Living beyond the northern frontier of the Roman Empire, the people of northern Scotland in the Dark Ages were known as the Picts – a name given by the Romans meaning the ‘painted, tattooed ones’. The Genius of Monet

4 DAYS FROM

SAVING PER PERSON
\$350

Just as the gardens at Giverny inspired Monet, who spent half his life nurturing and enjoying them, they continue to enthrall visitors more than 90 years after his death. The restored gardens give a vivid impression of Monet's favourite subjects. The perfect complement to Giverny is the Orangerie Museum in Paris. The centrepiece of this outstanding collection is Monet's breathtaking series of two-metre high murals, *Les Nymphéas*, which provide a moving testament to the genius of the painter. Besides Giverny, we visit the Château de Chantilly, with its collection of fine art and its gardens designed by Le Nôtre, and also the market town of Senlis.

Tour Highlights

- The incomparable gardens of Giverny, maintained as Monet would have wished
- The Orangerie Museum and *Les Nymphéas* – impressionism at its most impressive
- The sumptuously decorated Grands Appartements and the Galeries de Peintures of the Château de Chantilly
- Comfortable rail travel aboard Eurostar

Day 1 We depart from London St Pancras International on the morning Eurostar service through the Channel Tunnel to Paris Gare du Nord. In the afternoon we will visit the **Château de Chantilly**, a magnificent structure which stands on a rock surrounded by water. Our visit will include the sumptuously decorated Grands Appartements, dating from the 17th-19th centuries. We will return to the hotel in time for dinner. (B, D)

Day 3 This morning, following breakfast, we depart for **Giverny** and the world famous

Monet's Garden

house and gardens of **Claude Monet**. Our early start today will ensure an early arrival at Giverny - a time when the gardens are at their most tranquil. Following our visit we will enjoy free time in Giverny along with an opportunity to visit the little church where Monet is buried. (B, D)

Day 4 We travel to Paris for a visit to the **Musée de l'Orangerie des Tuileries**. The highlight of the museum's impressive collection is undoubtedly the series of 2-metre high murals entitled **Les Nymphéas**, a sequence of impressions such as clouds, reflections and sunsets which Claude Monet installed between 1914 and 1918, when he was at the height of his extraordinary powers. Thereafter you will have free time to shop and sightsee at your leisure. Later, we return to the Gare du Nord for our Eurostar train back to London. (B)

Rome, Ninfa and Castel Gandolfo

4 DAYS FROM

Open by special arrangement, we are delighted to offer this rare opportunity to visit the beautiful gardens of Ninfa. The romantic flower covered ruins are as close to gardening perfection as you can get. Scented roses, hydrangeas and jasmynes curtain what remains of the walls of medieval buildings and paths meander beside a crystal-clear river. We also have the opportunity to follow in the footsteps of the Popes as we explore the gardens of Castel Gandolfo. We also visit Villa Lante, a study in geometry and symmetry, and tour the 16th century gardens at Villa D'Este, romantically overgrown with tall pines, evergreen oaks and cedars.

Tour Highlights

- Enjoy exclusive access to the beautiful and ancient gardens of Ninfa
- Wander Castel Gandolfo, the Papal residence
- Explore the streets of Rome at your leisure
- Visits to Villa d'Este and Villa Lante
- Guided tour of Viterbo

Day 1 We fly from London to **Rome**, where upon arrival we have a short city tour. **Rome** has a justified claim as one of the world's greatest cities, combining the magnificence of the Renaissance with the vibrancy and excitement of a thriving city. We see the **Colosseum, St. Peter's Square and Basilica** and the **Spanish Steps**. (D)

Day 2 After breakfast we depart for **Viterbo**, where we have a guided tour. We'll see a number of grand palaces and a host of old churches which are enclosed by an intact set of medieval walls. Nearby, we find the gardens of **Villa Lante**, described as "one of Italy's greatest Renaissance gardens." This study in geometry and symmetry dates back to 1568 when it was designed for Cardinal Gianfrancesco Gambara by the architect Giacomo Barozzi da Vignola. The dominant theme is water, and in front of the palazzina is a central water parterre, which is a classic example of late Renaissance or mannerist style. A later addition is the ornate French-style parterre de broderie, with intricate shapes in clipped box set against a ground cover of reddish gravel. (B)

Gardens of Ninfa

Day 3 The gardens of **Castel Gandolfo** await discovery this morning, the traditional papal residence outside of Rome. In the afternoon, we visit **Ninfa** – named after a mythical nymph and with a curious history. The garden is now deemed by many to be the most beautiful garden in Europe, though for hundreds of years the site lay deserted due to malaria. After the mosquito hazard was removed in 1922, the Duchess of Sermoneta and her son Prince Caetani began to lay out a romantic garden among the village ruins. At least 10,000 plants were collected and planting has continued ever since, giving Ninfa an entrancing beauty. (B)

Day 4 This morning we visit **Villa d'Este** in Tivoli, the 16th century gardens known for their use of water. From the upper terrace, the valley seems to be full of sparkling spray and the senses are confused by the continual sound of cascading water. Amble along the Path of One Hundred Fountains to the remains of the miniature Rometta. Later, we transfer to Rome airport for our return flight to London. (B)

South Africa's stunning Garden Route winds its way for some 200km between richly forested mountains and a crinkle-cut coastline dotted with beautiful beaches and empty bays. Vividly coloured wildflowers delight the eye at every turn and progress tends to be leisurely, as one stunning photo opportunity after another presents itself. Visits include the Wilderness National Park, the sea cliffs at Knysna and the famous suspension bridge at Tsitsikamma. Also returning from the wilderness to grace our tour are the Drakensberg Mountains, where we do some gentle botanising and can visit neighbouring Lesotho. Singapore Garden Festival

Marina Bay

The Singapore Garden Festival takes place every two years and is among the top flower and garden shows on the international calendar. It was the first event to bring together top international award-winning landscape and garden designers, florists and horticulturalists from around the world, who are invited to the Festival to work alongside Singapore's own talented horticulturalists. Singapore's geographic location makes the Festival an ideal platform to showcase horticultural and gardening products and services from the northern and southern hemispheres, including Asia and New World nations. A colourful and stimulating experience with a truly international flavour, the Festival is a treat for the senses. Other highlights include the spectacular Gardens by the Bay, whose illuminated Supertrees have gained iconic status, and afternoon tea at Raffles, the famous Singaporean institution.

Tour Highlights

- Full day at the Singapore Garden Festival
- Stunning views from the Marina Bay Sands observation platform
- Relaxing river cruise
- Chinese and Japanese gardens
- Singapore's friendly, multicultural ambience

Day 1 We depart from London Heathrow on our overnight flight to **Singapore**. *(IF)*

Day 2 Upon arrival in Singapore we will be met and taken to our 4-star city centre hotel. In the afternoon we depart on a city sightseeing tour of Singapore, which includes visits to **Chinatown** and **Little India**. Later we return to our hotel to freshen up before we transfer to a local restaurant for our welcome dinner. *(D)*

Day 3 This morning we visit **Singapore Botanical Garden**, which was founded in 1859 and showcases the best and most spectacular of tropical flora, set in a stunning verdant landscape. Entrance to the **national orchid garden** is also included. In the afternoon we tour the **Colonial District**, where we will see the Cricket Club, Parliament House, the Supreme Court and the City Hall. We then visit the **Marina Bay Sands**, a landmark hotel and leisure complex, with a distinctive rooftop garden known as the Skypark. 57 stories above the ground. The views over the city are spectacular and include the Gardens by the Bay and Supertree Grove, the capsules of the Singapore Flyer and the orange-tiled roofs of the shophouses that line the Singapore River. We continue with a visit to the **Merlion Park**, home to the Merlion statue, half fish and half lion, another of Singapore's iconic sights. Finally today we enjoy a cruise along the **Singapore River**. [B, D]

Day 4 We visit Singapore's iconic horticultural attraction, **Gardens by the Bay**. Spanning 101 hectares, this award-winning venue houses over 250,000 rare plants in an innovative and imaginative way. There are obvious similarities to our own Eden Project, in particular the huge domed conservatories, but other features are strikingly unique, such as the impressive Supertrees. In the afternoon we visit the **Cloud Forest**, a mysterious botanical world veiled in mist, with breath-taking mountain views surrounded by diverse vegetation and hidden floral gems. After dinner in a local restaurant we return to the Gardens by the Bay for the evening performance of the **Rhapsody** light and sound show at the **Supertree Grove Gardens**, a truly spectacular event. At night the Supertrees can be seen to full effect as they are brilliantly illuminated in an ever-changing kaleidoscope of colour, complemented by a garden rhapsody of well-known music from the movies. [B, D]

Day 5 Today is given over to the **Singapore Garden Festival**, where we will enjoy viewing the garden displays and orchid extravaganza as well as attending talks and demonstrations. [B, D]

Day 6 This morning we visit Singapore's Chinese and Japanese Gardens, known as the **Jurong Gardens**. The Chinese Garden is modelled along the northern Chinese imperial style of architecture and landscaping, while the Japanese Garden takes its inspiration from the Muromachi period of 1392 to 1568 and the Azuchi-Momoyama period of 1568 to 1615. We return to the hotel to freshen up and change into the requisite smart-casual attire for **Afternoon Tea at Raffles Hotel**. Established by Armenian hoteliers in 1887, the hotel is named after Sir Thomas Stamford Raffles, the founder of the original trading station and has become an unmissable part of the city's heritage. [B, AT]

Day 7 We begin today with a visit to **Hort Park**, a series of botanical and horticultural parks and gardens in the southwestern corner of Singapore, connected by elevated walkways and bridges. The afternoon is free to shop and sightsee at leisure, or join our optional excursion to **Sentosa Island**, the extensive park that lies just off the main island and is accessed by cable car. Admission is included to all the major attractions, including the Aquarium, Madame Tussauds, Images of Singapore and the 4D Adventureland Ride. Tonight we enjoy a farewell dinner. [B, D]

Day 8 After checking out of the hotel we have time for one more visit, the **Fort Canning Spice Garden**. Here we will discover the trees and plants that produce many familiar spices such as nutmeg and cloves, on a site that was originally Singapore's first Botanical and Experimental Garden, started in 1822 by Sir Thomas Stamford Raffles. Following our visit we transfer to the airport for our overnight flight back to London. [B]

Day 9 We arrive in London this morning, where the group will disperse. [IF]

Grenada - Gardens of the Spice Island

9 DAYS FROM
\$3,390

Lying at the southern end of the Lesser Antilles, the little island of Grenada offers a typical slice of Caribbean life, flavoured with spice and full of colour. With a lush, mountainous interior and a coastline fringed with silky-smooth beaches, it is home to some wonderful privately-owned gardens, which we have threaded together like a richly-flavoured kebab of delicious horticultural morsels.

Given that Grenada won the President's Choice Award at the 2024 Chelsea Flower Show, it's reasonable to assume that people here know a thing or two about gardening, and we can expect some real treats as we visit a host of gardens. We are based at the Blue Horizons Garden Resort, set back 300 yards from Grand Anse Beach, which provides accommodation in self-contained one-bedroom units offering both comfort and privacy. The grounds are extensive and merit a guided tour in their own right, as well as a bird-watching tour.
