harbour in Naples and take a ferry to **Ischia**, the largest island in the Bay of Naples, to enjoy a visit to the gardens of **La Mortella**. The composer, Sir William Walton, came here with his wife Susana in 1956 who

then started the garden in the sloping gully before building the house in 1962. Russell Page, the garden designer, drew up a plan for the south-sloping valley, allowing the rocky ground to dictate the seemingly naturalistic planting style but imposing his own geometry – an axial line framing the distant peak of Mount Ipomeo. Here you will be dazzled by the array of rare and tender trees, palms, shrubs, ferns and bulbs. La Mortella is not only a garden of lush exotics, but simultaneously indigenous plants cling precariously to the steep terraced hillsides above. Umbrella pines, groves of ilex and arbutus, Italian cypresses and myrtles thrive here in glorious companionship. **A guided tour is included.** This afternoon there will be some free time to explore at leisure before we return by boat to Naples and to our hotel. (B, D)

**Day 4** This morning, after breakfast, we visit the gardens of **Villa Rufolo**, which commands picture perfect views over the Amalfi coast. This is one of the oldest surviving palaces in Italy dating from the 13th century – Wagner visited the villa in 1880 and was inspired to write part of his opera

Pompeii

Parisfal here. On the upper terrace umbrella pines and cypresses shade a wellhead while on a lower level classical geometric beds edged with box are filled with modern flowers. Tender plants which thrive in the mild climate are a feature of the lower terrace. In the afternoon we will visit the gardens of **Villa Cimbrone**, a 19th century Moorish/English hybrid by William Beckett, Lord Grimthorpe, who owned the property until 1900. The garden was designed on a cliff-top promontory with magnificent views of the Amalfi coast jutting out 106 metres above the Mediterranean. Trees, flowers and plants grow in profusion. A wisteria clad pergola stretches almost the full length of the central axis, while on either side there are imaginative themed gardens including a stretch of lawn decorated with statues, a sunken teahouse garden, a rose garden and a shady grove of umbrella pines and cypresses which descends down the steep slopes to the valleys below. (B, D)

**Day 5** After breakfast the day is at your leisure, alternatively why not join our optional excursion – **Sorrento Lemon, Olive Oil and Wine tasting tour** with lunch where we will experience some of the wonderfully produced local specialities. We take a walk among olive and lemon trees and visit both an ancient and a modern olive oil mill, before tasting a variety of different types of olive oils, jams, vinegar, limoncello and liqueurs – a truly tantalizing treat for the tastebuds. We also enjoy some wine tasting accompanied by a light lunch. (B, D)

**Day 6** Today, we are joined by a local expert guide for a day to explore the **archaeological wonders of Pompeii**, which was of course the town tragically drowned in lava following the

eruption of Mount Vesuvius in 79 AD. The town was buried under 23 feet of ash, which solidified with rain and time, preserving everything as if it was in a time capsule. Hidden for centuries, excavation work revealed an elegant resort with complete streets, beautiful villas and sculptures. Now almost four-fifths of the original city has been unearthed. (B, D)

**Day 7** After breakfast, we transfer to Naples airport for our return flight to London. (B)

**Inc. meals:** B: Breakfast, L: Lunch, D: Dinner

Gallipoli

## White Cities of Puglia

8 DAYS from £2,320 | TOUR MANAGER: Clive Warsop

✈️ DEPARTURE POINT: London

Puglia is the long strip of land that makes up the 'heel' of Italy. For centuries it was fought over and conquered by the major powers of the day, from the Greeks and Romans to the Turks and Spanish, all of whom have left their mark.

Today it remains a traditional and relatively undiscovered region, yet with fine architecture, attractive countryside and a relaxed culture that deserves to be better known. Among the more striking features are the cylindrical, whitewashed buildings with grey conical roofs known as trulli, which are often joined together in a random, organic manner. Elsewhere we will see imposing castles and ornate cathedrals, ancient archaeological sites and mysterious caves, and have a taste of the top-quality olive oil for which the region is famous for.

**Day 1** We depart from London to **Bari**. On arrival we transfer to our hotel accommodation, where a welcome dinner is included this evening. (D)

**Day 2** Today we will explore **Lecce**, a highly attractive town characterised by the warm pink of the local sandstone, so easy to work with that it fostered the rise of a local style (*barocco leccese*). Rather than the architects, it was the local stonemasons who left their mark on the city, crowding its buildings with ornate and intricate stonework: fanciful cherubs, monsters, flowers, fruits, beauties and beasts. We will meet our local guide at the hotel for a half day **guided walking**

**tour** of the city, during which we will see many of these fine buildings and visit one in particular, the **Basilica de Sante Croce**. The church has a richly decorated façade, with six smooth columns supporting an entablature with animals, grotesque figures and vegetables. The Basilica also boasts a large rose window. The main portal has a pair of Corinthian columns and the coats of arms of Philip III of Spain, Mary of Enghien and Walter VI of Brienne. (B, D)

**Day 3** This morning after breakfast we head to the 'Beautiful city' **Gallipoli** - a name this town certainly lives up to. We are joined by a local guide for a **walking tour** of the historic centre which is

Matera

surrounded by fortified walls and is accessed by a bridge. Here we can explore the narrow laneways home to local gastronomy businesses and craft shops. This afternoon we embark on a captivating tour of **Santa Maria di Leuca**, where the turquoise waters, dramatic cliffs, and charming coastal villages combine to create an enchanting Mediterranean experience. (B)

**Day 4** Today we visit "**La Cutura**" **Botanical Garden**, an old country estate built in the classic rural style of the late 19th century. Today the renowned botanical garden extends for 35 hectares and houses a rich collection of rare plants: succulents and tropicals. A paradise born of stone (*Cutura* - from "cute", a dialectal synonym of stone), unique in Italy, rich in flora, a place of knowledge and recreation, where pleasure and nature blend in perfect harmony, in a triumph of scents and colours. In the early afternoon we enjoy a peaceful walk

Alberobello

through the charming centre of **Otranto** with our local guide. We learn about the coastal town's history and take in the beautiful landscape surrounding Otranto. Later we enjoy a relaxed walk at **Orte bay and bauxite caves**. (B)

**Day 5** This morning, we leave Lecce and head to **Matera**, the Sassi town, famous for movies like "The Passion of Christ" and the James Bond film "No Time to Die". The UNESCO World Heritage-listed rock city of **Matera** stretches over a steep cliff. We have some free time to wander through the streets of the historic **Sasso Caveoso** neighbourhood to admire the churches and public squares and don't forget to snap some photos of the famous cave houses. Later this afternoon we head to our hotel in the town of **Alberobello**. (B, D)

**Day 6** Today after breakfast, we embark on a **guided tour of the town of Alberobello** to see some of the trullo houses, the cylindrical, whitewashed buildings with grey conical roofs, often joined together in a random, organic manner, that are unique to this part of Italy. In the Monti district there are 1030 trulli, which are among the oldest buildings, still preserving the original features of construction. Our local guide will explain the history and construction methods that have been used for countless generations. In the afternoon we leave for **Cisternino** to visit an **oil mill** learning the secrets of olive harvest, olive pressing and olive oil production. The experience ends with olive oil tasting in a very authentic Pugliese environment. Following this, we then head to **Castellana Caves** for a guided tour of the caves which are hidden beneath the sun-drenched landscapes of Puglia. The mesmerising **Castellana Caves** are a subterranean wonderland of awe-inspiring beauty

and geological marvels. Carved over millions of years by the forces of nature, these vast underground chambers and labyrinthine passages invite visitors on a journey into the heart of the Earth. Descending into the depths of the **Castellana Caves**, visitors are greeted by a world of stunning natural formations—stalactites, stalagmites, and delicate crystalline structures that shimmer in the soft glow of underground streams and cavernous chambers. (B)

**Day 7** Today we visit **Taranto**, one of the largest towns of Puglia, where we enjoy a guided walking tour. Taranto is famous for having 2 seas, the **Mar Piccolo** and **Mar Grande** which are separated by a revolving bridge. We visit the **Aragonese castle**, the Greek colony in the Ancient Village and the **New Town**. We visit the **National Archaeological Museum** where we can view one of the largest collections of artifacts from the **Magna Graecia**. Indeed, Taranto was one of the biggest cities of the Greek Empire dating back some 3500 years. (B)

**Day 8** After breakfast we leave Alberobello and head to **Bari**. We explore the city on foot with a local tour guide visiting the most beautiful spots and learn all the city's stories and secrets. Starting with a **walk around Bari's Old Town**, the tour introduces you to standout sights such as the **Basilica of St. Nicholas** with its sacred crypt, the **San Sabino Cathedral** and the beautiful squares facing the Adriatic Sea. A stop in the **orecchiette street** will make your day as we see the locals hand-crafting this regional pasta speciality. This afternoon we visit **Castello Svevo**. Perched majestically on the edge of the sparkling Adriatic Sea, it stands as a timeless sentinel, bearing witness to centuries of

history and intrigue. This imposing fortress, with its sturdy stone walls and formidable towers, commands attention and admiration from all who behold it. Later in the afternoon we transfer to the airport for our return flight to London.

**Majorelle**, which was made in the 1920s by the French painter Jacques Majorelle, with marble pools, raised pathways, banana trees, groves of bamboo, coconut palms and bougainvilleas. Later, we explore **Yves Saint Laurent Art and Design** for a brief visit before we drive to the expansive gardens of **M. Ben Chaabane**, a renowned garden designer. (B, D)

**Day 3** Our first visit today is to the tranquil **Menara Garden**, which has its origins in a 12th century orchard of palm, olive and fruit trees. We continue with a walk in **Arset Moulay Abdessalam** then on to **Jnane Harti**, known for its cactus and other exotic plants. Later, we explore one of the most sumptuous palaces of Marrakech, **Dar el Basha**. Later, we visit **Le Jardin Secret**, designed by Chelsea Gold Medal winner Tom Stuart-Smith, and the **artisan quarter**, before a guided walk on the square of **Jemaa El Fna**. (B, D)

**Day 4** We head into the **Atlas Mountains** to visit a **Saffron Plantation** and learn all about this ancient, expensive and almost mythical spice. Then, we travel to **Nectarome**, an aromatic garden located deep in the valley, for a guided tour. This afternoon we visit the contemporary gardens of **Anima**, created by an Austrian artist who skilfully combines plants and indigenous African art. (B, L)

**Day 5** After breakfast, enjoy some free time for some last-minute shopping and sightseeing before we transfer to Marrakech airport for our return flight to London. (B)

## Discover 'The Durrells' Corfu with Lee Durrell

5 DAYS from £1,720

DEPARTURE POINT: London

Explore the Greek island that inspired Gerald Durrell's hilarious accounts of a sun-kissed childhood with his eccentric family (and other animals), as well as ITV's *The Durrells*. During this tour, we meet naturalist and writer Lee Durrell, who will give a talk on her late husband Gerald's pioneering role in wildlife conservation and will accompany us over two days as we visit some of her family's favourite places in Corfu. We also enjoy a walking tour of historic Corfu town and a visit to the Achilleion Museum, which is filled with statues and other mementoes of its former royal owners.

**Day 1** We depart from London to **Corfu**. On arrival we will transfer to our luxurious home for the next four nights: the 5-star **Corfu Holiday Palace**, which has superb facilities including two swimming pools and a private beach. In the afternoon, we ease into our holiday with an optional guided walking tour through picturesque **Corfu Town**, taking in the Spianada Square and the 16th-century St Spyridon Church, one of the island's iconic sights. (D)

**Day 2** We start today with a visit to one of Corfu's must-see destinations, the **Achilleion Museum**, which is filled with statues and other mementoes of its former royal owners: Empress Elisabeth of Austria and Kaiser Wilhelm II of Germany. Along with our local guide, **Lee Durrell** will join us today and accompany us as we follow in the footsteps of the Durrells, first by taking a trip to **Pontikonisi**, or Mouse Island, a place that Gerald and his sister Margo both loved to visit, and where Gerald Durrell's ashes are scattered. This evening Lee will give a fascinating talk about the Durrell family's love affair with Corfu and its wildlife and tell the story of her and Gerald's pioneering work for the Durrell Wildlife Conservation Trust. (B, D)

**Day 3** We are joined once again by Lee as we visit some of the unforgettable locations from Gerald Durrell's childhood, his books and the TV series, beginning at the **White House** in Kalami, the beautiful building on the north-east coast of Corfu that was once the home of Lawrence Durrell,

Gerald's novelist brother. In the afternoon we continue to the **Lake of the Lillies**, where Lee will give a poignant reading from the chapter in which it features in *My Family and Other Animals*. We conclude today at the picturesque village of **Perithia**, the oldest on the island, dating back to the 14th century. We will enjoy **lunch** featuring local specialities in one of the tavernas and later meet a local bee keeper with an opportunity to buy some delicious wild honey. (B, L, D)

**Day 4** Today is free to discover more of Corfu at your leisure, or to relax and make use of the swimming pool, spa and private beach at our hotel. A regular bus service into Corfu Town picks up just outside the hotel. Local excursions and boat trips to other islands or over to Albania can also be arranged. (B, D)

**Day 5** After breakfast, we transfer to Corfu airport for our return flight to London. (B)

Lagoa do Fogo

## The Azores: its Gardens and Natural Wonders

10 DAYS from £2,595 | TOUR MANAGER: Sue Pomeroy

✈️ DEPARTURE POINT: London

The nine islands of the Azores archipelago are a thousand nautical miles from anywhere. They stand in the Atlantic Ocean at the very spot where the tectonic plates for Europe, Africa and North America meet. The islands, built from ancient volcanic eruptions, have lush green scenery, enchanting lakes, picturesque villages and overall a peaceful yet mysterious aura. While these are without question some of the most beautiful islands in the world, they remain an emerging destination.

There are some 800-plus species of plants to be found on the islands, although only 300 of them are endemic. Newcomers include flowering hydrangeas, especially abundant at this time of year, along with roses, agapanthus and cannas. These we will find on our visits to notable gardens, established in the 19th century, while in the countryside we will see hibiscus, tree ferns and rare endemic plants, along with bubbling thermal pools (used as natural cookers), dazzling blue and green lakes and mountain tops clothed in mist. We also offer the opportunity to take part in one of the Azores specialist pursuits – whale watching.

**Day 1** We depart from London to **Ponta Delgada**. On arrival, we transfer by comfortable coach to our hotel. (D)

**Day 2** Today we will have an **introductory tour, on foot, of Ponta Delgada**. We will pass churches and the flower filled municipal garden, near to the government building, with its Jacaranda tree. In the afternoon we will enjoy a tour of two of the notable gardens in the area, where endemic and exotic plants grow in wild profusion. Firstly, we will visit **Jardim José do Canto**, which was created by José do Canto, one of the most knowledgeable gardeners of his time. The garden is made up of

several thousand species of plants, all of which were imported from nurseries around the world such as London, Paris and Rio de Janeiro. José do Canto was a hard-working enthusiast who even had a list of species he did not want to grow in order to create his perfect garden! We will continue next door to the **gardens of the Presidential Palace**, otherwise known as Sant'Ana Palace. The palace, formerly the home of the Correia family, was designed by an English architect in 1846. Its pink washed walls contrast well with the avenue of dark leaved Trachycarpus. In the extensive gardens you can find native Azorean plants, interesting shrubs and a long allée of box trees. (B)

Ponta do Sossego

**Day 3** Today we will travel east to **Lagoa do Fogo**, the Fire Lake. Situated at the bottom of a steep crater this is the most recent volcanic crater on the island with the last eruption in June 1563. A ferocious glow could be seen from the central islands, almost 100 miles away, however today the lake stands silent and there is a narrow path leading down to the lake where many protected plant species can be seen. (B, D)

**Day 4** Today we continue our exploration of **Ponta Delgada**, with a visit to the market and the museum (formerly a monastery) with its little garden coloured with agapanthus, roses and gazanias. Later we will visit the **garden at the Ponta Delgada University campus** where there are many trees including a Phytolacca dioica from Uruguay, which has a table-like root formation. This afternoon we will travel to **Quinta Bom Jesus**, the former British Consulate in Pico da Pedra, where we will see a pineapple plantation. (B, D)

Nordeste on Sao Miguel Island

**Day 5** Today we depart to the west of the island and explore **Sete Cidades**, a tranquil village located on the shores of two lakes, Lagoa Azul (Blue Lake) and Lagoa Verde (Green Lake). The lakes take their name from mythology where it was believed a princess fell in love with a local shepherd. The King forbade them to marry but let her see the shepherd one last time to say goodbye. As they bid farewell, they shed so many tears that two lakes were formed – one blue lake from the eyes of the princess and one green lake from the eyes of the shepherd. We will continue to **Capelas**. The country roads to Capelas are very picturesque as the meadows are lined with hedges of blue agapanthus, pink rambler roses and scarlet and yellow cannas. (B, D)

**Day 6** Following breakfast, you have the day at leisure or alternatively join our optional excursion, a **whale-watching expedition**. The rich waters around the Azores attract a variety of different species of whale, and it is hoped we may see some during our expedition, the most common being sperm and pilot, beaked and false killer whales. (B)

**Day 7** Today, we depart for the village of **Furnas**, formerly a popular spa town in the 19th Century. Furnas, surrounded by high slopes from the crater, is one of the most picturesque images of São Miguel. Volcanic activity is still present in this town which is awash with small geysers, hot springs of bubbling water and mud and caldeiras, literally cauldrons. Hidden behind a small mountain ridge and above the village lies Lagoa das Furnas (Furnas Lake). The lake appears tranquil but underneath its surface the earth bubbles and boils. Further along at **Caldeiras das Furnas**, steam clouds can be seen from afar, rising from the hot springs. Nearby is another garden of José do Canto, known locally as **Mata Jardim**. This enchanting garden, which has

been asleep for many years, has a melancholy charm. Paths wander through a romantic woodland of palms and tree ferns like a New Zealand forest. While we are here we will enjoy a local speciality, **Cozido das Caldeiras**, a stew of beef, potatoes and vegetables cooked in the natural hot springs. We also explore the famous **Terra Nostra Garden**, now a 30-acre garden situated in the grounds of a hotel. Originally created in the late 18th Century by Thomas Hickling, the former American vice-consul to the Azores, the garden was later extended by the noble Praia family after Hickling's death in 1834. The garden has since been restored on several occasions and now has a fern garden, an abundance of trees and a formal flower garden with native Azorean species and the best arboretum in the Azores. (B, L)

**Day 8** Today we enjoy a full-day tour of the eastern part of the island – **Nordeste**. This is Portugal's outermost region, known for its scenic beauty featuring lush forests, waterfalls, panoramic viewpoints and steep sea cliffs green with native and exotic vegetation. We enjoy a spectacular drive along the east coast to pay a visit to **Ribeira dos Caldeirões park** renowned for its cascading waterfalls that flow through a verdant landscape of dense vegetation. (B)

**Day 9** Following breakfast, you have the day at leisure or alternatively join our optional excursion, a **Chef-led food tour of Ponta Delgada**. This tour offers a delightful culinary journey through the local flavours and traditions of the region. This tour promises a memorable and educational culinary adventure, allowing you to immerse yourself in the rich gastronomic heritage of the Azores. (B)

**Day 10** This morning following breakfast we check out of the hotel. We will then transfer to the airport for our flight back to London. (B)

**Inc. meals:** B: Breakfast, L: Lunch, D: Dinner

Monte Palace Gardens

## Gardens of Madeira

8 DAYS from £1,920

DEPARTURE POINT: London

Set in a bright blue sea, some 400 miles off the coast of Africa, lies the lush, volcanic Portuguese island of Madeira. Just 36 miles long and 14 miles wide, it is an island of outstanding natural beauty. Much of the island is assigned as a conservation area where rare flowers cover the island like a green mantle. Orchids, bougainvillea, lilies, hydrangeas, magnolias, jacarandas and azaleas bloom effortlessly throughout the year, and delight the eye at every turn. One of the best ways to explore the island is by following the footpaths alongside the "levadas" (small man-made irrigation canals), which wind their way around the island, and we have included a gentle half-day levada walk, with the opportunity to take further walks on your free days. Further highlights include the splendid Palheiro Gardens and the glorious Monte Palace Gardens, to name but two of Madeira's horticultural wonders.

**Day 1** We depart from London to **Funchal**. On arrival we transfer to our hotel, where a welcome dinner is included this evening. (D)

**Day 2** We begin our exploration of Madeira with a visit to the **Quinta da Boa Vista**, a historic former estate that is home to the best orchid collection on the island. In the afternoon we visit the **Botanical Gardens**, which boast more than 2,000 exotic plants. (B)

**Day 3** We visit the **Quinta do Palheiro** (formerly known as **Blandy Gardens**). Established over several generations, the gardens have something for everyone with green fingers. In the afternoon we will enjoy a gentle half-day walk on the footpaths alongside the "levadas" (small irrigation canals), which wind their way around the island. In the late afternoon we stop for tea and cake at the **Jasmine Tea House**. (B)

**Day 4** Today we visit the local market, the **Mercado dos Lavradores**, followed by the **Quinta Vigia**, a small garden which is part of the Presidential Palace, and the neighbouring **Santa Catarina Park**, set in a natural amphitheatre. We conclude at a tea house where we enjoy some Madeiran specialities. (B)

**Day 5** Today is at leisure to relax in the hotel or explore on your own. Alternatively join us on an **optional full day tour** of the island, with lunch. Highlights include the picturesque villages of **Camara de Lobos**, made famous by Sir Winston Churchill in 1950 when he painted here, **Porto Moniz**, famous for its natural bathing pools and lovely scenery, and **Ponta do Sol**, which as the name implies is the sunniest part of the island. (B)

**Day 6** We take the 10-minute cable car ride from the centre of Funchal to the fashionable hill town of Monte, which offers splendid views over the harbour and the bay. Here we visit the wonderful **Monte Palace Gardens** which surround the chateau-like Palace. In the afternoon we go to the famous **Reid's Palace Hotel** for a look around the lush gardens followed by a delicious afternoon tea in luxurious surroundings. (B, AT)

Monet's Garden

## The Genius of Monet

4 DAYS from £1,270

DEPARTURE POINT: London St Pancras International

Just as the gardens at Giverny inspired Monet, who spent half his life nurturing and enjoying them, so they continue to enthral countless visitors more than 90 years after his death. The lovingly restored gardens give a vivid impression of Monet's favourite subjects. Arched bridges, painted an acid apple green, are festooned with wisteria and the draped fronds of weeping willow frame the water lilies - Monet's paintings brought unnervingly to life. The perfect complement to Giverny is the Orangerie Museum in Paris. The centrepiece of this outstanding collection is Monet's breathtaking series of murals, **Les Nymphéas**. Housed in two vast elliptical rooms, the 2-metre-high murals extend to almost 200m in length and provide a moving and unforgettable testament to the genius of a painter at the height of his powers. Besides Giverny, we visit the **Château de Chantilly**, with its extensive collection of fine art and its gardens designed by Le Nôtre, and also the pleasant market town of Senlis.

**Day 1** We depart from London by Eurostar and upon arrival in **Paris** we are met by our comfortable coach. We travel to the charming town of **Chantilly**, in the heart of the Chantilly Forest, where our hotel is set in its own wooded grounds. All our bedrooms are in the original building. Later, we enjoy a welcome glass of kir before sitting down to dinner. (D)

**Day 2** This morning, we transfer to the **Château de Chantilly**, one of the jewels in the crown of France's cultural heritage, a magnificent edifice surrounded by water. Our visit includes the sumptuously decorated Grands Appartements, along with time to stroll around the extensive formal gardens, designed in part by André le Nôtre. Later we transfer to **Senlis**, a market town typical of Picardy, where we can explore the shops or enjoy some pâtisserie. (B, D)

**Day 3** The famous house and gardens of **Claude Monet** await discovery today, along with free time in **Giverny** where you can visit the church where Monet is buried. (B, D)

**Day 4** We travel to Paris today and visit the **Musée de l'Orangerie des Tuileries**. The highlights of its collection are Monet's two-metre-high murals, entitled **Les Nymphéas**. Thereafter, there is time to sightsee at leisure before we catch our Eurostar train back to London. (B)

Prague Castle

# History and Culture of the Czech Republic

9 DAYS from £2,320 | TOUR MANAGER: Clive Warsop

DEPARTURE POINT: London

This tour takes in the history, archaeology and natural wonders of the Czech Republic. We spend some time in the capital Prague discovering the UNESCO World Heritage Site – Prague Castle, the Starhov Monastery and the Wallenstein Palace and Garden. We also visit the picturesque Karlštejn Castle which sits atop a craggy valley and dominates the skyline for miles. We will also spend a morning touring the Moravia Karst, a protected area of natural and geological importance with more 1,100 caverns and gorges. We travel to the beautiful town of Kroměříž, site of the UNESCO-listed Kroměříž flower garden. Other highlights include Pernštejn Castle, one of the most beautiful castles of Moravia, the UNESCO-listed Renaissance Château in Litomyšl and a visit to Poděbrady Castle.

**Day 1** We depart this morning from London to Prague. On arrival we are met by our local coach before departing on an introductory tour of the city. We continue to the National Museum, a vast treasure trove of historical artefacts said to hold up to 14 million items before heading to our hotel where dinner is served in the evening. (D)

**Day 2** After breakfast, our first visit is to Strahov Monastery, an institution that has taken much pride in outlasting fires, the Hussite wars of religion, the Thirty Years' War and the rise of

Communism. We later visit Prague Castle, a UNESCO World Heritage site, remembered as the location of the second Defenestration of Prague, where the Protestant lords threw their Catholic adversaries out of the window, thus contributing to the beginning of the Thirty Years' War that engulfed most of Europe (c. 1618 – c. 1648). We continue to St. Vitus Cathedral. A masterpiece of Gothic architecture, the Cathedral also houses the tombs of many Bohemian Kings and the Holy Roman Emperors, Charles IV and Rudolf II. Our final visit is

Kroměříž flower garden

to Wallenstein Palace and Garden, the monumental palace of Albrecht of Wallenstein, General of the Habsburg armies, which was built in the 1630s as a rival to Prague Castle. (B, D)

**Day 3** Today, we will visit Karlštejn Castle. Built to store the royal treasures of Holy Roman Emperor Charles IV in the mid-1300s, this exceptionally vivid castle sits atop a craggy valley and dominates the skyline. In the afternoon, we travel to the town of Plzeň to enjoy some free time. (B)

Punkevní cave

**Day 4** After breakfast, we depart for Kutna Hora, a UNESCO-listed city. Known as the 'national treasury' for its wealth of silver mines, this prosperous city brought about a boom time for the Czech Kingdom until the silver dried up in the 18th century. The riches of the silver city can still be found in the sumptuous architecture of the urban dwellings as well as the Church of St Barbara, a jewel of the late Gothic period. We then transfer to the World Heritage Site Sedlec Ossuary, a fascinating Roman Catholic chapel for those with a taste for the macabre. The skeletons of between 40,000 to 70,000 people have been artistically arranged into furnishings, decorations and ornaments at the behest of the House of Schwarzenburg. Their family's coat of arms is bedecked with bones while the gigantic chandelier contains at least every bone of the human body and hangs from the centre of the nave with garlands of skulls draping the vault. In the afternoon we continue to Brno, where we will have free time to explore Moravia's cosmopolitan capital and the hometown of the great Czech composer, Leoš Janáček. (B, D)

**Day 5** We will spend the morning touring the Moravian Karst, a protected area of natural and geological importance with more 1,100 caverns and gorges. Here we visit Punkevní Cave and walk through mighty underground spaces and passages decorated with stalactites and stalagmites. This will be followed by a boat ride along the underground river Punkva and includes a visit to the Masaryk's Dome, one of the most beautiful caves of the Moravian Karst. In the afternoon, we visit the Moravian Museum, the Czech Republic's oldest museum. Founded in 1817 by imperial decree by František I in 1817, the museum is a haven for anthropologists, archaeologists, zoologists, botanists and musicologists. Highlights include permanent exhibitions on the pre-history of

Moravia, which display the social changes in Medieval Moravia and a memorial to Leoš Janáček (B, D)

**Day 6** Following breakfast we travel to the beautiful town of Kroměříž, site of the UNESCO-listed Kroměříž flower garden with its stunning intricate and formal Baroque style flower beds. We will have some time to explore the labyrinth of green walls, flora and fauna, fountains and sculptures. We continue to Olomouc, to view the Holy Trinity Column which UNESCO regard as 'one of the most exceptional examples of the apogee of central European Baroque artistic expression.' (B, D)

**Day 7** After breakfast we check out of the hotel and depart for a visit to Pernštejn Castle. One of the most beautiful castles of Moravia, it has been standing in the deep forests of the Moravian-Bohemian Highlands for eight centuries. Perched on a rocky hill and known as the 'marble castle', its towers and ramparts loom over the surrounding lush countryside. We continue to the hotel in Litomyšl. (B, D)

**Day 8** Following breakfast we visit the UNESCO-listed Renaissance Château in Litomyšl. The seat of the Perštejn dynasty, this is an immaculately preserved example of the arcade castle design developed in Renaissance Italy. It was built in the 1560s-1580s by Vratislav of Perštejn as a gift for his beloved wife, Maria Manrique de Lara. An intriguing feature of the château is the use of sgraffito on hundreds and hundreds of square metres of individual bricks in order to intricately decorate the exterior with various representations of myths and fables. We then depart for the town of Hradec Králové where we will stop for lunch (not included). Renowned as the 'Salon of the Republic', the town is permanently remembered as a centre of

modern architecture during the 1920s and 1930s. This afternoon we will continue to the spa town of Poděbrady, which sits on the banks of the River Elbe. We will visit Poděbrady Castle, founded in the first half of the 12th century as a strategic fortress on a limestone rock overlooking the river. Later we return to Prague and check in to our hotel. (B)

**Day 9** After breakfast we transfer to the airport for our flight back to London. (B)

## The Archaeology of Ancient Cyprus

8 DAYS from £1,920

DEPARTURE POINT: London

The Mediterranean Island of Cyprus has a rich Prehistoric, Classical and Medieval past. In recent years research has shown that the earliest occupation of the island dates back over 10,000 years, and over these millennia the Cypriot people have developed their own distinctive artefacts, buildings, art and culture. At this time of year, Cyprus lends itself perfectly as an escape from the cooler weather at home, while providing the opportunity to explore the sites in the comfort of mild spring weather rather than the heat of the summer.

Among the highlights are three UNESCO World Heritage sites, Khirokitia and the Archaeological Park and Tomb of the Kings at Paphos, along with a host of other fascinating sites, including the very spot where the newborn goddess Aphrodite came ashore in her shell, a popular subject for classical painters.

**Day 1** We depart from London to Cyprus. (D)

**Day 2** After breakfast, we depart for **Khirokitia**, a UNESCO World Heritage site. This well-preserved Neolithic walled village is home to over 60 stone round houses. ## Gardens of Honshu and Hokkaido

14 DAYS from £7,345 | TOUR MANAGER: Colin Crosbie

DEPARTURE POINT: London

It's time once again to expand our horizons in the land of the rising sun and explore more of this fascinating country. Hokkaido, the mountainous, arrowhead-shaped northern island, seems like the perfect place to start. We get the impression that it is such a beautiful place that the Japanese would really rather keep it a secret. Nevertheless, we can expect the usual warm welcome from our hosts, many of whom still find westerners highly intriguing! Compared to our regular garden holiday, this tour takes us deeper into Japan, both in terms of the countryside and the culture. This holiday should appeal both to those who have been with us to Japan before and want to discover more, and to those who want to explore a beguiling region of mountains, lakes and thermal springs, interwoven with a unique cultural experience.

We begin in Honshu, the largest of the four main islands that comprise Japan, with two nights in Tokyo. This is one of the most modern cities in the world, yet offers surprises at every turn – where else can you find ancient temples and exquisite gardens, surrounded by skyscrapers? We then visit two of the top three landscape gardens in Japan as we visit Kairakuen Garden in Mito and then take the Bullet Train to Kanazawa in the west to visit Kenrokuen Garden. A visit to the stunning wisteria gardens at Ashikaga is included en route to Tokyo from where we fly north to Hokkaido. On the eastern side of the island our exploration includes the Shiretoko Peninsula, a pristine wilderness typified by lush virgin forest, waterfalls and thermal springs; the strange, withered trees of Todowara Woods and the Notsuke Peninsula, home to a diverse range of birdlife. We then transfer to western Hokkaido and our base in Sapporo, from where we explore further gardens and the natural wonders of the Shikotsu Toya National Park.

**Day 1** Enjoy access to the airport Executive lounge before we depart on an overnight flight from London to Tokyo. (IF)

**Day 2** On arrival, we transfer to our hotel in the centre of Tokyo.

**Day 3** We depart by coach this morning for Mito, the capital of the Ibaraki Prefecture, where we find Kairakuen, ranked among Japan's three finest landscape gardens. In addition to its famous plum trees, of which there are more than three thousand, Kairakuen also features a bamboo grove, cedar woods and a traditional building used in tea ceremonies. We return by coach to our hotel. (B)

**Day 4** This morning we enjoy one of the unique experiences of a trip to Japan as we take the Bullet Train to Kanazawa, where we visit Kenrokuen, another of the top three landscape gardens. The name "having six factors", represents the attributes which bring out the garden's stunning beauty: spaciousness, tranquillity, artifice, antiquity, water sources and magnificent views. Following our

Kenrokuen

visit we take a stroll around Higashi Chaya, the Geisha District of Kanazawa, with restored teahouses and taverns reminiscent of bygone Japan. We continue to our hotel for an overnight stay. (B)

**Day 5** Depart by Bullet Train for Takasaki in Japan's eastern Kantō region, where we visit the Ashikaga Flower Park, famed for its spectacular Wisteria Festival, which will be taking place at this time. Following our visit here we transfer by coach to Tokyo. (B)

**Day 6** Today we fly to Memanbetsu in Hokkaido. On arrival we travel the short distance to our comfortable, western-style hotel in Abashiri, stopping on the way at the observation point at Mt Tentozan, which affords panoramic views over Abashiri and the Okhotsk Sea beyond. (B, D)

**Day 7** We begin our exploration of the unspoilt natural wonders of eastern Hokkaido today by touring the area around Lake Saroma, which is the largest lake in Hokkaido. A visit is included to the Lake Saroma Wakka Nature centre, which gives background information on the flora and fauna of the area. We will also visit the Wakka Gensei Kaen 'Natural Garden', an area of natural grassland that sits between Lake Saroma and the sea, home to a huge variety of wildflowers, forests, meadows and wetlands. We return to our hotel in Abashiri in the afternoon. (B, D)

**Day 8** Leaving our hotel in Abashiri, we will tour the Shiretoko Peninsula, an area of untouched primeval forest, lakes and mountains, protected as a National Park. Included are visits to the Shiretoko Nature Centre, Furepe Falls and Shiretoko Five Lakes. It takes about an hour to walk round the five lakes. Following our visit here we will continue to our comfortable hotel by Lake Kussharo. (B, D)

Sapporo

**Day 9** We depart today on a full day excursion to the Notsuke Peninsula, whose shape is said to resemble a shrimp's bent back and has been formed by sea currents moving the sand and earth that has been flushed out of the Shibetsu-gawa River. It is accessed by the Flower Road, named for the profusion of wild flowers that grow here in the summer months. We will also see the woods of withered trees known as Todowara (fir straw) Woods, the result of fir trees which were washed by seawater until they withered. We later visit the Notsuke Peninsula Nature Centre, long established as a rest house, which provides background information. (B, D)

**Day 10** After breakfast we will transfer to Kushiro Airport, with a visit en route to Lake Mashu, and depart on an early afternoon flight to Sapporo, where on arrival we will have an introductory sightseeing tour of the city and visits to Nijo Market and Sapporo Beer Museum. (B)

**Day 11** A day among spectacular volcanic lakeland scenery in the Shikotsu-Toya National Park begins with a boat cruise on Lake Shikotsu, a caldera lake formed over 30,000 years ago by volcanic activity. Lake Okotanape by contrast is relatively small, and was formed when the lava flow of Mt Eniwa-dake dammed the Okotanape River. We continue to Jozankei for another uniquely Japanese experience as we visit the Onsen, the naturally occurring hot springs used for bathing and relaxation. We also visit the Iwato Kannondo, a 120m long cave in which have been placed 33 different statues of Kannon, the goddess of mercy. (B)

**Day 12** We will spend today touring Sapporo, including Odori Park, a flower-filled oasis which extends for 1500m through the city centre; the Hokkaido University Botanic Garden, which retains sections of virgin forest and contains some 4,000 varieties of plants collected from all over Hokkaido; and Yurigahara Park. We continue to Otaru, the Venice of Japan, to see the Otaru Canal, constructed in 1923 and now a popular photo-stop with its stone-built warehouses lining the canal side. On our return to the hotel we will have some time in

the Sakaimachi Shopping Street, an opportunity perhaps for some final souvenir shopping. (B)

**Day 13** Sadly our tour ends today and after checking out of the hotel we transfer to Sapporo Airport for our onward connecting flight back to London. (B, IF)

**Day 14** We arrive in London.

## Brazil's Gardens and Natural Wonders

17 DAYS from £9,795 | TOUR MANAGER: Trevor Edwards

DEPARTURE POINT: London

"I had just returned from my Piranha fishing excursion to find two yellow frogs in my bathroom" exclaimed a passenger on our first tour - such is the excitement of Brazil! The tour opens in Rio de Janeiro with a cruise round the calm waters of Guanabara Bay on a Brazilian schooner followed in the next few days by a cable car ride up Sugar Loaf Mountain and a train ride to the Christ the Redeemer statue — talk about sensory overload!

We will also, however, venture off the well-worn tourist trail of Rio, with a guided visit to the garden and former home of Roberto Burle Marx, one of the most important landscape architects of the 20th century, as well as the botanical garden and an outstanding National Park, with native species of the Atlantic Rainforest in a stunning natural setting.

After five nights in Rio we travel along the coast to Paraty, once the main port for shipping gold to Portugal and now a charming and well-preserved colonial town. Two full days of touring here gives us the opportunity to visit further gardens and sites of botanical interest. From Rio we fly on to Iguazu and our hotel adjacent to the awesome waterfalls, seven times the size of Niagara. An excursion into neighbouring Argentina is included here as we view the falls from every possible angle.

For a thrilling conclusion of our tour we travel into the interior to explore the Pantanal, the world's largest continuous wetland area. From our base at the comfortable Caiman Lodge we will have an in-depth tour of the region and its diverse natural inhabitants, from trees and flora to an astonishing profusion of birds and aquatic wildlife.

**Day 1** Enjoy access to the airport Executive lounge before we depart from London for Brazil. (IF)

Untermyer Gardens

## Gardens of the Hudson Valley

9 DAYS from £4,145 | TOUR MANAGER: Trevor Edwards

DEPARTURE POINT: London

Prepare to be immersed and inspired as we explore the very best gardens of the Hudson Valley. This corner of America is rife with examples of horticultural mastery that offer interest in every season. We visit in the lushness of summer where the long days and balmy weather combine and allow for meditative strolls and peaceful reflection surrounded by colourful wildflowers and spectacular views. During our floriculture foray some highlights include the traditional walled Italianate Garden of Blithewood, the sprawling 165-acre Innsfree Garden designed by the landscape architect Lester Collins and the garden at Bellefield Mansion designed by the master gardener Beatrix Farrand. We also visit the Locust Grove estate which is perched on a hill with sweeping views overlooking the Hudson River and the smaller but perfectly formed Stonecrop Gardens home to a water garden, woodlands, rock garden and English-style flower garden.

**Day 1** Enjoy access to the airport Executive lounge before we depart from London to New York. On arrival, we will transfer to our hotel. (IF)

**Day 2** After breakfast, we visit **Kykuit** garden which was begun by the oil billionaire John D. Rockefeller and served as a Rockefeller family summer retreat from 1913 to 1991. Kykuit (pronounced 'cake-8') means 'lookout' in Dutch and it has fine views over the magnificent scenery of the Hudson Valley. A host of attractive features includes terraces, a semi-circular rose garden, fountains, a Japanese Garden and an Italian loggia. Here we enjoy the **classic estate tour**. This afternoon, we

visit **Untermyer Gardens**. In 1899 Samuel Untermyer purchased Greystone and in the forty-one years he owned the property he transformed the gardens and greenhouses into some of the most celebrated gardens in America. The gardens are now managed by the Untermyer Gardens Conservancy, a non-profit making organisation. The Indo-Persian Walled Garden is divided into quadrants by waterways and bordered by crenellated walls anchored by octagonal towers; the Vista was modelled on a similar series of descending stairs at the Villa D'Este in Italy and here they cascade towards the Hudson River. We have a private tour of the gardens included. (B)

**Day 3** This morning we visit **Stonecrop**. At just 12 acres, it might seem at first like a little gem, but it's really a vault full of jewels. Surrounding a country manor house built in 1958 are thickets of blooms: *Salvia uliginosa*, *Ruta graveolens*, *Tweedia caerulea* and dozens more. Stonecrop changes dramatically as you walk from one area to the next. One minute a bamboo grove so thick you have to hold back the branches; the next a rocky ledge amid tiny alpine blossoms of brilliant red, purple and pink. A guided tour is included here. Our final visit of the day is to **Locust Grove Estate**. First purchased in 1895 by William and Martha Young, they soon began adding onto the property, and now Locust Grove has nearly 200 acres of grounds and formal gardens, including a historically accurate cutting garden and a kitchen garden for fruits and vegetables. Here we enjoy a tour of the house and gardens. (B)

**Day 4** This morning after breakfast we depart for our first visit of the day which is **Vanderbilt Mansion** where we have a guided tour included. One of several homes owned by the renowned Frederick William Vanderbilt, the 54-room mansion was constructed in the late 19th century and is an

Vanderbilt Mansion garden

example of Beaux-Arts style. Situated overlooking the Hudson River, the surrounding grounds include manicured lawns, formal gardens and woodlands. Next, we have a treat in store as we visit the **Culinary Institute of America's** campus in Hyde Park, where we will enjoy a tour followed by lunch. Afterwards, we visit **Bellefield** which was designed in 1912 by Beatrix Farrand, a renowned landscape architect who pioneered the concept of "garden rooms" with their own feel. Bellefield has three such garden rooms, which stretch from the house's terrace to an arched doorway, with a velvety green lawn down the middle that narrows twice, elongating the space. (B, L)

**Day 5** This morning we visit **Blithewood Garden**, a classic example of a walled Italianate Garden. Perched on a sloping bluff above the Hudson River, Blithewood Gardens sprawls over a 45-acre section of the Bard College campus with the awe-inspiring Catskills mountains as its backdrop. Here we enjoy a tour of the gardens. Later, we return to the hotel where the afternoon is at leisure. (B)

**Day 6** This morning following breakfast, we tour **Innsfree Garden**, a sprawling 165-acre garden designed by the landscape artist Lester Collins. The garden combines mid-century

modernist and romantic principle with traditional Chinese and Japan garden design and include rock, water, and wood features. We then visit **Wildflower Island**, a two-acre island refuge home to more than 250 species of wildflowers, trees, ferns, and grasses. (B)

**Day 7** We visit **Lyndhurst**, a Gothic Revival home originally designed by the America architect Alexander Jackson Davis in 1838. Despite the house's imposing size and looming towers, there is a real family home feel to the estate. During the mid 19th-century the Master Gardener Ferdinand Mangold revitalized the parklands bringing the latest trends from European royal estate to Lyndhurst. Afternoon is at leisure. (B)

**Day 8** Today we visit the gardens of **Wave Hill** in the Bronx which enjoys fabulous views over the River Hudson. After a period of decline in the 1960s the garden was transformed into a vibrant horticultural experience, with a flower garden filled with many unusual plants at its heart. There is also a herb garden, an aquatic garden, dry and wild gardens, an alpine house and conservatory, but it is the view over the river that may provide the lasting memory of our time here in New York and the Hudson Valley. We will then head to the the **New York Botanical Garden** for a guided tour. Established in 1891, the 250-acre garden, the largest

in any city in the USA, is a National Historic Landmark and comprises 50 speciality gardens and collections which are home to over one million plants. Highlights include the Peggy Rockefeller Rose Garden, the Native Plant Garden and 30,000 distinguished trees some of which are over 200-year-old. We later transfer to the airport for our return overnight flight to London. (B, IF)

**Day 9** We arrive in London.

Yosemite National Park

## California – In the footsteps of John Muir

15 DAYS from £6,845 | TOUR MANAGER: Mike Nelhams

 DEPARTURE POINT: London

California is a paradise on the Pacific, a place of mythic proportions blessed with an intoxicating climate. Its monumental landscapes, including ocean, mountains, mighty redwood forests and barren sweeps of deserts all fill the senses. Our unique horticultural tour starts in the San Francisco district, moves to Yosemite, comes back to Monterey and follows the coastal route down to Santa Barbara.

Of course we are only scratching the surface of the Golden State, however what we have included on our full itinerary will stay with you forever. With its breathtaking landscapes, diverse climates and rich plant life, California contains some of the most exciting and stunning landscapes in the world. We have a combination of famous botanical gardens such as those of Berkeley University, Santa Barbara, Strybing and Huntington, one of the most famous gardens in North America. We also visit private gardens such as Filoli with its beautifully preserved Georgian revival house and Lotusland, for many the outstanding garden of this tour.

All these man-made features will be dwarfed in comparison with the redwood forests and the National Park of Yosemite. In 1868 the young Scotsman John Muir ventured through California's wild landscape and was so entranced by the beauty of the place that his enthusiasm to conserve it for eternity eventually led to the formation of America's network of National Parks. We also visit the Channel Islands National Park, five remarkable, uninhabited islands with a wealth of natural and cultural resources which afford a glimpse of southern California as it once was.

Our tour is led by the Curator of Tresco's Abbey Gardens and expert horticulturalist Mike Nelhams, who rates the Pacific coast of California as one of his favourite destinations in the world.

**Day 1** Enjoy access to the airport executive lounge before we depart from London to San Francisco. Upon arrival in **San Francisco**, we will be met by our coach and transferred to our hotel. The remainder of the day is free to explore and relax after our journey. *(IF)*

**Day 10** This morning we explore **Monterey Bay**, which has an abundance of sea life such as sea otters and sea lions. Heading south, we will visit **Hearst Castle**, which is now a State Monument giving glimpses into the Hearst's opulent lifestyle. Continue to our hotel in **Santa Barbara**. *(B)*

**Day 11** This morning we depart for Ventura Harbor, 30 miles south of Santa Barbara, the starting point for our boat trip to the **Channel Islands National Park**. ## Gardens of Saint Lucia

9 DAYS from £4.045 | TOUR MANAGER: David Hurrion

 DEPARTURE POINT: London

When travelling to the Caribbean you expect sun, sea and beautiful beaches, and while we can promise all of that, this bespoke tour of Saint Lucia takes us much further. Saint Lucia is unique in its natural splendour partially due to its volcanic origin. The soil, rich in minerals, coupled with the equatorial climate, makes it the perfect place for lush vegetation, where all manner of tropical plants flourish. We not only explore some of the island's most notable gardens including the Diamond Botanical Gardens and Marantha Prayer Garden but we also visit one of the island's most famous sustainable farms, the Rabot Estate, where we learn about cocoa growing and processing and craft our very own chocolates.

A melting pot of cultures with influences from the Arawak and Carib Indians, then later colonial influences from the French, English and Dutch means today's Saint Lucia has flourished into a truly wonderful place to explore.

## Gardens of Mauritius

12 DAYS from £4,045 | TOUR MANAGER: Sue Pomeroy

 DEPARTURE POINT: London

The Indian Ocean island of Mauritius is only the size of the county of Surrey, yet it is blessed with a rich and diverse flora and fauna, and is home to some of the rarest plants and creatures in the world. Caressed by a benign climate and light but regular rainfall, virgin forests and coastal lands provide ideal habitats for myriad species, many of them unique to the island – of the 1,000 or so plants indigenous to Mauritius, about 300 are totally unique. Our exploration will reveal trees that will be the last of their kind in existence, giant waterlilies, and colourful Cannas and Heliconias. We will witness outstanding conservation work with almost extinct plants and animals and there will also be plenty of time to enjoy the facilities of our resort hotel, the white sandy beaches and turquoise waters, and soak up the local culture, with its unique combination of European, Indian and African influences.

In the afternoon we visit the **Domaine de Saint Aubin**, a colonial house from 1819, which offers a number of different visitor experiences. You can also explore the Botanical Garden which houses one of just two *Chorisia* (silk floss trees) in Mauritius and a Spice Garden. (B, D)

Seven Coloured Earths

**Day 4** After breakfast, we head to Morcellement St André on north coast where we visit a **large greenhouse** filled with plants and flowers and meet the owner. Afterwards, we travel to the capital **Port Louis**, where we visit the colourful **market** and the **Blue Penny Museum**, which is wholly devoted to Mauritius. The museum collection includes the 1847 Blue and Red Penny stamps, which are amongst the rarest and most sought after stamps in the world. Later we have a visit to **Caudan Waterfront** including the local handicraft market. (B, D)

**Day 5** We depart on an excursion to the **Black River Gorges National Park**. This beautiful highland area south-west of Curepipe is like no other part of the island and looks more like North America than an island in the Indian Ocean. Look out for the rare tambalacoque or dodo tree, black ebony trees and the exotic birds that perch in them. We also visit the **Plaine Champagne** and the **Grand Bassin** and our day concludes at the **Seven Coloured Earths**, a rare geological oddity created by volcanic activity which brought together a number of different minerals and elements. (B, D)

**Day 7** Free day to relax and enjoy the facilities of the hotel or explore the surrounding area at your leisure. (B, D)

# Booking terms & conditions

## Your package holiday booking is with

**Brightwater Holidays, Eden Park House, Cupar, Fife, Scotland KY15 4HS.**

**Telephone: 01334 766 129**

These Booking Conditions set out the terms on which you contract with us and this contract is made on the terms of these booking conditions, which are governed by Scottish Law, and the jurisdiction of the Scottish Courts. If you reside in England or Northern Ireland you may choose the applicable law and jurisdiction if you wish to do so.

In these booking conditions, “you” and “your” includes all persons named on the booking (*including anyone who is added or substituted at a later date*). “We”, “us” and “our” means Brightwater Holidays. Brightwater Holidays is a subsidiary of Specialist Tours Limited (*company number 08395250*). Except where otherwise stated, these booking conditions only apply to holiday arrangements which you book with us and which we agree to make, provide, or perform (*as applicable*) as part of our contract with you. All references in these booking conditions to “holiday”, “booking”, “contract” or “arrangements” mean such holiday arrangements unless otherwise stated.

## KEY POINTS

You enter into a booking with us when we issue our booking confirmation/invoice. If you then cancel, there will be cancellation charges. Initially as a minimum this may only be a deposit but can go up to 100%. In certain circumstances you may be able to make changes to your booking however charges will apply. We can change and cancel your booking. We'll pay you compensation in certain circumstances. It is a condition of booking that all travellers are covered by comprehensive travel insurance. We are responsible to you for providing your holiday but there are legal limits.

BRIGHTWATER HOLIDAYS holds ATOL number 4498 issued by the Civil Aviation Authority. For all other packages, The Association of Bonded Travel Organisers Trust Limited (ABTOT) provides financial protection under The Package Travel and Linked Travel Arrangements Regulations 2018.

## 1. BOOKING

All information provided in the brochure/website is, to the best of our knowledge or belief, correct at the time of publication. We will advise you of any changes that are fundamental to the contract, or which we believe will affect your enjoyment of the holiday. Please advise us if there is any requirement, which you believe is fundamental to your holiday so that we can give you the latest information at the time of booking.

When you ask us to proceed with a booking you will be required to make a (minimum) deposit payment which will vary dependent on the specific holiday you are booking. This will be advised at the time of booking and confirmed in your booking confirmation. It may also be necessary to collect payment at the time of booking for other (non-refundable) costs e.g. flight tickets, transfers etc. In the case of bookings made after the balance due date, we will require full payment for the holiday.

You must be at least 18 years old to make a booking and you guarantee that you have the authority to accept, and do accept, these terms and conditions for all members of the party (including anyone who is added or substituted at a later date), and in particular payment for all the persons on the booking. We reserve the right in our absolute discretion to refuse to accept any booking without necessarily specifying a reason.

A contract is made when we accept your booking and issue our written booking confirmation/invoice. If we cannot accept or confirm the booking, any money paid will be promptly refunded. On receipt of the booking confirmation/invoice it is important to check the details and if there is any inaccuracy this must be notified to us immediately. It may not be possible to make changes or corrections later, or additional costs may be incurred which we will have to pass on to you.

Many of our holidays are based on specially negotiated airfares booked in a specific airline booking class. At the time of booking if these fares are not available, we will endeavour to secure an alternative air fare and advise you of any additional cost. Please note that most special air fares are non-refundable and non-changeable.

## 2. PAYMENT

We hold your deposit (and any additional payment required at the time of booking) towards the full cost of the holiday. The balance must be received by us no later than the final payment due date shown on your booking confirmation/

invoice, as appropriate to your holiday. If you do not pay the full cost within the time specified, we may treat your holiday as cancelled by you in which case the cancellation charges shown in point 4 - Cancellation by You, will apply.

### Deposit Payments (per person):

**UK guests** - £175pp for holidays without flights, £350pp for UK/Europe holidays with flights, 15% for long-haul holidays. Deposit for Lord of the Glens cruises is 35% of the total price.

**US guests** - \$175 for holidays without flights, \$350 for UK/ Europe holidays with flights, 15% for long haul holidays Deposit for Lord of the Glens cruises is 35% of the total price. You must pay the balance in full as follows (unless otherwise stipulated) :

**Final Balance payment:** 14 weeks prior to tour departure date (20 weeks for cruises).

*If we are booking bespoke flight arrangements for you or deviating from the group flights, we will charge you any difference in cost and payment will be taken in full when the flights are booked.*

**Ways to Pay** - we accept payment by Visa, MasterCard, cheque (GBP ONLY), or bank transfer for which no levy is charged by us. Your bank or credit card provider may charge an additional financial processing charge and we cannot be responsible for any such charges.

Please Note: if you are paying from an overseas bank account, you must accept all bank charges incurred by us. A surcharge of 2.5% will be applied for card payments made with cards registered outside the EEA and USA.

## 3. YOUR HOLIDAY PRICE

a) Prior to booking you will receive a verbal quote based on your specific holiday requirements and travel dates.

b) We reserve the right to notify you of any alteration in the advertised or quoted price and any changes in holiday arrangements before accepting your booking.

**Note:** We make every effort to ensure that the most up to date and correct prices are shown on our website, but we reserve the right to correct pricing errors at any time. The price you pay at the time of booking is the price we guarantee. Prices can go up when demand is so high, so we recommend you book early to avoid disappointment. Alternatively, you may amend your booking or select an alternative holiday at the applicable and correct price.

c) Subject to these conditions, once we have confirmed your booking, the price is fully guaranteed and will not be subject to any additional ‘surcharges’, which means any increase due to changes in the price of the carriage of passengers resulting from changes to the cost of fuel or other power sources, the level of taxes or fees imposed by third parties, including tourist taxes, landing taxes or embarkation or disembarkation fees at port and airports or exchange rates.

d) Prices in our brochures and/or on our website are calculated on rates of exchange linked to those available to us; either based on rates previously secured or our view of currency exchange rates applicable at the time payments are due.

## Single, Double, Twin Bedded Rooms

Single supplements are payable for sole occupancy of a room. A single room does not guarantee the provision of a double or twin room, and in some instances may be smaller. A ‘double’ bed is often two single beds pushed together, sometimes with double bed base linen (although it is not unusual for single duvets to be provided in some hotels for doubles).

## 4. CANCELLATION & VARIATION BY YOU

### Cancellation by You

If you or any member of your party wish to cancel your holiday, or if you fail to pay the full cost of the holiday within the specified time you will be liable, as a minimum, to pay the charges detailed below up to the point of cancellation, in addition to any non-refundable items<sup>o</sup>. Or in the case of failure to pay, at the date that we deem your booking to have been cancelled. Notification from the person who made the booking must be received at our offices. This can be by phone, or in writing, either by email or letter. The cancellation charge will be calculated according to the date this is received, or the date upon which your cancellation is treated as occurring because of non-payment.

*<sup>o</sup>Non-refundable holiday costs charged including upgraded air tickets, hotel upgrades, extensions, extra nights, transfers etc., will be charged at 100% and the charges shown below will then apply to the remainder of the holiday cost and any amendment charges are not refundable. Additional accommodation costs for reduced occupancy or other components, may be payable in the event that one or more passengers cancels but where remaining passengers still wish to travel.*

**Group Bookings** - cancellation charges will apply to any guests in the group who may wish to cancel in the unlikely event of cancellation by the lead passenger.

**Note:** If your cancellation falls within the provisions of your travel insurance policy you may be able to make a claim which must be made direct to your insurance company.

### Cancellation Charges - if you cancel your holiday

**Up to 98 days:** deposit and any invoiced flight or hotel costs | **97-84 days:** 15% and any invoiced flight or hotel costs | **83-64 days:** 35% and any invoiced flight or hotel costs | **63-46 days:** 55% and any invoiced flight or hotel costs | **45-31 days:** 75% and any invoiced flight or hotel costs | **From 30 days to departure:** 100% and any invoiced flight or hotel costs.

### Lord of the Glens:

**Up to 6 months:** deposit and any invoiced flight or hotel costs | **6 months-0 days:** 100% and any invoiced flight or hotel costs.

We will observe travel advice provided by the UK Foreign & Commonwealth Office. Should circumstances dictate, you can cancel your booking without paying cancellation charges if the performance of your holiday, or the carriage of passengers to your destination, is significantly affected by unavoidable and extraordinary circumstances. In such circumstances, we will arrange for your booking to be cancelled and for you to receive a full refund.

### Variation by You

**Booking alterations:** If, after our booking confirmation/invoice has been issued, you wish to change your travel arrangements in any way, for example your chosen departure date or accommodation, we will do our utmost to make these changes (subject to agreement by our suppliers) but it may not always be possible. Any request for changes to be made must be received at our offices. This can be by phone, or in writing, either by email or letter from the person who made the booking. You will be asked to pay an administration charge starting from £75 per person in addition to any associated costs of the changes imposed by our suppliers and any extra arrangements, these costs are non-refundable. Quotes normally have a 24-hour time frame before they expire, and the price is therefore subject to change. You should be aware that these costs could increase as the departure date becomes closer and you should contact us as soon as possible. Additional fees may be charged, depending on the cost and work caused to us by the requested change.

**Booking transfer to another person:** You can transfer your existing booking to another person suggested by you (subject to agreement by our suppliers)<sup>o</sup>. Notice be made must be received at our offices, this can be by phone, or in writing, either by email or letter from the person who made the booking at least 25 days before departure. The replacement traveller must satisfy and fulfil any conditions that apply to the holiday, and all costs of the original booking. Both you and the new traveller are responsible

for paying all costs we incur before the transfer can be made by us. The cost of the transfer will consist of both an administration charge of £75 and any costs which our suppliers impose<sup>o</sup>.

**Note:** Certain travel arrangements may not be transferable after a reservation has been made, for example, some airlines may require payment of 100% cancellation charges and the cost of a new ticket for ANY variation that is made, and changes to other arrangements may incur a cancellation charge of up to 100%.

<sup>\*</sup> If you are unable to travel, you may wish to check whether cover is provided for your cancellation within the terms of your travel insurance policy as this may incur less cost to you.

**Booking transfer to an alternative holiday:** It may be possible at our discretion for you to transfer to another holiday; however this is subject to availability and time frame of departure. You must transfer within 7 days of notifying Brightwater Holidays and the new departure must be within 1 year of notification. Any price difference between what you paid for your original tour and the price of the new tour will be payable. An administration fee of £75 per person applies to any transfer up to 14 weeks prior to departure. Less than 14 weeks prior to departure and full cancellation fee will apply.

**While on holiday:** If you decide to cut short your holiday for your own reasons, or not stay at accommodation that has been booked for you, take any pre-booked meals, excursions, or other holiday components, then we are unable to offer you any refund or cover any costs. Depending on the circumstances, your travel insurance may offer cover for such curtailment, so we suggest that you check the conditions and requirements of your policy.

## 5. CANCELLATION & VARIATION BY US

We start planning the holidays we offer many months in advance. Occasionally, we have to make changes to and correct errors and other details both before and after bookings have been confirmed or cancel confirmed bookings, events or activities. Holidays to remote and in some cases, underdeveloped parts of the world carry the risk that parts of the holiday may be subject to alterations beyond our control, sometimes at short notice. While we always endeavour to avoid changes and cancellations, we must reserve the right to do so.

### Cancellation by Us:

We reserve the right to cancel your booking. Whilst we will endeavour not to cancel your confirmed booking after the final ‘balance due’ payment date, we may need to do so if, through late cancellations or other factors, the tour falls below its minimum number of participants (see below); additionally, as a result of unavoidable and extraordinary circumstances (see point 6) or failure by you to pay the final balance of your holiday.

**Minimum Numbers** - some of our holidays require a minimum number of participants to enable us to operate them. If the minimum number of bookings required for a particular holiday or flight have not been received, we are entitled to cancel it even after the final ‘balance due’ payment date. Please note that in such cases we are not able to accept responsibility for any costs you may have incurred, including costs of other travel arrangements made in association with the cancelled holiday, unless booked through Brightwater Holidays.

We are happy to give you an indication at any time of the current number of passengers booked on a trip, but this should not be taken as any guarantee whether the holiday will or will not go ahead as booking numbers can fluctuate. There may be certain circumstances when a holiday may operate with less than the minimum number than the advertised group size.

We will endeavour to do all possible to have a tour operate. If the tour is not viable due to numbers, where possible we will see if suppliers will supply a more ‘private’ tour and we will come back to you with a revised cost. If everyone currently booked is willing to pay this, then the tour may continue with a much smaller group. If your holiday is cancelled, you can either have a refund of all monies paid or accept an alternative holiday of comparable standard from us if we offer one (we will refund any price difference if the alternative is of a lower value).

In the event a refund is paid to you, we will compensate you for reasonable, non-refundable costs (eg flight tickets) which you have incurred, to be mutually agreed on a case-by-case basis.

### Cancellation as a result of global travel disruption

If it becomes necessary to cancel your tour as a result of

global travel disruption, we reserve the right to refund the cost of your tour in the form of credit for a limited amount of time, to be used against any other tour in the Specialist Journeys portfolio. If you do not use this credit within that time, a refund will be payable. This change to the standard booking conditions would only apply if approved by the UK Government and enshrined in the Package Travel and Linked Travel Arrangements Regulations (PTRs) as an emergency measure to support tour operators in extraordinary circumstances such as the 2020 Covid-19 outbreak.

### Variation by Us:

It is a term of your booking that we are able to make changes to any aspect of your booking. If the change is insignificant, we will ensure that you are notified about it. Examples of insignificant changes include a change of airline or aircraft type, alteration of your outward/return flights by less than 12 hours, change of airports and/or local connecting transport, tour staff and changes to supplementary arrangements such as site visit, or change of accommodation to another of the same or higher standard.

Occasionally, we may have to make a significant change. If we are constrained by circumstances beyond our control to significantly alter any of the main characteristics of the travel services that make up your package, you will have rights set out below.

• We will contact you and you will have the choice of accepting the change or having a refund of all monies paid. You can also accept an alternative holiday, where we offer one (we will refund any price difference if the alternative is of lower value) or purchase an alternative holiday subject to availability and applicable cost. We will tell you the procedure for making your choice. Please read any notification of changes carefully and respond promptly as if you do not respond to us within the timescale given, your booking may be cancelled.

• If you choose to accept a refund, we will compensate you for reasonable, non-refundable costs (e.g. flight tickets) which you have incurred, to be mutually agreed on a case-by-case basis.

Very rarely, we may be forced by ‘circumstances beyond our control’ (see point 6) to change or terminate your holiday after departure but before the scheduled end of your time away. This is extremely rare, if this situation does occur, we regret we will be unable to make any refunds (unless we obtain these from our suppliers), pay you any compensation or meet any costs or expenses you incur as a result.

We do not control the day-to-day management of your accommodation, and in exceptional cases it is possible that we may be advised that the reserved accommodation has been overbooked. If this happens before your departure or on arrival in a location, we will endeavour to provide accommodation of at least the same standard in the same area. If only accommodation of a lower standard is available, we will refund the difference of the holiday price between the accommodation booked and that available and will pay up to £50 per person for any inconvenience.

If under any circumstances a refund is applicable, this will be made to the lead passenger who made the original booking and to the payment method used for that booking.

## 6. CIRCUMSTANCES BEYOND OUR CONTROL

Except where otherwise expressly stated in these booking conditions, we regret we cannot accept liability or pay any compensation, reimburse expenses, or cover losses where the performance of our obligations under our contract with you is prevented or affected by, or you otherwise suffer any damage, loss or expense of any nature as a result of ‘circumstances beyond our control’. In these booking conditions, ‘circumstances beyond our control’ means any event which we or the supplier of the service(s) in question could not, even with all due care, foresee or avoid. Such events may include actual or threatened war, riot, civil strife, terrorist activity and its consequences (including suspected terrorist activity and all action taken during any “terror alert”), industrial dispute, natural or nuclear disaster, adverse weather conditions, epidemics and pandemics, unavoidable technical problems with transport, airport or airspace closures, as well as other air traffic management decisions (that may result in long or overnight delays or cancellations), fire, concert/event changes or cancellation and all similar events outside our control. This list is not exhaustive.

**Group-based holidays and activities** - worldwide weather patterns are becoming ever more erratic and unpredictable. If it is not possible to operate certain excursions for this reason, we will endeavour to offer alternatives if this is possible. Such circumstances are totally beyond our control and you

therefore should proceed with your booking on this basis.

**Public Holidays, Sporting & Local Events** - in addition to public holidays, many countries host other national or international events or there may be local festivals, which may impact on local/tourist services or travel arrangements, including the reduction or closure of facilities, route diversions etc. during your visit. We have no control over these events, and as dates and details of arrangements are often changeable year on year, it is not possible for us to guarantee to forewarn you of specific details that may be relevant to your holiday or accept any responsibility for any disruption that may be caused. During public holidays, shops, restaurants, and tourist attractions may also be closed.

**Third-Party Information & Websites** - your booking is based on the information supplied to you by Brightwater Holidays. We understand you may conduct additional research into your holiday through other third parties and associated websites, but as we have no control over such information this does not form any basis of our contract with you.

**Wi-Fi** - where the provision of Wi-Fi may be indicated in a property description, no guarantee is given or implied that it will be operative during your holiday and its availability is outside our control. Some properties may charge for this service and the areas where it is available may be limited and not necessarily available in guest rooms. In all cases, no compensation or refund will be paid in the event that it is not available for whatever reason.

**Dietary Requests & Allergies** - even nowadays, in some destinations, basic well-known dietary requirements (such as vegetarian, gluten free etc.) are often misunderstood and seldom catered for adequately, despite the best intentions and assurances from hoteliers and restaurateurs. While we are happy to pass on any such requests, we cannot guarantee choice or availability - especially with any airline meal options. We cannot accept detailed lists of specific dietary or food preparation requests and are unable to accept any other requests (eg. personal preferences) that are not for medical or religious reasons. Note: Whilst on tour it is your responsibility to double-check and reconfirm any allergy or dietary requirements directly with the various holiday suppliers.

**Other Hotel Guests** - it is not unusual for hotels or other accommodation to receive group bookings (sometimes with large numbers) from guests participating in conventions and conferences or other gatherings. At certain times of the year, there may be an influx of groups such as students on organised educational visits (popular during school holidays), associations or clubs. This may result in hotel facilities being much busier than usual or additional demands on hotel staff and services, but we are unable to accept any responsibility for any inconvenience caused by such groups or their activities.

**Guides** - we reserve the right to substitute any named guide, guest lecturer or other escort with an alternative qualified person and this will not be deemed as any significant change to your arrangements.

**Flights** - if you have booked a flight upgrade and there is a change of airline prior to departure as a result of circumstances beyond our control, it may not be possible to offer an equivalent upgrade, or an addition cost may apply.

## 7. FOREIGN & COMMONWEALTH TRAVEL ADVICE, HEALTH, VISAS & DOCUMENTS

a) Your specific passport and visa requirements, and other immigration requirements including, inoculations and health certificates are your responsibility, and you should confirm these for all countries to, or through which you are intending to travel, and cover all costs for this. Requirements should be checked well in advance of travel and we do not accept any responsibility if you cannot travel because you have not complied with any passport, visa or immigration requirements.

b) Essential information for British citizens (only), including health, passport and visa requirements along with up-to-date Foreign Office travel, safety and security advice can be obtained from https://www.gov.uk/travelaware. We also strongly recommend that you sign up for the latest email updates as travel and safety information can change at any point without notice.

c) If you or any member of your party is not a British citizen or holds a non-British passport, you must check passport and visa requirements with the Embassy or Consulate of the country or countries to, or through which, you are intending to travel and consult the relevant authority for the latest travel and safety advice for the destinations you are visiting.

d) We recommend that you consult your doctor well in advance of travel for the latest advice on inoculations and health certificates. You can also obtain the latest health information ahead of travel by visiting the National Travel Health Network and Centre (NaTHNaC) website <https://www.travelhealthpro.org.uk>.

#### Entry & Exit system for visiting the EU (EES)

All non-EU nationals travelling to a European country will be subject to checks at the border. The EES system replaces passport stamping and automates border control procedures collecting and recording the data in your passport, your date and place of entry and exit from a European country and also your facial image and fingerprints. In most cases these checks will be carried out upon arrival in the EU when arriving by air, however, due to the dual French and UK border arrangements in Dover, these checks will take place in Dover for coach passengers, prior to boarding the ship for the cross-channel sailing or at London St Pancras International and Paris Gare du Nord self-service pre-registration kiosk before going through the ticket gates if travelling via Eurostar.

#### European Travel Information Authorisation System (ETIAS)

During the first half of 2025 the rules of travel to Europe will change and there will be an entry requirement for visa-exempt nationals. Travellers will be required to make an online application for and obtain an ETIAS travel authorisation to enter most EU countries, a fee of €7 will be charged. Once confirmed this is linked to your passport and will be valid for 3 years or until your passport expires if that is sooner. If you get a new passport, you will need a new ETIAS travel authorisation. You must carry the email confirming your successful ETIAS submission and unique ETIAS application number along with your passport when travelling as both documents will be checked at the border.

ETIAS is not required for Crown Dependencies – Isle of Man and the Channel Islands, or the common travel areas of Northern and Southern Ireland.

Further details can be found at [travel-europe.europa.eu](http://travel-europe.europa.eu) and we will update this page as exact dates and further details are released.

#### 8. SPECIAL CIRCUMSTANCES

Our holidays are not designed for party members to undertake special projects or research whether in connection with study, employment or otherwise. We cannot accept any liability for any losses or damages arising out of such use or planned use nor for any loss or damage which has special financial consequences. Please note if you do intend to use one of our holidays for such purposes you should obtain adequate insurance in respect of it and any special equipment you decide to bring with you on such holidays.

#### 9. HOLIDAY PARTICIPATION

It is a condition of participation on our holidays that you agree to accept the authority and decisions of our employees, tour leaders and agents while on holiday with us. If in the opinion of such a person your health or conduct at any time, before or after departure, appears likely to endanger the safe, comfortable, or happy progress of a holiday, you may be excluded from all or part of the holiday and/or we may terminate your holiday, and any additional costs incurred by you as a result of such exclusion will be your responsibility. In the case of ill health, eg. Covid-19, we may make such arrangements as we see fit and recover any resulting costs from you.

**Note:** Note: While there are no age limits or health requirements on our holidays, please note that for certain destinations require a degree of mobility and fitness to get the most out of the holiday and need to keep up with the group. Should you have any concerns or your mobility changes as your holiday gets closer, please contact us to discuss further.

#### 10. OUR LIABILITY TO YOU

We make every effort to ensure that the holiday arrangements we have agreed to provide as part of our contract with you are delivered with reasonable skill and care. It is the laws and regulations of the country in which the services are actually provided which apply to your holiday arrangements and not those of the UK or your home country and any resulting complaint or claim will be judged on this basis. If the particular services which gave rise to the claim or complaint complied with local laws and regulations applicable to those services at the time, the services will be treated as being properly provided. Please note, it is your responsibility to show that reasonable skill and care have not

been used if you wish to make a claim against us. In addition, we will only be responsible for what our employees, agents and suppliers do or do not do if they were at the time acting within the course of their employment (for employees) or carrying out work we had asked them to do (for agents and suppliers). Also bear in mind that standards of, for example, safety, hygiene, and quality may vary and services and transport your holiday involves may differ to the stringent standards we are accustomed to in the UK or your home country. Including for example, the absence of seatbelts on coaches contracted outside the UK as this is not always a legal requirement elsewhere.

Certain holidays involve risks and hazards of travel to and in remote and/or uninhabited areas where injury, illness, death, delay, or unanticipated events may occur as a result of forces of nature, wildlife and adverse weather conditions. Medical services or facilities may not be readily available or accessible in some parts, and the medical facilities that do exist could be of inferior quality compared to what is available at home. In remote regions risks may include but are not limited to: mechanical breakdown of expedition vehicle(s); becoming stranded in remote and/or uninhabited areas; being subjected to rugged terrain and a harsh climate; encounters with wild animals, insects and pests, and the possibility of illness, injury or death therefrom; the uncontrollable and unpredictable behaviour of wild animals in their natural habitat; the possibility of not seeing certain animals; and dangerous weather and climate conditions.

You must inform us without undue delay of any failure to perform or improper performance of the travel services included in this package. If any of the travel services included in your package are not performed in accordance with the contract, or improperly performed, by us or the travel service suppliers, and this has affected the enjoyment of your travel arrangements, you may be entitled to an appropriate price reduction or compensation or both. We will not be liable where any failure to perform or improper performance of the travel services is due to you or another member of your party; or a third party unconnected with the provision of the travel services in the package and is unforeseeable or unavoidable.

Our liability, except in cases involving death, injury, or illness, shall be limited to a maximum of three times the cost of your travel arrangements (excluding amendment charges). Our liability (if we are found liable to you on any basis) will also be limited in accordance with and/or in an identical manner to:

a) The contractual terms of the companies that provide the travel services that made up your package.

These terms are incorporated into this booking contract; and

b) Any relevant international convention, for example the Montreal Convention in respect of travel by air, the Athens Convention in respect of travel by sea, the Berne Convention in respect of travel by rail and the Paris Convention in respect of the provision of accommodation, which limit the amount of and conditions under which compensation can be claimed for death, injury, delay to passengers and loss, damage and delay to luggage (there are strict Conditions of Carriage obligations for making claims for missing or damaged baggage that must be followed). We are regarded as having all benefit of any limitation of the extent of or the conditions under which compensation is to be paid under these or any conventions.

You can ask for copies of the travel service contractual terms, or the international conventions from Brightwater Holidays. Where a carrier or hotelier would not be obliged to make any payment to you under the applicable international convention or regulation in respect of a claim or part of a claim, we similarly are not obliged to make a payment to you for that claim or part of the claim. Under EU law (Regulation 261/2004) you have rights in some circumstances to refunds and/or compensation from your airline in cases of denied boarding, cancellation, or delay to flights – see point 11 below.

If it is impossible to ensure your return as scheduled due to unavoidable and extraordinary circumstances, we will bear the cost of necessary accommodation, if possible, of equivalent category, for a maximum of three nights if this is not provided by your airline, in accordance with Regulation 261/2004. The limit doesn't apply to persons with reduced mobility and any person accompanying them, pregnant women and unaccompanied minors, or persons in need of specific medical assistance, provided that you notified us of these needs at least 48 hours before the start of your holiday.

**Note:** this entire clause does not apply to any services which do not form part of your contract with us i.e.

'own arrangements'. This includes for example, any additional services, including excursions, that you organise independently, or services which your hotel or any other supplier agrees to provide for you where these are not organised by us as part of our contract with you. We recommend that sufficient and appropriate insurance is taken out. In addition, we cannot accept any liability for any damage, loss, expense or other sum(s) of any description (1) which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not have foreseen you would suffer or incur if we breached our contract with you or (2) which did not result from any breach of contract or other fault by ourselves or our employees, or where we are responsible for them, our suppliers or (3) arises out of use of our services for special projects or research whether in connection with study, employment or otherwise or (4) is connected with any business. We further advise you, and you agree that in the event of any claim against us, that such claim shall be governed by Scottish Law and Jurisdiction shall lie in any Court of Competent Jurisdiction in the United Kingdom and you further acknowledge these requirements and waive any objection(s) thereto.

#### 11. TRAVEL DELAYS & CARRIAGE BY AIR

Should delays due to weather conditions disrupt your itinerary, additional costs may be incurred and these would be the responsibility of you, the client. You will be assisted by the airline in accordance with the airlines' policy on delays. We cannot accept liability for any delay which is due to any of the reasons set out in point 6 of these booking conditions (which includes the behaviour of any passenger(s) on the flight who, for example, fails to check in or board a flight on time).

Under EU law (Regulation 261/2004) you have rights in some circumstances to refunds and/or compensation from your airline in cases of denied boarding, cancellation, or delay to flights. Full details of these rights will be publicised at EU airports and will also be available from airlines. However, reimbursement in such cases will not automatically entitle you to a refund of your holiday cost from us. Your right to a refund and/or compensation from us is set out in these booking conditions. If any payments to you are due from us, any payment made to you by the airline will be deducted from this amount. You are required to make any claim under this regulation directly with the airline, but if your airline does not comply with these rules you should complain to the Civil Aviation Authority on 0207 453 6424 <https://www.caa.co.uk>.

Where long flight delays result in lost holiday time, we are unable to offer any refunds for unused accommodation or other services as reimbursement will not be made by our suppliers in these circumstances, and hotel rooms are held for delayed arrivals and not re-let. We strongly recommend you have adequate insurance provisions in place to fully cover such eventualities.

We are unable to guarantee that all parties will be seated together. With some airlines it is possible to request, or in some cases, reserve certain preferred seats on the aircraft (most airlines will make an additional charge for this). We are happy to assist with this, but this is an additional service over and above your contractual arrangement for 'carriage by air' with the airline. Airlines reserve the right to make changes to any specific seat numbers for operational or safety reasons either before, or on the day of departure and you will be notified of any such change upon check-in. Where applicable, any additional charge made for pre-booking specific seats will be refunded.

In accordance with EU Directive (EC) No 2111/2005 Article 9, we are required to bring to your attention the existence of a "Community list" which contains details of air carriers who are subject to an operating ban within the EU. The Community list is available for inspection at [https://ec.europa.eu/transport/modes/air/safety/air-ban\\_en](https://ec.europa.eu/transport/modes/air/safety/air-ban_en).

In accordance with EU Regulations, we are required to advise you of the actual carrier(s) (or, if the actual carrier(s) is not known, the likely carrier(s)) that will operate your flight(s) at the time of booking. Where we are only able to inform you of the likely carrier(s) at the time of booking, we shall inform you of the identity of the actual carrier(s) as soon as we become aware of this. Any change to the operating carrier(s) after your booking has been confirmed will be notified to you as soon as possible. If the carrier with whom you have a confirmed reservation becomes subject to an operating ban as above as a result of which we/the carrier are unable to offer you a suitable alternative, the provisions of point 5, "Cancellation and Variation by us" will apply.

We are not always in a position at the time of booking to

confirm the flight timings, which will be used in connection with your flight. The flight timings shown in our brochure, on our website and/or detailed on your booking confirmation/invoice are for guidance only and are subject to alteration. Flight timings are outside our control. They are set by airlines and are subject to various factors including air traffic control restrictions, weather conditions, potential technical problems and the ability of passengers to check in on time. Specific instructions relating to departure and travel arrangements will be sent with your air or other travel tickets approximately 2 weeks before departure. You must check your tickets very carefully immediately on receipt to ensure you have the correct and up to date flight times. It is possible that flight times may be changed even after tickets have been dispatched - we will contact you as soon as possible if this occurs. Any change in the identity of the carrier, flight timings, and/or aircraft type (if advised) will not entitle you to cancel or change to other arrangements without paying our normal charges except where specified in these conditions. We advise that you keep check on your flight's departure information on the day of departure in case of any late flight changes.

In accordance with EU legislation, we are required to draw your attention to restrictions concerning the import of food items which cannot be brought into the EU (including the UK), from outside the EU. For details, please see <http://ww2.defra.gov.uk/food-farm/food/personal-imports/> or contact this office.

#### 12. INSURANCE

It is a condition of booking with us that you and all members of your party obtain travel insurance for all overseas Brightwater holidays and is highly recommended for UK Brightwater Holidays. It should include cover for COVID-19 cancellation, curtailment, repatriation, and quarantine. We also strongly recommend that you do not travel against medical advice. The cost of repatriation, medical and other treatment overseas can be high and we are unable to assist in meeting those costs. You should organise it immediately when you book to ensure you have cover against possible cancellation charges, medical treatment, and repatriation. Should you have your travel insurance in place we will need to know the details of your policy 6 weeks before departure at the latest. It is a requirement of booking that you provide us with an emergency contact number while you are on holiday stating your relationship (e.g. family member, neighbour, workplace). This is purely for your benefit in the unlikely event of you becoming ill or incapacitated on tour. Please note that we no longer sell travel insurance but do work closely with Global Travel Insurance who will be happy to provide you with a quotation (01903 235042). Please see our website for more details: [brightwaterholidays.com/travel-insurance/](http://brightwaterholidays.com/travel-insurance/)

#### 13. SPECIAL REQUESTS & MEDICAL CONDITIONS / DISABILITIES

If you or any member of your party have any special requests, you must advise us at the time of booking. Although we will endeavour to pass any reasonable requests on to the relevant supplier, we regret we cannot guarantee any request will be met. Failure to meet any special request will not be a breach of contract on our part. Confirmation that a special request has been noted or passed on to the supplier or the inclusion of the special request on your booking confirmation/invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability. For your own protection, you should obtain confirmation in writing that a special request will be provided (where it is possible to give this) where it is important to you. We regret we cannot accept any conditional bookings, i.e. any booking which is specified to be conditional on the fulfilment of a particular request. All such bookings will be treated as "standard" bookings subject to the above provisions on special requests.

If you or any member of your party has any medical condition or disability which may affect your holiday or has any special requirements as a result of any medical condition or disability (including any which affect the booking process), you must tell us before you confirm your booking so that we can assist you in considering the suitability of the arrangements and/or making the booking. In any event, you must give us full details in writing at the time of booking and whenever any change in the condition or disability occurs. You must also promptly advise us if any medical condition or disability which may affect your holiday develops or worsens after your booking has been confirmed.

Brightwater Holidays cannot provide individual assistance with boarding coaches or other forms of transport, baggage handling, walking or other personal requirements, etc. and guests should be confident that they can do these tasks unaided. We are happy to give advice and assistance with the choice of your holiday which will be dependent upon the nature of any disability. Our brochures also give a simple guide per tour regarding how active the tour is. In order to ensure your enjoyment of the holiday, we ask all clients to provide full details of any disability or special requirements at the time of booking. Some suppliers such as airlines and cruise lines may request certification from your GP to confirm that you are fit to travel. We regret that we cannot be held liable for any costs you may incur as a result. You are urged to contact our Sales department for further information if you have any difficulty in walking or mobility problems and they will be pleased to advise you on the suitability of any particular holiday.

#### 14. CLIENT BEHAVIOUR

When you book a holiday with Brightwater Holidays you accept responsibility for the proper conduct of you and your party. Brightwater Holidays reserves the right in its reasonable discretion to terminate the holiday of any member of your party whose conduct is disruptive or detrimental to the enjoyment of other clients, or whose conduct may prejudice the reputation of Brightwater Holidays with our suppliers or hotel owners. In that situation Brightwater Holidays shall have no further responsibility or liability to you. The departure of a coach, ship train, plane or other modes of transport will not be delayed for passengers who are not on board by the stated boarding time.

#### 15. COMPLAINTS & ASSISTANCE ON HOLIDAY

If you have any reason to be unhappy with any element of your holiday, we would ask you first to bring this to the attention of the person in charge of the relevant service, on the spot. If this is not possible, please either contact our local representative or our UK office, using the number provided with your travel documents. It is essential that you do this to enable us to try and put matters right where possible. If a problem remains unresolved during your holiday you should make a complaint which must be received at our offices within 28 days of the completion of your holiday giving your booking reference and all other relevant information. This can be in writing, either by email or letter from the person who made the booking. We will reply to you within 28 days of receipt of your complaint. Please keep your complaint concise and to the point. If you fail to follow the requirement to report your complaint while on holiday, we will have been deprived of the opportunity to investigate and rectify it and this may affect your rights under this booking. If you're in difficulty while on holiday and ask us to help, we will provide appropriate assistance, in particular by providing information on health services, local authorities and consular assistance; and helping you to find alternative arrangements and any necessary phone calls/emails. You must pay any costs we incur if the difficulty is your fault.

The terms of this contract are exclusively governed by Scottish Law and the jurisdiction of the Scottish Courts.
